ORDINANCE BILL NO. 6 FOR 1928.---ORDINANCE NO. 375

An ordinance to amend Section 81 of Ordinance No. 276 passed by the Council on the 27th day of June, 1921, as amended by ordinance No. 280 passed by the Council on the 6th day of December, 1921, relating to the Fire limits of the City of Lebanon, Oregon.

THE PEOPLE OF THE CITY OF LEBANON DO ORDAIN AS FOLLOWS:

Section 1. That Section 81 of ordinance No. 276 passed by the Council on the 27th day of June, 1921, as amended by Ordinance No. 280 passed by the Council on the 6th day of December, 1921, be and the same is hereby amended to read as follows:

Section 81. That the fire limits of the City of Lebanon, Linn County, Oregon, shall comprise the territory embraced within the following described boundaries, to-wit: Beginning at the Northwest corner of the intersection of Main and Oak Streets, and running thence East to the Northwest corner of the Intersection of Oak and Park Streets; thence north to the Southwest corner of the intersection of Park and Vine streets; thence West to the Southeast corner of the intersection of Second and Vine Streets; thence South to the Southeast corner of the intersection of Second and Ash Streets; thence West to the Southeast corner of the intersection of Third and Ash Streets; thence South to the Southeast corner of the intersection of Third and Grant Streets; thence East to the Southeast corner of the intersection of Grant and Second Streets; thence south to the Northeast corner of Oak and Second Streets; and thence East to the place of beginning.

PROVIDED that property within said boundaries used and occupied or which has heretofore been used and occupied exclusively for residence purposes and which is detached from any other building may be altered or repaired in like manner as if it were outside the fire limits; and

PROVIDED FURTHER that new, detached residences may be

erected within said firelimits, except that between Ash street and Maple Street no residence may be erected upon any lot abutting upon main street so that the same shall be closer than 100 feet to the line of said main street, and

PROVIDED FURTHER that any building now within said above described fire boundaries may be repaired with new materials if, in the judgment of the committee on Streets and Public Property, and also in the judgment of the Chief of the Fire Department, it is safe to make such repairs, and such repairs do not increase the fire hazard, and the said building is, in other respects, in a safe and secure condition, so that such building when repaired will be safe for all purposes for which it may be used and not be a menace to the public.

A detached dwelling or residence as described and used in this Section is a dwelling which is at least 25 feet from any other building except a private garage or other out-building, and no part of which is used for business or commercial purposes.

Passed by the Council this 17th day of April, 1928.
