SECTION 1: Financing Loan Authorized. Based on the above findings, subject to the thirty day referral period of this nonemergency ordinance without the ordinance being referred to a vote under the requirements of ORS 287A.150, the Governing Body authorizes the City Manager or the Finance Director, or there designee (the "Authorized Officer"), to negotiate the terms of and execute the Financing Contract and the Promissory Note (the "Financing Documents") and such other documents as may be required to obtain financial assistance including a loan from the IFA on the condition that the principal

amount of the loan from the IFA to the City is not in excess of \$11,000,000 and the interest rate is not more than 3.51% per annum. The proceeds of the loan from the IFA shall be applied solely to the "Costs of the Project" as such term is defined in the Financing Contract.

SECTION 3: Additional Documents. The Authorized Officer is hereby authorized to enter into any agreements and to execute any documents or certificates which may be required to obtain financial assistance from the IFA for the Project pursuant to the Financing Documents.

SECTION 4: Tax-Exempt Status. The Authorized Officer of the City may enter into covenants on behalf of the City to protect the tax-exempt status of the interest paid by the City pursuant to the Financing Documents and may execute any Tax Certificate, Internal Revenue Service forms or other documents as shall be required by the IFA or their bond counsel to protect the tax-exempt status of such interest.

This financing contract ("Contract"), dated as of the date the Contract is fully executed, is made by the State of Oregon, acting by and through the Oregon Infrastructure Finance Authority ("IFA"), and the City of Lebanon ("Recipient") for financing of the project referred to above and described in Exhibit D ("Project"). This Contract becomes effective only when fully signed and approved as required by applicable law. Capitalized terms not defined in section 1 and elsewhere in the body of the Contract have the meanings assigned to them by Exhibit A.

This Contract includes the following exhibits, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

- Exhibit A General Definitions
- Exhibit B Security
- Exhibit C Form of Promissory Note
- Exhibit D Project Description; Project Special Condition
- Exhibit E Project Budget

SECTION 1 - KEY TERMS

The following capitalized terms have the meanings assigned below.

"Estimated Project Cost" means \$21,000,000.

"Loan Amount" means \$11,000,000.

"Maturity Date" means the 24th anniversary of the Repayment Commencement Date.

"Note Interest Rate" means 3.51% per annum, computed on the basis of a 360-day year, consisting of twelve 30-day months.

"Payment Date" means 1 December.

"Project Closeout Deadline" means 90 days after the earlier of the Project Completion Date or the Project Completion Deadline.

"Project Completion Deadline" means 36 months after the date of this Contract.

"Repayment Commencement Date" means the first Payment Date to occur after the Project Closeout Deadline.

SECTION 2 - FINANCIAL ASSISTANCE

The IFA shall provide Recipient, and Recipient shall accept from IFA, financing for the Project as a non-revolving loan (the "Loan") in an aggregate principal amount not to exceed the Loan Amount.

Notwithstanding the above, the aggregate total of Financing Proceeds disbursed under this Contract cannot exceed the Costs of the Project.

SECTION 3 - DISBURSEMENTS

- A. Reimbursement Basis. The Financing Proceeds will be disbursed to Recipient on an expense reimbursement or costs-incurred basis. The Recipient must submit each disbursement request for the Financing Proceeds on an IFA-provided or IFA-approved disbursement request form ("Disbursement Request").
- B. Financing Availability. The IFA's obligation to make, and Recipient's right to request, disbursements under this Contract terminates on the Project Closeout Deadline.
- C. Payment to Contractors. The IFA, in its sole discretion, may make direct payment to suppliers, contractors and subcontractors and others for sums due them in connection with construction of the Project, instead of reimbursing Recipient for those sums.

SECTION 4 - LOAN PAYMENT; PREPAYMENT

- A. Promise to Pay. The Recipient shall repay the Loan and all amounts due under this Contract and the Note in accordance with their terms. Payments required under this Contract are, without limitation, payable from the sources of repayment described in the Act and this Contract, including but not limited to Exhibit B, and the obligation of Recipient to make all payments is absolute and unconditional. Payments will not be abated, rebated, set-off, reduced, abrogated, terminated, waived, postponed or otherwise modified in any manner whatsoever. Payments cannot remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project, commercial frustration of purpose, any change in the laws, rules or regulations of the United States of America or of the State of Oregon or any political subdivision or governmental authority, nor any failure of IFA to perform any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with the Project or this Contract, or any rights of set off, recoupment, abatement or counterclaim that Recipient might otherwise have against IFA or any other party or parties; provided further, that payments hereunder will not constitute a waiver of any such rights.
- B. Interest. Interest accrues at the Note Interest Rate on each disbursement from the date of disbursement until the Loan is fully paid. All unpaid interest accrued to the Repayment Commencement Date is (in addition to the first regular installment payment due) payable on the Repayment Commencement Date.
- C. Loan Payments. Starting on the Repayment Commencement Date and then on each succeeding Payment Date, Recipient shall make level installment payments of principal and interest, each payment sufficient to pay the interest accrued to the date of payment and so much of the principal as will fully amortize the Loan by the Maturity Date, on which date the entire outstanding balance of the Loan is due and payable in full.
- D. Loan Prepayments.
 - (1) Mandatory Prepayment. The Recipient shall prepay all or part of the outstanding balance of the Loan as required by this Contract or the Note.

- (2) Optional Prepayment. The Recipient may prepay all or part of the outstanding balance of the Loan on any day except a Saturday, Sunday, legal holiday or day that banking institutions in Salem, Oregon are closed.

E. Application of Payments. Regardless of any designation by Recipient, payments and prepayments by Recipient under this Contract or any of the Financing Documents will be applied first to any expenses of IFA, including but not limited to attorneys' fees, then to unpaid accrued interest (in the case of prepayment, on the amount prepaid), then to the principal of the Loan. In the case of a Loan prepayment that does not prepay all the principal of the Loan, IFA will determine, in its sole discretion, the method for how the Loan prepayment will be applied to the outstanding principal payments. A scheduled payment received before the scheduled repayment date will be applied to interest and principal on the scheduled repayment date, rather than on the day such payment is received.

SECTION 5 - CONDITIONS PRECEDENT

A. Conditions Precedent to IFA's Obligations. The IFA's obligations are subject to the receipt of the following items, in form and substance satisfactory to IFA and its Counsel:

- (1) This Contract duly signed by an authorized officer of Recipient.

- (3) A copy of the ordinance, order or resolution of the governing body of Recipient authorizing the borrowing and the contemplated transactions and the execution and delivery of this Contract, the Note and the other Financing Documents.
- (4) An opinion of Recipient's Counsel.
- (5) Such other certificates, documents, opinions and information as IFA may reasonably require.

B. Conditions to Disbursements. As to any disbursement, IFA has no obligation to disburse funds unless all following conditions are met:

- (2) The representations and warranties made in this Contract are true and correct on the date of disbursement as if made on such date.
- (3) The IFA, in the reasonable exercise of its administrative discretion, has sufficient moneys in the Fund for use in the Project and has sufficient funding, appropriations, limitations, allotments and other expenditure authority to make the disbursement.
- (4) The IFA (a) has received a completed Disbursement Request, (b) has received any written evidence of materials and labor furnished to or work performed upon the Project, itemized receipts or invoices for payment, and releases, satisfactions or other signed statements or forms as IFA may require, (c) is satisfied that all items listed in the Disbursement Request are reasonable and that the costs for labor and materials were incurred and are properly included in the Costs of the Project, and (d) has determined that the disbursement is only for costs defined as eligible costs under the Act and any implementing administrative rules and policies.

- (5) The Recipient has delivered documentation satisfactory to IFA that, in addition to the Financing Proceeds, Recipient has available or has obtained binding commitments for all funds necessary to complete the Project.
- (6) Any conditions to disbursement elsewhere in this Contract or in the other Financing Documents are met.

SECTION 6 - USE OF FINANCIAL ASSISTANCE

- A. Use of Proceeds. The Recipient shall use the Financing Proceeds only for the activities described in Exhibit D and according to the budget in Exhibit E. The Recipient may not transfer Financing Proceeds among line items in the budget without the prior written consent of IFA.
- B. Costs of the Project. The Recipient shall apply the Financing Proceeds to the Costs of the Project in accordance with the Act and Oregon law, as applicable. Financing Proceeds cannot be used for costs in excess of one hundred percent (100%) of the total Costs of the Project and cannot be used for pre-Award Costs of the Project, unless permitted by Exhibit D.
- C. Costs Paid for by Others. The Recipient may not use any of the Financing Proceeds to cover costs to be paid for by other financing for the Project from another State of Oregon agency or any third party.

SECTION 7 - REPRESENTATIONS AND WARRANTIES OF RECIPIENT

The Recipient represents and warrants to IFA:

- A. Estimated Project Cost, Funds for Repayment. A reasonable estimate of the Costs of the Project is shown in section 1, and the Project is fully funded. The Recipient will have adequate funds available to repay the Loan, and the Maturity Date does not exceed the usable life of the Project.
- B. Organization and Authority.
 - (1) The Recipient is a Municipality under the Act, and validly organized and existing under the laws of the State of Oregon.
 - (2) The Recipient has all necessary right, power and authority under its organizational documents and under Oregon law to (a) execute and deliver this Contract and the other Financing Documents, (b) incur and perform its obligations under this Contract and the other Financing Documents, and (c) borrow and receive financing for the Project.
 - (3) This Contract, the Note and the other Financing Documents executed and delivered by Recipient have been authorized by an ordinance, order or resolution of Recipient's governing body, and voter approval, if necessary, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings.
 - (4) This Contract and the other Financing Documents have been duly executed by Recipient, and when executed by IFA, are legal, valid and binding, and enforceable in accordance with their terms.
- C. Full Disclosure. The Recipient has disclosed in writing to IFA all facts that materially adversely affect the Project, or the ability of Recipient to make all payments and perform all obligations required by this Contract, the Note and the other Financing Documents. The Recipient has

made no false statements of fact, nor has it omitted information necessary to prevent any statements from being misleading. The information contained in this Contract and the other Financing Documents is true and accurate in all respects.

- D. Pending Litigation. The Recipient has disclosed in writing to IFA all proceedings pending (or to the knowledge of Recipient, threatened) against or affecting Recipient, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would materially adversely affect the Project or the ability of Recipient to make all payments and perform all obligations required by this Contract, the Note and the other Financing Documents.
- E. No Defaults.
- (1) No Defaults or Events of Default exist or occur upon authorization, execution or delivery of this Contract or any of the Financing Documents.
 - (2) The Recipient has not violated, and has not received notice of any claimed violation of, any agreement or instrument to which it is a party or by which the Project or its property may be bound, that would materially adversely affect the Project or the ability of Recipient to make all payments and perform all obligations required by this Contract, the Note and the other Financing Documents.
- F. Compliance with Existing Agreements and Applicable Law. The authorization and execution of, and the performance of all obligations required by, this Contract and the other Financing Documents will not: (i) cause a breach of any agreement, indenture, mortgage, deed of trust, or other instrument, to which Recipient is a party or by which the Project or any of its property or assets may be bound; (ii) cause the creation or imposition of any third party lien, charge or encumbrance upon any property or asset of Recipient; (iii) violate any provision of the charter or other document pursuant to which Recipient was organized or established; or (iv) violate any laws, regulations, ordinances, resolutions, or court orders related to Recipient, the Project or its properties or operations.
- G. Governmental Consent. The Recipient has obtained or will obtain all permits and approvals, and has made or will make all notifications, declarations, filings or registrations, required for the making and performance of its obligations under this Contract, the Note and the other Financing Documents, for the financing or refinancing and undertaking and completion of the Project.

SECTION 8 - COVENANTS OF RECIPIENT

The Recipient covenants as follows:

- A. Notice of Adverse Change. The Recipient shall promptly notify IFA of any adverse change in the activities, prospects or condition (financial or otherwise) of Recipient or the Project related to the ability of Recipient to make all payments and perform all obligations required by this Contract, the Note or the other Financing Documents.
- B. Compliance with Laws. The Recipient shall comply with all applicable laws, rules, regulations and orders of any court or governmental authority that relate to this Contract or the other Financing Documents, and the Project and the operation of the System of which the Project is a component. In particular, but without limitation, Recipient shall comply with the following, as applicable:

- (1) State procurement regulations found in the Oregon Public Contracting Code, ORS chapters 279A, 279B and 279C.
- (2) State labor standards and wage rates found in ORS chapter 279C.
- (3) OAR 123-042-0165 (5) requirements for signs and notifications.

These laws, rules, regulations and orders are incorporated by reference in this Contract to the extent required by law.

C. Project Completion Obligations. The Recipient shall:

- (1) Provide IFA with copies of all plans and specifications relating to the Project, and a timeline for the bidding/award process, at least ten (10) days before advertising for bids.
- (2) Provide a copy of the bid tabulation and notice of award to IFA within ten (10) days after selecting a construction contractor.
- (3) Permit IFA to conduct field engineering and inspection of the Project at any time.
- (4) Complete the Project using its own fiscal resources or money from other sources to pay for any Costs of the Project in excess of the total amount of financial assistance provided pursuant to this Contract.
- (5) Complete the Project no later than the Project Completion Deadline, unless otherwise permitted by the IFA in writing.
- (6) No later than the Project Closeout Deadline, provide IFA with a final project completion report on a form provided by IFA, including Recipient's certification that the Project is complete, all payments are made, and no further disbursements are needed; provided however, for the purposes of this Contract, IFA will be the final judge of the Project's completion.
- (7) Obtain and maintain as-built drawings for all facilities constructed as part of the Project.

D. Ownership of Project. During the term of the Loan, the Project is and will continue to be owned by Recipient. The Project will be operated by Recipient or by a person under a management contract or operating agreement with Recipient. Any such management contract or operating agreement will be structured as a "qualified management contract" as described in IRS Revenue Procedure 97-13, as amended or supplemented.

E. Operation and Maintenance of the Project. The Recipient shall operate and maintain the Project in good repair and operating condition so as to preserve the long term public benefits of the Project, including making all necessary and proper repairs, replacements, additions, and improvements during term of the Loan. On or before the Project Closeout Deadline, Recipient shall adopt a plan acceptable to IFA for the on-going operation and maintenance of the Project without reliance on IFA financing and furnish IFA, at its request, with evidence of such adoption. The plan must include measures for generating revenues sufficient to assure the operation and maintenance of the Project during the usable life of the Project.

F. Insurance, Damage. The Recipient shall maintain, or cause to be maintained, insurance policies with responsible insurers or self insurance programs, insuring against liability and risk of direct physical loss, damage or destruction of the Project, at least to the extent that similar insurance is customarily carried by governmental units constructing, operating and maintaining similar facilities. Nothing in this provision precludes Recipient from exerting a defense against any party other than IFA, including a defense of immunity. If the Project or any portion is

destroyed, any insurance proceeds will be paid to IFA and applied to prepay the outstanding balance on the Loan in accordance with section 4.D.(1), unless IFA agrees in writing that the insurance proceeds may be used to rebuild the Project.

- G. Sales, Leases and Encumbrances. Except as specifically described in Exhibit D, Recipient shall not sell, lease, exchange, abandon, transfer or otherwise dispose of any substantial portion of or interest in the Project or any system that provides revenues for payment or is security for the Loan, unless worn out, obsolete, or, in the reasonable business judgment of Recipient, no longer useful in the operation of the Project. Nevertheless, IFA may consent to such disposition if it has received 90 days' prior written notice from Recipient. Such consent may require assumption by transferee of all of Recipient's obligations under the Financing Documents and payment of IFA's costs related to such assumption, and receipt by IFA of an opinion of Bond Counsel to the effect that such disposition complies with applicable law and will not adversely affect the exclusion of interest on any Lottery Bonds from gross income for purposes of federal income taxation under Section 103(a) of the Code. The term "Bond Counsel" means a law firm determined by IFA to have knowledge and expertise in the field of municipal law and whose opinions are generally accepted by purchasers of municipal bonds. In the case of sale, exchange, transfer or other similar disposition, Recipient shall, within 30 days of receipt of any proceeds from such disposition, prepay the entire outstanding balance on the Loan in accordance with section 4.D.(1), unless IFA agrees otherwise in writing. If Recipient abandons the Project, Recipient shall prepay the entire outstanding balance of the Loan immediately upon demand by IFA.
- H. Condemnation Proceeds. If the Project or any portion is condemned, any condemnation proceeds will be paid to IFA and applied to prepay the outstanding balance of the Loan in accordance with section 4.D.(1).
- I. Financial Records. The Recipient shall keep accurate books and records for the revenues and funds that are the source of repayment of the Loan, separate and distinct from its other books and records, and maintain them according to generally accepted accounting principles established by the Government Accounting Standards Board in effect at the time. The Recipient shall have these records audited annually by an independent certified public accountant, which may be part of the annual audit of all records of Recipient.
- J. Inspections; Information. The Recipient shall permit IFA and any party designated by IFA: (i) to inspect, at any reasonable time, the property, if any, constituting the Project; and (ii) at any reasonable time, to inspect and make copies of any accounts, books and records, including, without limitation, its records regarding receipts, disbursements, contracts, investments and any other related matters, and financial statements or other documents related to its financial standing. The Recipient shall supply any related reports and information as IFA may reasonably require. In addition, Recipient shall, upon request, provide IFA with copies of loan documents or other financing documents and any official statements or other forms of offering prospectus relating to any other bonds, notes or other indebtedness of Recipient that are issued after the date of this Contract.
- K. Records Maintenance. The Recipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Contract, the Project or the Financing Proceeds until the date that is three years following the later of the final maturity of the Lottery Bonds or the final maturity or redemption date of any obligation, or series of obligations, that refinanced the Lottery Bonds, or such longer period as may be required by other provisions of this Contract or applicable law. Such documentation includes, but may not be limited to, all

documentation necessary to establish the uses and investment of the Loan proceeds, all construction contracts and invoices detailing the costs paid from Loan proceeds, and all contracts related to the uses of the Project, including leases, management contracts and service contracts.

- L. Economic Benefit Data. The IFA may require Recipient to submit specific data on the economic development benefits of the Project and other information to evaluate the success and economic impact of the Project, from the date of this Contract until six years after the Project Completion Date. The Recipient shall, at its own expense, prepare and submit the data within the time specified by IFA.
- M. Minority, Women & Emerging Small Business. ORS 200.090 requires all public agencies to “aggressively pursue a policy of providing opportunities for available contracts to emerging small businesses...” The IFA encourages Recipient in any contracting activity to follow good faith efforts as described in ORS 200.045. Additional resources are provided by the Director of Economic & Business Equity in the Oregon Governor’s Office. Also, the Office of Minority, Women, and Emerging Small Business at the Oregon Business Development Department maintains a list of certified firms and can answer questions. Search for certified MWESB firms on the web at: <https://oregon4biz.diversitysoftware.com/FrontEnd/VendorSearchPublic.asp>.
- N. Professional Responsibility. A professional engineer or architect, as applicable, registered and in good standing in Oregon, will be responsible for the design and construction of the Project. All service providers retained for their professional expertise must be certified, licensed, or registered, as appropriate, in the State of Oregon for their specialty. The Recipient shall follow standard construction practices, such as bonding requirements for construction contractors, requiring errors and omissions insurance, and performing testing and inspections during construction.
- O. Notice of Default. The Recipient shall give IFA prompt written notice of any Default as soon as any senior administrative or financial officer of Recipient becomes aware of its existence or reasonably believes a Default is likely.
- P. Indemnity. To the extent authorized by law, Recipient shall defend (subject to ORS chapter 180), indemnify, save and hold harmless IFA and its officers, employees and agents from and against any and all claims, suits, actions, proceedings, losses, damages, liability and court awards including costs, expenses, and attorneys’ fees incurred related to any actual or alleged act or omission by Recipient, or its employees, agents or contractors; however, the provisions of this section are not to be construed as a waiver of any defense or limitation on damages provided for under Chapter 30 of the Oregon Revised Statutes or under the laws of the United States or other laws of the State of Oregon.
- Q. Further Assurances. The Recipient shall, at the request of IFA, authorize, sign, acknowledge and deliver any further resolutions, conveyances, transfers, assurances, financing statements and other instruments and documents as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights, security interests and agreements granted or intended to be granted by this Contract and the other Financing Documents.
- R. Exclusion of Interest from Federal Gross Income and Compliance with Code.
 - (1) The Recipient shall not take any action or omit to take any action that would result in the loss of the exclusion of the interest on any Lottery Bonds from gross income for purposes of federal income taxation, as governed by Section 103(a) of the Code. IFA may decline

to disburse the Financing Proceeds if it finds that the federal tax exemption of the Lottery Bonds cannot be assured.

- (2) The Recipient shall not take any action (including but not limited to the execution of a management agreement for the operation of the Project) or omit to take any action that would cause any Lottery Bonds to be "private activity bonds" within the meaning of Section 141(a) of the Code. Accordingly, unless Recipient receives the prior written approval of IFA, Recipient shall not permit in excess of ten percent (10%) of either (a) the Financing Proceeds or (b) the Project financed or refinanced with the Financing Proceeds to be directly or indirectly used in any manner that would constitute "private business use" within the meaning of Section 141(b)(6) of the Code, including not permitting more than one half of any permitted private business use to be "disproportionate related business use" or private business use unrelated to the government use of the Financing Proceeds. Unless Recipient receives the prior written approval of IFA, Recipient shall not directly or indirectly use any of the Financing Proceeds to make or finance loans to persons other than governmental units, as that term is used in Section 141(c) of the Code.
- (3) The Recipient shall not directly or indirectly use or permit the use of any of the Financing Proceeds or any other funds, or take any action or omit to take any action, which would cause any Lottery Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.
- (4) The Recipient shall not cause any Lottery Bonds to be treated as "federally guaranteed" for purposes of Section 149(b) of the Code, as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to "federally guaranteed" obligations described in Section 149(b) of the Code. For purposes of this paragraph, any Lottery Bonds will be treated as "federally guaranteed" if: (a) all or any portion of the principal or interest is or will be guaranteed directly or indirectly by the United States of America or any agency or instrumentality thereof, or (b) five percent (5%) or more of the proceeds of the Lottery Bonds will be (i) used in making loans if the payment of principal or interest is guaranteed in whole or in part by the United States of America or any agency or instrumentality thereof, or (ii) invested directly or indirectly in federally insured deposits or accounts, and (c) none of the exceptions described in Section 149(b)(3) of the Code apply.
- (5) The Recipient shall assist IFA to ensure that all required amounts are rebated to the United States of America pursuant to Section 148(f) of the Code. The Recipient shall pay to IFA such amounts as may be directed by IFA to satisfy the requirements of Section 148(f) applicable to the portion of the proceeds of any tax-exempt bonds, including any Financing Proceeds or other amounts held in a reserve fund. The Recipient further shall reimburse IFA for the portion of any expenses it incurs related to the Project that is necessary to satisfy the requirements of Section 148(f) of the Code.
- (6) Upon IFA's request, Recipient shall furnish written information regarding its investments and use of Financing Proceeds, and of any facilities financed or refinanced therewith, including providing IFA with any information and documentation that IFA reasonably determines is necessary to comply with the arbitrage and private use restrictions that apply to the Lottery Bonds.
- (7) Notwithstanding anything to the contrary, so long as is necessary to maintain the exclusion from gross income for purposes of federal income taxation of interest on any

Lottery Bonds, the covenants contained in this subsection will survive the payment of the Loan and the Lottery Bonds, and the interest thereon, including the application of any unexpended Financing Proceeds. The Recipient acknowledges that the Project may be funded with proceeds of the Lottery Bonds and that failure to comply with the requirements of this subsection could adversely affect any exclusion of the interest on the Lottery Bonds from gross income for federal income tax purposes.

- (8) Neither Recipient nor any related party to Recipient, within the meaning of 26 C.F.R. §1.150-1(b), shall purchase any Lottery Bonds, from which proceeds were used to finance the Project, in an amount related to the amount of the Loan.

SECTION 9 - DEFAULTS

Any of the following constitutes an “Event of Default”:

- A. The Recipient fails to make any Loan payment when due.
- B. The Recipient fails to make, or cause to be made, any required payments of principal, redemption premium, or interest on any bonds, notes or other material obligations, for any other loan made by the State of Oregon.
- C. Any false or misleading representation is made by or on behalf of Recipient, in this Contract, in any other Financing Document or in any document provided by Recipient related to this Loan or the Project or in regard to compliance with the requirements of Section 103 and Sections 141 through 150 of the Code.
- D. (1) A petition, proceeding or case is filed by or against Recipient under any federal or state bankruptcy or insolvency law, and in the case of a petition filed against Recipient, Recipient acquiesces to such petition or such petition is not dismissed within 20 calendar days after such filing, or such dismissal is not final or is subject to appeal;
- (2) The Recipient files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, liquidation, dissolution, winding-up or composition or adjustment of debts;
- (3) The Recipient becomes insolvent or bankrupt or admits its inability to pay its debts as they become due, or makes an assignment for the benefit of its creditors;
- (4) The Recipient applies for or consents to the appointment of, or taking of possession by, a custodian (including, without limitation, a receiver, liquidator or trustee) of Recipient or any substantial portion of its property; or
- (5) The Recipient takes any action for the purpose of effecting any of the above.
- E. The Recipient defaults under any other Financing Document and fails to cure such default within the applicable grace period.
- F. The Recipient fails to perform any obligation required under this Contract, other than those referred to in subsections A through E of this section 9, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by IFA. The IFA may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action.

SECTION 10 - REMEDIES

- A. Remedies. Upon any Event of Default, IFA may pursue any or all remedies in this Contract, the Note or any other Financing Document, and any other remedies available at law or in equity to collect amounts due or to become due or to enforce the performance of any obligation of Recipient. Remedies may include, but are not limited to:
- (1) Terminating IFA's commitment and obligation to make any further disbursements of Financing Proceeds under the Contract.

 - (4) Withholding amounts otherwise due to Recipient for application to the payment of amounts due under this Contract, including as provided in ORS 285B.449; however, this provision is not to be construed in a way that Recipient's obligations would constitute debt that violates Section 10, Article XI of the Oregon Constitution.
 - (5) Foreclosing liens or security interests pursuant to this Contract or any other Financing Document.
- B. Application of Moneys. Any moneys collected by IFA pursuant to section 10.A will be applied first, to pay any attorneys' fees and other fees and expenses incurred by IFA; then, to pay interest due on the Loan; then, to pay principal due on the Loan; and last, to pay any other amounts due and payable under this Contract or any of the Financing Documents.
- C. No Remedy Exclusive; Waiver; Notice. No remedy available to IFA is intended to be exclusive, and every remedy will be in addition to every other remedy. No delay or omission to exercise any right or remedy will impair or is to be construed as a waiver of such right or remedy. No single or partial exercise of any right power or privilege under this Contract or any of the Financing Documents will preclude any other or further exercise thereof or the exercise of any other such right, power or privilege. - (3) This Contract will be binding upon and inure to the benefit of IFA, Recipient, and their respective successors and permitted assigns.
- (4) The Recipient may not assign or transfer any of its rights or obligations or any interest in this Contract or any other Financing Document without the prior written consent of IFA. The IFA may grant, withhold or impose conditions on such consent in its sole discretion. In the event of an assignment, Recipient shall pay, or cause to be paid to IFA, any fees or costs incurred because of such assignment, including but not limited to attorneys' fees of IFA's Counsel and Bond Counsel. Any approved assignment is not to be construed as creating any obligation of IFA beyond those in this Contract or other Financing Documents, nor does assignment relieve Recipient of any of its duties or obligations under this Contract or any other Financing Documents.
- (5) The Recipient hereby approves and consents to any assignment, sale or transfer of this Contract and the Financing Documents that IFA deems to be necessary.

C. Disclaimer of Warranties; Limitation of Liability. The Recipient agrees that:

- E. No Construction against Drafter. This Contract is to be construed as if the parties drafted it jointly.
- F. Severability. If any term or condition of this Contract is declared by a court of competent jurisdiction as illegal, invalid or unenforceable, that holding will not invalidate or otherwise affect any other provision.
- G. Amendments, Waivers. This Contract may not be amended without the prior written consent of IFA (and when required, the Department of Justice) and Recipient. This Contract may not be amended in a manner that is not in compliance with the Act. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- J. Integration. This Contract (including all exhibits, schedules or attachments) and the other Financing Documents constitute the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Contract.
- K. Execution in Counterparts. This Contract may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.

This Contract and the Note are payable from all legally available funds of Recipient.

B. Pledge of Net Revenues of the System

Capitalized terms used in this sub-section shall have the following meaning:

“Adjusted Net Revenues” means the Net Revenues, adjusted for purposes of Section B.3.C.(ii) as provided in Section B.3.E.

“Base Period” means the alternative selected by Recipient from the following two options: (a) any twelve consecutive months selected by Recipient out of the most recent eighteen months preceding the delivery of a series of Parity Obligations; or (b) the most recently completed fiscal year for which audited financial statements are available.

“Net Revenues” means System revenues after deduction for payment of the System’s operating and maintenance costs.

1. The principal of and interest on the Loan shall be payable from the Net Revenues of Recipient’s System. The Recipient hereby grants to IFA a security interest in and irrevocably pledges its Net Revenues to pay all of the obligations owed by Recipient to IFA under the Loan Agreement and Note.

2. The Recipient shall not incur any obligation payable from or secured by a lien on and pledge of the Net Revenues that is superior to the Loan without the prior written consent of IFA.

3. The Recipient may issue obligations payable from and secured by a lien on and pledge of the Net Revenues on a parity with the Loan (“Parity Obligations”), but only if:

A. No Event of Default under the Loan Agreement and Note has occurred and is continuing; and,

B. The Recipient obtains the prior written consent of IFA, which consent shall not be unreasonably withheld; and,

C. There shall have been filed with IFA either:

(i) A certificate of an official of Recipient stating that the Net Revenues (adjusted as provided in Section B.3.D. below) for the Base Period were not less than one hundred twenty percent (120%) of the maximum annual debt service on the Loan, outstanding senior lien obligations, and all outstanding Parity Obligations, with the proposed Parity Obligations treated as outstanding, or

(b) Concluding that the amount of Adjusted Net Revenues in each of the first four fiscal years described in Section B.3.C.(ii)(a) above are at least equal to one hundred twenty percent (120%) of the annual debt service for each of those respective fiscal years on the Loan, all outstanding senior lien obligations and all outstanding Parity Obligations, with the proposed Parity Obligations treated as outstanding; and

(c) Concluding that the amount of Adjusted Net Revenues in the fifth fiscal year described in Section B.3.C.(ii)(a) is at least equal to one hundred twenty percent (120%) of the maximum annual debt service on the Loan, all outstanding senior lien obligations, and all outstanding Parity Obligations, with the proposed Parity Obligations treated as outstanding.

D. The Recipient may adjust Net Revenues for purposes of Section B.3.C.(i) by adding any Net Revenues that Recipient calculated it would have had during the Base Period because of increases in the System rates, fees and charges which have been adopted by Recipient and are in effect on or before the date the Parity Obligations are issued.

E. The Recipient may adjust the Net Revenues for purposes of Section B.3.C.(ii):

(i) to reflect any changes in the rates and charges which have been adopted by Recipient and which are scheduled to take effect during the period described in Section B.3.C.(ii)(a), or which increase rates and charges for inflation at a level which Recipient determines is reasonable;

The Recipient shall notify IFA of its intent to issue such refunding Parity Obligations pursuant to this Section B.4. not later than 5 Business Days prior to the proposed closing date of the refunding Parity Obligations.

5. Notwithstanding the requirements of Section 3 above, loans previously made by IFA from the Special Public Works Fund, Water Fund, or Safe Drinking Water Fund to Recipient that are secured by the Net Revenues may have a lien on such Net Revenues on parity with the Loan; provided that nothing in this paragraph will adversely affect the priority of any of IFA's liens on such Net Revenues in relation to the lien(s) of any third party(ies).

6. The Recipient shall charge rates and fees in connection with the operation of the System which, when combined with other gross revenues, are adequate to generate Net Revenues each fiscal year at least equal to one hundred twenty percent (120%) of the annual debt service due in the fiscal year on the Loan, any outstanding senior lien obligations, and any outstanding Parity Obligations.

7. The Recipient may establish a debt service reserve fund to secure repayment of Parity Obligations, provided that such debt service reserve fund is not required to be pledged to the payment of the debt service on such obligations unless the Net Revenues of the System

are deposited into such debt service reserve fund only after provision is made for the payment of debt service on the Loan during the current fiscal year. IFA reserves the right to require that such debt service reserve fund is pledged to the payment of the Loan.

8. The Net Revenues pledged pursuant to paragraph 1 above and hereafter received by Recipient shall immediately be subject to the lien of such pledge without physical delivery or further act, and the lien of the pledge shall be superior to all other claims and liens whatsoever, except as provided in Sections B.2. and B.3., to the fullest extent permitted by ORS 287A.310. The Recipient hereby represents and warrants that the pledge of Net Revenues hereby made by Recipient complies with, and shall be valid and binding from the date hereof as described in ORS 287A.310.

Failure or delay of the holder of this Note to exercise any option available under the terms of this Note, the Contract or any of the Financing Documents will not constitute a waiver of the right to exercise the option in the event of any continuing or subsequent default of the same or of any other provision. Presentment, dishonor, notice of dishonor, and protest are hereby waived.

To the extent permitted by the Oregon Constitution and the Oregon Tort Claims Act, the prevailing party in any dispute arising from this Note is entitled to recover its reasonable attorneys' fees and costs at trial and on appeal.
