

The regular meeting of the Library Board was held in the Children's Library with Dr. Rice, Mrs. Reed, Mr. Jensen, Mrs. Dick, and Miss Gilbert, Librarian present.

Discussion was made on the following items:

DECEMBER CIRCULATION

TOTAL	5951	REGISTRATIONS	203
GENERAL	5004	WITHDRAWN	116
CHILDRENS	1715	BOOKS ADDED	186
STATIONS	232	WITHDRAWN	101

1. Copies of new books were present and were reviewed.

2. Budget reviewed and okayed.

3. Discussion of the problem of noisey and unruly kids.

Decided that we want the children and adolescents there, but need a more adequate means of controlling their conduct. A sign requesting silence is to hang over the entrance. Children who are unruly will be asked to leave the Library.

Respectfully submitted,

Dr. R. H. Rice
Secretary
