The regular meeting of the Library Board was held at 8 p.m. in the basement of the library. Those present were Jean Reed, Les Jensen, Nell Stadelman, Mary Frances Gilbert, and Bea Dick.

The minutes of the last meeting were read and approved.

The budget was discussed. Mr. Smith had called Mary Frances and said we should think about cutting our budget. Since we feel we are at rock bottom now, it was decided to wait and see how much we will have to cut.

It was moved that we take the stage out of the children's room, and have the floor refinished. Four new chairs need to be ordered for the children's room, and it was moved to purchase these, at \$42.50 each. Motion passed.

Mrs. Doran's second grade "Maypole of Books" will be displayed on our bulletin board.

Another discussion was held about the County School books.

It was suggested that we give card catalogue lessons for 4th, 5th, and 6th graders.

The report for April was read by Mary Frances.

Summer hours were discussed: it was decided that they would be from 10 a.m. to 7:30

Mary Frances reported that each staff member would have a month's vacation during the summer months; so only two people will be on duty all summer. The high school girl will work during the month of June

There being no further business, the meeting was adjourned.
