

January 7, 1960

The regular meeting of the Library Board was held in the basement of the library at 12 noon. Those present were Mary Frances Gilbert, Ida Matthew, and Beatrice Dick.

The minutes of the last meeting were read and approved.

The bills were read, signed, and approved.

The December report was read by Mary Frances.

Mary Frances reminded us that we still have \$1,000 in the current budget for equipment and improvements. She suggested that one of our urgent needs was a large adjustable magazine rack. Pictures of this in a brochure were passed, and it was voted upon that we purchase one costing \$461.25. Mary Frances also reminded us that tables will be needed soon, and that new desks are badly needed. There being no further business, the meeting was adjourned.
