

April 7, 1960

The regular meeting of the Library Board was held in the basement of the library at 12 noon. Those present were Mary Frances Gilbert, Ida Matthew, Nell Stadelman, Les Jensen, and Beatrice Dick.

The minutes of the last meeting were read and approved.

The bills were read, approved and signed.

The report for March was read by Mary Frances.

Mary Frances reported that the tables have been ordered. It will take about two weeks for delivery.

The tentative budget for next year was passed out by Mary Frances, and the remainder of the meeting was spent in discussion on it. Maintenance will remain fairly static, but books and salaries will be upped, and the money for the survey will be included. Les will write a letter to accompany the budget, stressing our most important plans and needs.

Les also reported that the letter had been sent to Mr. Richards, regarding the survey, and that he had answered saying that he could come later on in the year.

There being no further business, the meeting was adjourned.
