The Dalles OR 97058

AGENDA  
TRAFFIC SAFETY COMMISSION  
JULY 15, 2015

- I. CALL TO ORDER
- II. ROLL CALL
- III. APPROVAL OF MINUTES – May 20 & June 17<sup>th</sup>, 2015
- IV. PUBLIC COMMENT
- V. AUDIENCE PARTICIPATION OR PRESENTATIONS
- VI. OLD BUSINESS
- VII. NEW BUSINESS
  - A. East Side of Dry Hollow between 11<sup>th</sup> & 12<sup>th</sup> Street – On Street Parking Near Corner Causing Visibility Issues
- VIII. ADJOURNMENT

TRAFFIC SAFETY COMMISSION  
July 15, 2015

COMMISSION PRESENT: Frank Pyles, Fred Davis, Chuck Covert, Mike Kilkenny,  
Donna Lawrence

ABSENT MEMBERS: Jim Bishop and vacant position

STAFF PRESENT: Dale McCabe – City Engineer, Bill Barrier – Transportation  
Manager, Russ Brown – Council Representative and Cindy  
Keever – Administrative Secretary

PUBLIC PRESENT: Clay Smith and Chuck Langley

Mike Kilkenny made a motion to approve the minutes for both May & June. Chuck Covert seconded the motion and the motion passed unanimously.

**PUBLIC COMMENT/AUDIENCE PARTICIPATION/PRESENTATIONS:**

Chuck Langley spoke to the Commission members asking for additional stop sign markings on Liberty and 4<sup>th</sup> Street. Traffic driving south bound on Liberty Street frequently do not see the Stop sign because often times there are large vehicles parked close to the curb which obscures the Stop sign. A discussion was held regarding adding painted stop bars or 10” striped crosswalks on 4<sup>th</sup> Street. It was agreed upon that something is needed to notify drivers of the Stop sign. Mike made a motion to install stop bars on 4<sup>th</sup> Street on both the north and south bound lanes. Donna Lawrence seconded the motion and the motion passes unanimously.

**OLD BUSINESS:**

**1) Speed Checks near Jefferson & Scenic Drive**

Russ Brown reported he and Chief Waterbury had done speed checks at three different times and most of the cars were traveling under 30 mph. Donna Lawrence suggested rechecking the speeds again in the fall after the college is back in session.

**2) Court Street Trees Trimmed?**

Fred Davis reported the trees still needed trimmed on Court Street.

**3) Trees Roots in Street Removed**

Bill Barrier reported tree roots in the street that were causing a bump in the driving lane were removed at 6<sup>th</sup> & Liberty and on Scenic Drive.

**NEW BUSINESS:**

**1) Visibility Issues on Dry Hollow b/t 11<sup>th</sup> & 12<sup>th</sup> Streets**

Dale McCabe and TSC members said they had looked at the area and they did not see where the problem was. No further action taken.

**2) Miscellaneous**

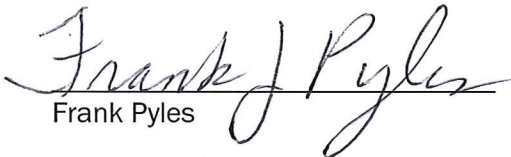

Mike Kilkenny reported on the SW corner of Union between 9<sup>th</sup> & 10<sup>th</sup> the trees in the parking strip need trimmed. Trees are in full plumage now and difficult to see around.

Frank Pyles asked about crosswalks at 3<sup>rd</sup> and Lincoln Street. Intersection is a little different because of the island and it can be a little confusing to cross on the north side of the intersection. Caution is advised.

There being no further business to come before the Commission, Chuck moved to adjourn. Mike seconded the motion and the motion passed unanimously.

Cindy Keever  
Administrative Secretary  
City of The Dalles

Final approval

  
Frank Pyles

Hi John - Were you still planning on being a consulting member on the Safe Routes to School advisory board that Mimi McDonald is part of? I know previously we talked about having someone from the current TSC be a member, but at last month's meeting it was decided if you were going to still be involved with it because of your school board ties, that possibly you could come to the TSC meetings periodically and give updates.

Is that something you might be interested in doing?

**From:** Nick Kraemer  
**Sent:** Monday, July 06, 2015 10:48 AM  
**To:** Dale McCabe  
**Subject:** Citizen Complaint - Parking on the Street at Dry Hollow and 11th

Hey Dale,

Just got a call from a citizen complaining about on-street parking on the East Side of Dry Hollow at 11<sup>th</sup> and 12<sup>th</sup> Street .

He said it is really difficult to see oncoming traffic – because parking is allowed to the end of the curbs. Is there potential to do yellow curbs – no parking for the last 20-30 feet of the block to improve vision clearance?

Thanks,

Nick Kraemer
