Good morning Jean! Attached is the Sidewalk/Street Closure permit application that was sent to me by Kaitlyn. We will need to make one (1) 4'X5' sidewalk cut and as stated in an earlier email for the approved ROW permit, we are going to be out there to do this work 03/29/2021 – 04/16/2021. That's just our timeframe. It should take no more than 3 days to complete the job, but our dispatcher will be in contact with you with the exact dates and times as that timeframe get nearer. Please let me know if you need anything else or if you have any questions or concerns. Thank you!
