CITY OF THE DALLES PROCLAMATION

2019 SISTER CITIES INTERNATIONAL DAY

Sister Cities International serves as a hub for institutional knowledge and best practices in the field of citizen diplomacy. The mission of Sister Cities International is just as important today as it was when it was founded. With the advent of the internet and new technologies, the world is becoming smaller, and the relationships and interactions between the U.S. and its international counterparts are more complex than ever. The partnerships built through 60 plus years of Sister Cities International are just an important today as they were when the organization was launched by President Eisenhower.

The City of The Dalles has partnered with our Sister City, Miyoshi City, Japan, for over 30 years. Many lasting friendships have been developed between the two delegations.

Miyoshi City and The Dalles send student and adult delegations each year to visit our friends and learn from them, expanding the world for both groups.

On behalf of the City of The Dalles, I am pleased to proclaim July 15, 2019 Sister Cities International Day.

Mayor Richard A. Mays
