

CITY OF THE DALLES
Department of Public Works
1215 West First Street
The Dalles, Oregon 97058

PRESS RELEASE

DATE: June 8, 2020
TOPIC: East 10th Street Stormwater Sewer Construction
CONTACT: City of The Dalles Public Works Department (541) 296-5401
FOR RELEASE: IMMEDIATELY

Tuesday June 9th the City of The Dalles Public Works will begin installation of a stormwater sewer main on East 10th St. between Clark Street and J Street.

The purpose of this work is to improve drainage of stormwater during rain events. Construction will continue for approximately one week with expected completion by Tuesday June 16, 2020.

Full road closures will be in effect 24 hours a day but will be open over the weekend of June 13 and 14, 2020. No parking within the work area will be allowed during work hours due to heavy equipment use and the location of the trench.

A detour to East 11th Street will be in place when East 10th St. is closed.

Local access for homes within the work zone will be arranged.

Motorists are encouraged to minimize through traffic and use alternate routes when possible.

Stormwater sewer construction is scheduled from 7:00 a.m. to 3:00 p.m. on weekdays.

Please proceed with caution in this area during these construction times and observe all temporary traffic control devices. Thank you for your assistance during this work.

If you have questions, please contact the Public Works Department at (541) 296-5401.
