RESOLUTION

The Board of Directors of the Lane Transit District hereby resolves as follows:

The Lane Transit District (the "District") has agreed to borrow from First Interstate Bank (the "Bank") the sum of \$61,142 to finance a portion of the District's local share of its bus acquisition program for the purpose of the sale of certain surplus tax benefits on those buses. The borrowing will occur subject to the terms and conditions, including the rate of interest, set forth in the bank's offer letter, dated December 12, 1985 (as amended). To ensure the full and timely repayment of the District's borrowing, the Board of Directors hereby pledges, from its first receipt of payroll taxes, the sum of \$61,642 plus interest accrued thereon from December 19, 1985 to June 30, 1986. The sum hereby pledged may be invested temporarily prior to June 30, 1986, but may be used for no other purpose than to repay the District's borrowing in full when due.

President and K. Calcust
