RESOLUTION

WHEREAS, Lane Transit District's Risk Fund originally was created to facilitate management of a self-insurance program; and

WHEREAS, Lane Transit District did not become fully self-insured in any risk area; and

WHEREAS, insurance costs are operational in nature and must be allocated back to the General Fund for many reporting purposes; and

WHEREAS, the management of a separate fund complicates the financial management of the District unnecessarily;

NOW, THEREFORE, BE IT RESOLVED that the Lane Transit District Risk Fund be closed at June 30, 1992, and the Risk Fund's ending fund balance be transferred to the General Fund.
