THE DALLES CITY COUNCIL  
C/O GENE PARKER-INTERIUM CITY MGR  
313 COURT  
THE DALLES, OREGON 97058

Dear GENE:,

Due to the recently passed landfill licensing and automatic annualized tipping fee increase I am requesting an increase in garbage collection rates for franchised City collection area of approximately 4%.

My last rate increase was 2 years ago in January of 1995. I must increase my revenue to meet the additional costs, not only from the landfill increase but also increasing labor, insurance, fuel and other operational costs as well as general cost of living increases during the past two (2) years.

Due to the disastrous weather conditions of 1996, expenses increased substantially with additional personnel added to satisfy employee concerns about safety issues because of inclement and hazardous conditions.

I would like the increase to be effective May 1st if possible. I will send you a proposed rate schedule prior to the council meeting. If you have any questions please call me.

Yours Truly,

*Art Braun*
