On Monday May 2 through and Thursday May 19, 2022 the City of The Dalles Public Works will be conducting asphalt maintenance on 2nd St. in the downtown area, weather permitting. Work will progress from east to west.

Work is scheduled from 7:00 a.m. to 5:00 p.m. Monday through Thursday. **Lane closures will be in effect on 2nd St. throughout the day. Intersections will be partially closed all day in each work area and opened to all motor vehicle traffic at the end of the day. Motor vehicles and bicyclists will be detoured to adjacent side streets.**

While 2nd Street will remain open to traffic throughout the project, use of alternate routes is encouraged.

Pedestrian and sidewalk access to downtown businesses remain open through the duration of this work.

The purpose of this work is to repair wheel ruts in both lanes of travel on 2nd St. in the downtown area.

No parking will be allowed within the daily work areas due to heavy equipment use. No parking signs will be placed on the curb 48 hours before the project moves into each work area.

Please proceed with caution in this area during lane and street closures. Please observe all temporary traffic control devices. Thank you for your attention to traveling safety during this work.
