City of The Dalles

Performance Benchmarking

Updated March 2021

The people of The Dalles are justifiably proud of their community. It has a long and valued history and continues to play a key role of North Central Oregon's social, cultural, economic, and government activities. We are passionate about our home and desire to see our community strengthen and prosper.

Nearly three decades ago, starting in 1992 the community began planning for change, and to harness such change to improve The Dalles, by creating a Vision Action Plan. This vision was updated in 2002, again in 2011, and plans are being laid to update the vision in 2018. Throughout this period, national, regional, and local dynamics have brought substantial change to our community. Our Vision can help us manage these forces and define the community that we want to become.

The City of The Dalles has a mission, has a duty, to take action in relevant areas to help our community achieve our vision. For our Vision and Mission to have an everyday meaning to us, it must be accompanied by deliberate planning efforts where we can see how our efforts will move our organization and our community forward.

This document details a framework to organize our efforts, track, and then celebrate them together.

This document is intended as a work in progress. Our mission, vision, values, and goals will evolve as our community changes although they should remain fairly constant. The objectives and strategies identified by our Departments and Divisions will require periodic review, refinement, creation, and deletion.

Detailed documents such as the Comprehensive Plan, Capital Improvement Plan, Transportation System Plan, Water Master Plan, Sewer Master Plan, Urban Renewal Agency Master Plan, Airport Master Plan, and related planning documents are integral to the support of our mission.

A community that has involved citizens of all ages, strong local collaboration, green spaces, a revitalized downtown, efficient government, is a commercial hub, honors our cultural diversity, has a proactive education system, has compatible neighborhoods, a far ranging transportation system, and a comprehensive medical system. (Compiled summary of VAP)

City of The Dalles, Oregon FISCAL YEAR 2022-23 BUDGET MESSAGE

The format of this budget document follows the pattern of previous years. We acknowledge the work of our Finance Director Angie Wilson, other Finance Department employees, and all of the Department Managers and their associated personnel who were involved in assembling this document.

The Budget Message begins with the section summarizing issues that affect the entire budget. The three areas that we touch on in Section I are:

- 1. Fiscal policies involved in the preparation of the budget
- 2. The City's Strategic Plan (formerly listed as Council Goals)
- 3. Personnel issues

The next section looks at the major aspects of the General Fund. The final two sections will look at major points of Public Works and Other Funds. There are narratives at the beginning of each department budget that provide further information. We have also sent the Budget Committee several Budget Issue Papers (BIP) that further clarify specific issues, with the budget. We will reference these papers throughout the budget message.

SECTION I. CITY WIDE BUDGET ISSUES

- A. <u>**Proposed Fiscal Policies:**</u> Major fiscal policies reflect the Council's goal of maintaining fiscal stability of the City and enhancing coordination and communication with other local agencies. The Budget Committee needs to look at each of these areas and determine if this is the direction they wish to have the City proceed. Following is a list of the policies used to prepare the proposed budget.
 - Maintain Unappropriated Ending General Fund Balance (BIP 22-004) to equal four months of net operating expenses for the General Operating Fund
 - Maintain General Fund Contingency at least at 10% (BIP 22-004)
 - Five year Capital Improvement Plans in the General, Street, Water and Wastewater/Storm Sewer Funds (BIP 22-008 and 22-009)
 - Emphasis on maintenance and capital improvements that enhance current assets and Public Works infrastructure
 - The Street Department funding will include:
 - a) Revenues restricted by state law to the operation, maintenance and construction of City streets.
 - b) Fees from underground utilities in right of way (water, sewer, natural gas)

- Administrative transfers used only as charges for services provided by receiving fund (BIP 22-007)
- Public Works capital projects that involve construction contracts are to be budgeted in Public Works Capital Funds (BIP 22-009)
- Legal Department: At the end of the FY2019/20 the city has selected a Contractor to provide the City Attorney Services and has completed a contract with Campbell Phillips, PC. They will provide all legal work assigned by the City Council and designated City Staff. This FY2022/23, we are budgeting to bring the legal department back into the budget with personal services.
- B. <u>City's Strategic Plan</u>: The City's Strategic Plan, also referred to as performance benchmarking, (attached as Appendix VII) has replaced the goal setting process used in the past. The Plan includes the City's Vision, Mission, Goals, Values, Objectives, and Strategies. It allows the City to track performance benchmarks on all of our goals and objectives and provides much broader participation on the behalf of staff to help establish how to meet our goals.
- C. <u>**Personnel Cost:**</u> For compensation purposes, the City has four categories of employees as listed below.
 - <u>SEIU Represented General Employees</u>. This union includes Public Works, clerical, and Library positions. The SEIU employees start their third year of a new three year contract July 1, 2020. The budget has proposed to receive a 2.5% COLA on July 1, 2022. The City's insurance premium payment increase is capped at 7% in FY22/23 for SEIU employees.
 - <u>Police Union Employees</u>. The three year Police Association contract is effective July 1, 2022. A 7% COLA increase on July 1, 2022 is included in the proposed budget, along with a cap of 7% on the maximum amount the City will pay toward insurance premium increases.
 - <u>Exempt Employees</u>. The proposed budget contains a 5% COLA as of July 1, 2022. The cap on the maximum the City will pay towards insurance premium increases at not more than 7% for FY22/23.
 - <u>Contract Employees</u>. The City has two contract employees: the City Manager and the Municipal Court Judge. A 5% COLA has been included in the proposed budget, although salaries will not be set until after annual performance evaluations in May for the Municipal Court Judge and it would be in May of 2023 for the new City Manager.

SECTION II.

GENERAL FUND

- A. <u>General Fund Resources</u>: General Fund budgeted resources have increased \$881,140 to the level of \$10,187,110. The beginning fund balance of \$4,901,143 reflects a decrease of (\$126,370) over the current year actual. Below is a list of major variances.
 - 1. <u>Property Taxes</u>. We have budgeted for an assessed value with a 93% collection rate in FY2022-23. Property taxes are 38% of General Fund Revenues.
 - 2. <u>Franchise Fees</u>: This year PUD fees are estimated to increase of an average 5.4% over last year. State liquor taxes are budgeted to increase 28.46% over last year, and other franchise fees are estimated to increase slightly over last year.
 - 3. <u>Transient Room Taxes</u>: We are estimating that Transient Room Tax collection will be over the amount budgeted from last year, with an estimated 39.77% increase.
 - 4. <u>Court Fines</u>: Court fines have been slowly decreasing due to only having traffic court. This next year we are anticipating to receive \$84,000, which is \$4,000 more than last year, since we will be having in person court.
 - 5. <u>Marijuana Revenue</u>: In 2022/23 we are budgeting to receive an estimated decrease in this next fiscal year, in the amount of \$24,000.
 - 6. <u>Financial Services</u>: We are estimating to receive \$28,550 in the General Fund for providing accounting services. These services are offered to Parks and Recreation District and Mid-Columbia Fire and Rescue.
- B. <u>Expenditures</u>: The following chart summarizes the General Fund budget difference by category. BIP 22-002 summarizes the differences by department. The General Fund

operating costs (Personnel and Materials & Services) budget are proposed to increase about 7.4% and new revenue increased 7%.

Total	14,506,355	15,088,253	581,898	4.0%

The following is a look at departments that have significant changes for the proposed budget. The following are items that should be highlighted.

<u>City Council</u>: This Department's contractual services (where the City budgets several programs where we are involved with other community partners) has been increased by \$142,823. This year, we have budgeted \$25,000 for Fort Dalles Fourth celebration. The Beautification Committee annual projects will be \$10,000 this year. The Dalles Art Center annual contract will be for \$15,000 to include an additional \$25,000 for public art installation. The Beautification Committee will be given \$20,000 for the tree plan which is in BIP (22-010). \$20,000 is budgeted for the LINK transportation system, which is a decrease of \$10,000 from last year. We have

budgeted to give Youth Think \$10,000 this next year. We are budgeting for a one time pass through for a LOO Bathroom in the amount of \$200,000.

- 2. <u>Economic Development</u>: This Department is requesting \$25,000 for Main Street contribution, this is proposed to be a \$25,000 amount. This Department is also budgeting for Business Attraction and Retention strategies.
- 3. <u>Planning Department</u>: The Planning Department is budgeting for housing needs analysis update and Ft. Dalles Museum support.
- 4. <u>Police</u>: The Police Department has budgeted for two marked patrol vehicles, in the amount of \$102,000 BIP (22-011) and one unmarked all-wheel drive for \$44,000. The Police Department has also budgeted for unmanned aerial vehicle BIP (22-019), in the amount of \$10,000. Police services cost 68% of the General Fund expenditures, and exceed property tax revenue by \$1,072,724. This year Wasco County Communications expenses decreased again for the third year. This is due to building up the budget over the last three years.
- 5. <u>Transfer to Street Fund</u>: This year we will be transferring \$450,000 to the Street Fund for our Streets Preventive Maintenance Program.
- 6. <u>Judicial Department</u>: We have budgeted contractual services for \$87,419 to Wasco County to support work load for Municipal Court cases that were transferred over to Wasco County in FY2019/20.

SECTION III. PUBLIC WORKS OPERATIONS

- A. <u>Public Works Reserve Funds</u>: For the past few years, we have used the three reserve funds associated with each of the Public Works operating funds to budget all capital projects that are being done by outside contracts and as reserves for future projects. The operating funds and their reserve funds are as follows (BIP 22-009):
 - 1. Street Fund (#05) Street and Bridge Replacement Fund (#13)
 - 2. Water Fund (#51) Water Capital Reserve Fund (#53)
 - 3. Wastewater Fund (#55) Sewer Special Reserve Fund (#56) and Sewer Plant Construction Fund (#57)
- B. Street Fund: Local Gas Tax is expected to stay the same as State Shared Revenues are expected to increase slightly compared to those budgeted in 2021/22. Local Fuel tax is expected to stay the same as last year's budget and State Shared Revenues are projected be about \$100,467 higher. About \$81,402 from the Northwest Natural franchise fees is being placed in this fund for the ninth year. We will be transferring \$450,000 from the General Fund into the Street Fund again this year. With this funding, a total of \$1,235,435 is proposed to be budgeted for street maintenance projects and another \$150,000 is budgeted for sidewalk ADA ramp upgrades. Some of the street maintenance projects consist of Chip Seal Program, Pavement Preventative Maintenance Program, Overlay Program and ADA sidewalk program. Within Fund 13, the Transportation System Reserve Fund, the proposed FY 2022/23 budget allocates funds for the West 6th St Improvements, Snipes to Hostetler for \$1,000,000. The Fund is banking monies for the future third phase of the Scenic Drive Stabilization project. Fund 13 also identifies \$234,837 in accumulated Transportation SDC funds that can only be used for projects that increase capacity of the transportation systems as identified in the updated Transportation System Plan (TSP).
- C. <u>Water Fund</u>: The proposed 2022/23 budget does not include any water rate increases as industrial, commercial and residential water usage is again expected to increase due to new development and increased usage by existing industries.
- D. <u>Water Capital Reserve Fund:</u> The proposed FY 2022/23 budget allocates \$12,395,668 for the permitting, design, and construction of the Dog River Pipeline Replacement project. \$400,000 is set aside for the SCADA System upgrade Ph 1, \$600,000 for Sorosis Reservoir Roof Repair and \$1,469,735 for Garrison Res Painting Int/Ext.
- E. <u>Wastewater/Storm Sewer Fund</u>: No sewer rate increase is proposed in FY 2022/23 as industrial, commercial and residential wastewater usage is again expected to increase due to new development and increased usage by existing industries. Transfers to reserve funds have continue to be decreased from the prior years. The transfers will fund contracted wastewater treatment plant and wastewater and storm water collection system projects.

- F. <u>Sewer Special Reserve Fund:</u> Revenues are transferred to this fund from the Wastewater/Storm Sewer Fund for wastewater and storm water system control and piping capital improvement projects (BIP 22-009). Dedicated storm water system fees are budgeted in this fund. Within the proposed budget, \$648,159 is allocated for the West Second Street Sanitary and Storm Sewer Project Phase 2 project, \$1,018,285 is for Trevitt St. Ph1 to 12th and \$300,000 is for 6th and Snipes with widening. \$780,407 is for storm water collection project on West 2nd St.
- G. <u>Sewer Treatment Plant Construction</u>: This fund includes \$810,000 in new money, in addition to \$2,345,113 in reserve money set aside in prior years for Master Plan capital improvements. This year we are budgeting \$2,754,060 to fund water treatment plant improvements. The next phase of improvements is expected to include an upgrade to the aeration blowers, a new boiler, reconfiguration of aeration basin outfalls, a new effluent pump station, and possibly a new Admin Building and outfall pipe.

SECTION IV. OTHER FUNDS

- A. <u>Library</u>: The Library Fund has been totally dependent for operating funds on the Library District for the past nine years. The District will contribute \$1,812,794 in taxes to the City in FY22/23. The District is has budgeted to pay the General Fund \$128,040 for administrative services (BIP 23-007). There is an additional \$19,967 set aside in transfers for legal services if needed.
- B. <u>Capital Projects Fund</u>: This fund will be receiving approximately \$105,400 this year from the lease with the State for the State Office Building. The remaining funds will be available for projects at the discretion of the City. This fund also has approximately \$463,715 in the Beginning Fund Balance that is discretionary. We have budgeted the following General projects in this fund;
 - 1. Reserve for future City hall improvements. (\$267,127)
 - 2. \$27,500 is budgeted for City Hall and Police Building HVAC replacement.
 - 3. Last year we established a maintenance fund for the dock for future repairs. This year we will continue to hold the amount of \$90,000 for the dock maintenance for any major capital improvements
 - 4. The Library has a 1963 HVAC system. Library continues to put in \$10,000 and the City matched \$10,000 for future replacement that may cost \$210,000.
- C. <u>Special Grants Fund</u>: The Special Grants Fund includes the following projects:
 - 1. CDBG/Mid-Columbia Housing Grant
 - Home Repair Program
 - Coronavirus Relief Grant
 - 2. SHPO Grant
 - 3. 1st Street Riverfront Connection Project

- 4. Corona Virus Relief Funds
- 5. Integrated Planning Grant-Brownsfield Grant
- 6. Brownsfield Clean-up Fund Grant

SECTION V.

Mission

Establishing policies, visions, and goals to lead The Dalles into the future.

Description

The City Council is the governing body of the City of The Dalles. Its five voting members and the Mayor set the direction for the City, establishing policies and laws. Specific voter approved powers for the Council are contained in the City Charter, while Council's policies are adopted by ordinance or resolution.

City Council is charged with the appointment of the City Manager, City Attorney and Municipal Judge. They adopt the annual budget and perform all other actions necessary to guide the government, while representing concerns of the citizens of The Dalles. The Dalles City Council positions are elected by the entire electorate of the City. All positions are elected for four-year terms

2022-23 Goals, Projects and Highlights

- The City Council goals are listed in the performance benchmarking document. This year will include a focus on continued economic recovery from the COVID-19 pandemic and improved citizen outreach.
- Complete and implement Vision Plan.
- Hire new City Manager.

2021-22 Accomplishments/Comments

- Economic Recovery grant assistance for small business.
- Partnering to address seasonal shelter needs for homeless.
- Continued safety plan to reduce worker's compensation premiums.
- Provided funding for street maintenance projects.
- Began process for adopting a new Vision Plan.

Major Issues to be resolved in the next 5 years

- Maintaining current General Fund services.
- Complete Dog River Pipeline project (estimated to be completed by end of 2023).

2022-23 Budget Detail

Mission

Provide leadership in implementing Council policies and services.

Description

The City Manager's position plays a unique role in assisting the democratic processes of our representative local government. Guided by the vision and goals of the City Council, it is the City Manager's charge to accomplish the policies set out by the Council. Often, this is performed by facilitating public processes, hearing and responding to the issues concerning citizens, offering alternative solutions, representing the position of the governing body, and offering education regarding the provision of public services and infrastructure.

The City Manager guides and shapes the organization in response to the leadership of the City Council and in accordance with sound management practices. The City Charter provides that this position is the administrative head of city government, specifically mentioning personnel administration and the supervision of public utilities and property.

2022-23 Goals, Projects and Highlights

- Continue to implement programs and projects defined by City Council.
- Continue to partner on homeless issues.
- Work and partner on affordable housing issues.
- Continue building relationships with governmental and other partners.
- Continue to work toward providing underground utilities for the downtown area.

2021-22 Accomplishments

- Continued relations with governmental partners.
- Began City's Vision process.
- Implemented small business economic recovery grant processes.
- Lead and managed pandemic operations of the City, served on Emergency Operations Team.
- Continued improvements in employee safety programs and committees.
- Worked with partners to maintain a seasonal shelter site for homeless population.
- Assisted City Council in beginning the recruitment process for a new City Manager.
- Partnered to develop and award contract for a Downtown Underground Utilities project.

Major Issues to be Resolved in the Next 5 Years

- The issues identified under the Performance Benchmarking Plan.
- Continue information flow to and communication with City Council.

Mission

The Legal Department's mission is to provide legal services to City Council, staff members, commissions, agencies, and citizens, when appropriate, in a prompt and efficient manner.

Description:

The Legal Department provides services to all departments and personnel of the City, various agencies and commissions of the City, City Council members, and the general public. These services include performing legal research and providing opinions, drafting resolutions and ordinances, supervising the prosecution of defendants in Municipal and Circuit Court, and representing the City in a variety of civil litigation, including administrative hearings and land use proceedings. These services also include attending meetings of the City Council and Planning Commission, and other City commissions when necessary, drafting a variety of legal documents, reviewing current legislation and court decisions, and investigating citizens' concerns and complaints.

2022-23 Goals, Projects and Highlights

- Negotiate a new cell tower lease with U.S. Cellular for property owned by the City near the Columbia Gorge Regional Airport.
- Coordinate with Federal Aviation Administration and Dallesport Water District on municipal water right matters and utility infrastructure improvements.
- Work with Klickitat County and Columbia Gorge Community College on establishing a training hangar using Economic Development Agency federal grant monies.
- Continue fostering an excellent working relationship with the Wasco County District Attorney's Office to ensure crimes within city limits are prosecuted to the maximum extent allowable.
- Negotiate two new lease agreements with the State of Oregon for 700 Union Street to continue to provide vital social services to the local and regional population.
- Continue interfacing with City/County Insurance Services and insurer-appointed litigation defense counsel to ensure the City remains defended from all legal actions.
- Negotiate, draft, and then recommend City Council adoption of a new special ordinance for an updated franchise agreement with Waste Connections of Oregon, Inc. (dba The Dalles Disposal).
- Solicit public contracts for the abatement and demolition of the Tony's Building using Oregon and federal grant monies.
- Petition the Circuit Court for the State of Oregon for the County of Wasco to validate Resolution No. 21-021 pursuant to ORS 33.710—33.720.

- Continue supporting Public Works Department staff by ensuring legal sufficiency of and Public Contracting Code compliance with all solicitations and contracting connected with the Dog River Pipeline Project and other infrastructure projects.
- Work closely with Community Development Department staff to analyze existing Land Use and Development Ordinance provisions, perform legal research, draft comprehensive code updates, and recommend Planning Commission and City Council adoption of revised language.
- Complete Columbia Gorge Urban Renewal Agency performance of Development and Disposition Agreement for The Recreation Building.
- Work with Judicial Department to continue to close out criminal violations and misdemeanors.
- Continue to work with retained legal counsel in representing the City in the litigation filed by Gorge Aviation Services against the City and Klickitat County and Public Records Lawsuit

2021-22 Accomplishments/Comments

- Worked closely with Community Development Department staff to draft and recommend adoption to Planning Commission and City Council of House Bill 2001 Middle Housing Land Use and Development Ordinance revisions.
- Coordinated with Mid-Columbia Economic Development District and various local stakeholders (e.g., The Next Door, Inc.) to site new bus shelters over City-controlled easements and rights-of-way.
- Commenced enforcement of Land Use and Development Ordinance to mitigate against various land use violations within city limits.
- Trained multiple staff and various City Councilors, Commissioners, and Directors on Oregon Public Records and Meetings Laws.
- Negotiated and drafted the Infrastructure Agreement between the City and Design, LLC for a \$28.5 million benefit to the City's water and sanitary sewer infrastructure to add significant resiliency for the benefit of all City water users.
- Renewed and reaffirmed the City's Quiet Zone Rule (TDMC 5.08.020(B)(1)(d)) with the Federal Railroad Administration pursuant to 49 CFR Part 222 for Union Pacific Railroad Company locomotives traveling across city limits.
- Worked closely with Human Resources Department staff to review and revise all City policies.
- Supported The Dalles Police Department and Mid-Columbia Community Action Council with adoption and enforcement of policies developed pursuant to House Bill 3124 and ORS 203.079 to ensure compliance with new and changing Oregon laws concerning camping on City-owned or other public property.

• Closely coordinated The Dalles Police Department evidence disposal guidelines with the Wasco County District Attorney's Office pursuant to Senate Bill 751 and recommended the part-time Evidence Technician position be expanded accordingly.

Fund:	General (001)	
Department:	Finance/Utility Billing/Judicial (0900-0950-	0750) Number of Employees: 6.25
Program:	Finance/Utility Billing/Judicial (000)	Finance: 4 UB: 1.5 Judicial: .75

Mission

To provide accurate and timely financial information, projections and support services to the City Manager and Staff, City Council, and external users in support of their decision making processes; and to aggressively respond to the needs of City Staff in their quest to provide quality services, while using the City's available resources in the best interests of all involved.

Description

The Finance Department is charged with a wide variety of tasks, including coordination of the City's annual budget and audit processes, as well as the general administrative functions, such as payroll, cash receipts, accounts payables, accounts receivables, fixed assets, and general ledger. This Department maintains the primary Financial/Utility/Court computer system software. In 2017, finance started doing the Transient Room Tax and Fuel Tax audits.

The Department also processes all utility billing and collections for the City's water and wastewater utilities in a separate cost center (0950).

The Finance Department prepares the various internal and external financial reports for use by City Council and its commissions, City Staff, and other organizations, as well as the general citizenship.

The Department also maintains all accounting functions and ledgers for the Urban Renewal District, Tourism Promotion Funds, Park and Recreation District and Mid- Columbia Fire & Rescue.

In 2019, the Judicial Department transitioned to Finance. Finance provides the services for Municipal Court. The Municipal court provides services to the police department and the citizens of the City of The Dalles. The court prosecutes traffic infractions and misdemeanors, city ordinances, and state laws. The court is staffed with one part-time clerk and an appointed, part-time Judge (0750).

2022-23 Goals, Projects and Highlights

Finance:

- Continue to transition and train into the new software program to allow employees to have complete knowledge on the software components.
- Develop a more up to date system for Fuel Tax and Transient Room Tax audits.
- Continue to improve policies, processes and controls to increase compliance, efficiency, and security.

- Continue to partner with Parks and Recreation and Mid-Columbia Fire & Rescue.
- Continue to develop all aspects of the software program that allows employees and managers online inquiry.
- Continue to work on developing a system for financial forecasting for the City.
- Continue training and cross-training for all Department employees.
- Continue to develop the budget in the Excel add-in, on the Caselle program.
- Transition the Mid-Columbia Fire Department from Quickbooks, into Caselle.

Judicial:

- Continue to work with the Police department to develop E citations.
- Major focus will be developing a program for Oregon's Measure 110, which removes criminal penalties for individuals caught in unauthorized possession of any schedule I, II, III, or IV controlled substance.
- Continue to work on reducing delinquencies for Municipal Court accounts.
- Continue to work on developing and maintaining a database/tracking system for Court contracts.

2021-22 Accomplishments/Comments

Finance:

- Completed the Business License program in Caselle.
- Completed fuel tax and transient room tax audits.
- Produced various monthly financial reports for City Manager, Department Managers and City Council within five days of each month end.
- Produced quarterly financial reports for City Council.
- Received the Government Finance Officers Association (GFOA) Certificate of Achievement for Excellence in Financial Reporting for the City's 2020 Comprehensive Annual Financial Report (CAFR).
- Worked on creating better internal control processes within our finance department.
- Continued to work on the process of online inquiry for managers and employees in Caselle.
- Set up a new system for tracking and sending out letters and notices for Transient Room Tax. This system shows who is not in compliance for short term rentals.

Judicial:

- Transitioned Court to Two days a month for Traffic Court.
- Helped the City Clerk renovate the City's council chambers to be able to facilitate Court and Council meetings.

Mission

Recruit, hire and retain the highest quality people while providing them a safe, professional organization through meaningful low cost benefits and robust safety programs.

Description

The City's Human Resource Department is going into its seventh year after being re-instituted by City Council in FY16/17. The City had been without a dedicated Personnel Department since FY97/98. The City also has a Benefits Agent of Record who manages our benefit plans.

In September 2016, the General Services Department discontinued administration of personnel services. The City has approximately 100 full-time regular employees in seven Departments who will continue to rely on a dedicated Human Resources Department. This was a goal of the City Council in 2016.

In August 2017, the safety component of the Regulatory Compliance Manager position in the Public Works Department was separated from that position and a City-Wide Safety Officer position was created. The Safety Officer position reports to the Human Resources Director. In 2018 the Safety Officer was made a full-time position.

In the spring of 2020 the City contracted out the City Attorney services. As a result, Human Resources now manages the City General Liability, Property and Auto Insurance as well as Urban Renewal General Liability and Property Insurance. The Human Resources office has also moved up stairs to the old City Attorney's office.

This budget includes funding for two full-time employees, materials, services and training.

2022-23 Goals, Projects and Highlights

- Coordinate with all Departments and Implement Insight Risk Management program City wide.
- Continue to evaluate processes, equipment and training to reduce workplace injuries.
- Work with HUB-International to identify medical benefit providers with improved customer service and benefits to those of our current provider.
- Invest in leadership training for all Managers and Supervisors
- Complete the update to the City Continuity of Operations Plan (COOP).
- Complete the Emergency Recovery checklist with CIS.
- Prepare for, recruit and fill vacant positions.
- Continue to review and update personnel policies to reduce City liability.

- Evaluate methods and implement best practices for Risk Management to reduce general liability exposure to mitigate future premium increases.
- Invest in Safety process and programs that include equipment and training.
- Continue to evaluate recruitment process to ensure the City is able to attract high quality employees while being fiscally responsible with the public's resources.

2021-22 Accomplishments/Comments

- Successfully responded to COVID-19 Pandemic, provided assistance to County Emergency Operations.
- Began the update of processes, equipment and training to reduce workplace injuries.
- Worked with benefit providers to provide employee incentive for preventative care.
- Updated personnel policies to reduce City liability.
- Worked with CIS on a new Risk Management Program "Insight" going into effect FY22-23 that will provide a significant improvement through data and utilizing ISO31000 standards.
- Consulted with HUB-International to identify no-cost or marginal costs benefits for employees and identify weakness in the current plans.
- Continual improvement of Safety process and programs that include equipment and training.
- Continued to evaluate recruitment process to ensure the City is able to attract high quality employees while being fiscally responsible with the public's resources.
- Recruited and filled 11 positions receiving a total of 323 applications

Mission

The Community Development Department serves the public in resolving issues affecting land use, land development and planning for an improved quality of life in The Dalles. Staff in this department support the work of the Planning Commission, Historic Landmark Commission, the Urban Renewal Agency Board, and the City Council.

Description

The Department consists of three divisions, Planning, Historic Preservation and Economic Development, with the following areas of responsibility:

Long-Range Planning. Planners regularly update the City's Comprehensive Plan and Development Code to be consistent with Statewide Planning Goals, City Council goals, and input from residents and business owners. Staff presents options and makes recommendations to the Planning Commission. The Planning Commission then reviews and gives feedback on proposed policy and code changes, making recommendations to the City Council for consideration.

<u>**Current Planning</u>**. Current planning involves the review of development applications for compliance with the City's Land Use and Development Ordinance (Title 10 of The Dalles Municipal Code). Planners lead the development review process, coordinating with City staff in other departments who also regulate development such as staff in Public Works, Police/Codes Enforcement, Finance, and the Fire District. Staff also serve as the first point of contact with residents and business owners who inquire about development requirements and land use issues. Some development applications require review and approval by the Planning Commission and City Council.</u>

Historic Preservation. The Community Development Department also houses the City's historic preservation program. Staff coordinates with the State Historic Preservation Office to ensure local consistency state and federal guidelines, all while learning about and obtaining grant funding to assist with achieving local preservation goals. The City's Historic Landmarks Commission reviews development modifications to designated historic buildings and provides guidance to the City Council and staff regarding the long-term vision for historic preservation in The Dalles.

Economic Development. The Community Development Department coordinates the City's economic development activities. Community Development staff is responsible for coordinating and implementing the City's economic development strategies and programs.

<u>Urban Renewal Agency</u>. The Community Development Director is the Manager of the Columbia Gateway Urban Renewal Agency. The Community Development department contracts with the Agency to accomplish its goals. The Department also supports the work of the nine-member Urban Renewal Agency Board, including three appointed City Council members.

There are currently five permanent, full-time positions in the Department: Director, Senior Planner, Associate Planner, Assistant Planner, and Administrative Secretary.

2022-23 Goals, Projects and Highlights

- Serve customers with professionalism and efficiency.
- Continue processing development permit applications in a timely manner.
- Maintain Certified Local Government designation by continuing historic preservation programs, special projects and other grant-funded eligible activities.
- Complete the update and adoption of the Housing Needs Analysis.
- Seek final adoption of the Employment Buildable Lands Analysis.
- Update the Land Use and Development Ordinance to be consistent with State law passed in the 2022 legislative session.
- Provide assistance in developing and implementing the City's economic development strategies and activities. Update codes to support economic development and community livability.

2021-22 Accomplishments/Comments

- Assisted the City Manager with updating the Community Vision Action Plan, on behalf of City Council.
- Adopted the Middle Columbia Total Maximum Daily Load Implementation Plan, required by the State Department of Environmental Quality. In an effort to protect salmon habitat, the plan adopts strategies the City will take to protect water temperature and shade in three creek basins inside The Dalles City limits. Adopted Code amendments needed to implement these policy strategies.
- Held policy discussions with Planning Commission, seeking feedback on various Code amendments intended to streamline the development code, improve customer service, and promote commerce.
- Continued Staff support of the Planning Commission, Historic Landmarks Commission, Site Review Team, Urban Renewal Agency, Main Street and other community groups and Ad Hoc Committees.

- The City annexed 23.29 acres of new territory into the City limits this past year. The six annexation applications resulted from the property owners need to access City water and sewer services on these properties.
- Continued coordination with other City departments, citizens, special interest groups, and County, State and Federal agencies for both current and long range planning efforts.
- Continued to provide planning services to the County Planning Department within the Urban Growth Area, the City Public Works Department, and the Urban Renewal Agency.

Major Issues to be Resolved in the Next 5 Years

- Implement planning projects from the updated Community Vision Action Plan.
- Undertake and complete an update to the 2011 Comprehensive Land Use Plan and Land Use and Development Ordinance
- Support City Council and other regional leaders in promoting new housing development that is livable and attainable for new and existing resident in The Dalles.
- Continue to support the development of a vital commercial and residential neighborhood in the Urban Renewal Plan Area.

Program:	Economic Development (1150)

Mission

To improve the community's quality of life through sustainable economic development and job creation.

Description

The Economic Development Division is responsible for coordinating the City's economic development programs and overseeing implementation of the City's overall economic development strategy. The division collaborates with local and regional partners in marketing the community for the growth and development of a diversified business community. To meet these tasks, the division receives support from the City Manager's Office, Planning Division, Columbia Gateway Urban Renewal Agency, Wasco County Economic Development Commission, and regional partners. The division is also involved periodically in the Enterprise Zone, Opportunity Zone, Vertical Housing Zone and the Columbia Gorge Regional Airport which are considered other economic development tools for the community.

The division seeks out funding and partnership opportunities from both public and private sources to assist in furthering the economic development goals of the City Council. Such goals include the creation of a vibrant downtown serving community needs, continued reinvestment of commercial districts, expansion of visitor-serving opportunities and continued growth of the industrial sector.

2022-23 Goals, Projects, and Highlights

- Partner with other City Council, City departments, and the community to implement the updated Community Vision Action Plan.
- Collaborate with MCEDD, and other local and regional partners, on regional economic development issues, programs and strategies.
- Join efforts with the Community Outreach Team, Wasco County Economic Development Commission, and the Port of The Dalles to expand existing businesses or bring new industry to create jobs in the community.
- Work in partnership with the Main Street Program and other local partners, to encourage activities that support more downtown economic vitality.

2021-22 Accomplishments/Comments

• Pursued EPA grant to provide environmental contamination analysis and asbestos mitigation on an Urban-Renewal Agency-owned property. The property will be

demolished in FY 2022-23 to make way for a shovel-ready downtown redevelopment site.

- Completed sale of two Urban Renewal Agency-owned properties.
- Explored opportunities to bring more housing to downtown as a way to strengthen foot-traffic to retail businesses and restaurants.
- Sought City Council adoption of the Employment Buildable Land Analysis.

Major Issues to be Resolved in the Next 5 Years

- Continue to use Urban Renewal funds wisely to leverage new investment within the district boundaries.
- Track the inventory of developable industrial land, giving regular updates to City Council and community partners. Plan for opportunities to expand the industrial land supply and expand development potential on existing industrial land inside the city limits.
- Ensure that new industrial and commercial development proposals can efficiently navigate the City's development process.

Mission

To enhance the image and livability of the community through compliance with the City's ordinances, particularly addressing nuisance property maintenance and abatement efforts.

Description

The Codes Enforcement Position seeks compliance with The Dalles Municipal Code through public education as well as proactive and complaint-driven response. The position collaborates with community partners to assist in the abatement of nuisance conditions and the protection of public safety. Also, this position coordinates with the City Attorney and City Planning staff in the enforcement of the Land Use Development Ordinance (LUDO). The codes enforcement position works with citizens to solve problems and address issues of neighborhood livability, while protecting property rights.

2022-23 Goals, Projects and Highlights

- Investigate public right-of-way complaints with the assistance of law enforcement Including:
 - Motorhomes and Recreational Vehicles
 - o Trailers
 - o Boats
- Partner with lending institutions and property maintenance firms to abate nuisance conditions.
- Continued partnership with Wasco County Youth Services to remove graffiti on residential and commercial properties.
- Increase public education for abatement of puncture vine and general ordinance through public speaking opportunities, press releases and radio public service announcements.
- Enforce burn barrel permit regulations.
- Expand compliance with transient merchant license requirements.
- Work with Mid-Columbia Fire & Rescue in promoting use of Burn-to-Learn Program.
- Increase participation in Annual Community Cleanup by targeting neighborhoods in greater need. (last 2 years this event has been cancelled because of COVID-19)
- Familiarize law enforcement with ASANA property records program.

2021-22 Accomplishments/Highlights

- Obtained a certified arborist to assist with enforcement of ordinance violations concerning hazardous trees on private property.
- Decreased of puncture vine in high traffic areas (estimated decrease of 30% in past year).
- 397 real property inspections were conducted, resulting in 329 code enforcement cases.

- Familiarization on various law enforcement computer programs.
 - LEDS training and certification
 - JUSTICE in-house records management system
 - Police One training program
- Abated 5 residential properties using local contractors.
- Disposal of 282 (77% increase from previous year) scrapped vehicles.
 - Local companies used
 - At no cost to the City

Major issues to be resolved in the next 5 years

- Work with Land Use Development Ordinance enforcement with Community Development Department planners
- Monitor workload and consider adding seasonal staff as need increases.
- Elimination of puncture vine in high traffic areas.
- Increase community education.

Mission

Provide City Departments with needed information technology tools.

Description

The City has one full-time Information Technology Manager position and one full time Technology Specialist. The General Fund Technology Department is where the costs for the City-wide information systems have been consolidated. Some major items that are included in this Department are servers, switches, and general software maintenance contracts. Costs of replacing individual computers, software, or maintenance are funded in individual Departments or Funds, but all computers and components are purchased by the Information Technology manager, who works closely with the Department Managers to plan and maintain replacement schedules.

2022-23 Goals, Projects and Highlights

- Upgrade software security suite to include cloud-based security threat detection and incident response creating efficiency for security related task.
- Upgrade server platforms, eliminating versions going end of support in FY 2023-24.
- Train Technology Specialist in logging forensics and disaster recovery strategies.

2021-22 Accomplishments

- Purchased replacement of primary virtualized server stack and storage system.
- Developed reporting tools for trouble-ticket and asset tracking using database technology for better IT efficiency.
- Trained Technology Specialist in networking topology and configuration.
- Continued implementing succession plan by replacing open-source software with paid solutions that include production support.
- Decommissioned obsolete hardware and upgraded near end-of-life software to long-term release versions.

Mission

To provide for maintenance and preservation of the City's facilities, structures and grounds, including historic City Hall. The City values its heritage and is dedicated to preserving our historic assets.

Description

The staffing for the General Services Department includes the Dock and Festival Park, Arco Parking lot, Police Department, Library and State Office Building properties.

The General Services Department accounts for annual repairs and maintenance to preserve the appearance and integrity of our structures. Expenditures from this department include normal repairs and maintenance line items for City Hall and other City owned buildings and properties. All insurance costs related to general government services are recorded in this department.

Annually, we adjust the distribution of the time of the Maintenance Workers to reflect the prior year's actual costs. Maintenance provided to the Airport is billed on a per request basis. After reviewing the current year, we are distributing the 2020-21 expenses the same as last year:

City Hall:	40%
Police Facility	5%
Library	15%
State Office Building	40%

2022-23 Goals, Projects and Highlights

- Continue maintenance and minor repairs to City Hall and other City owned facilities.
- Restoration work on Lewis and Clark Festival Park water sculpture.
- Replacement of handrail at commercial dock.

2021-22 Accomplishments/Comments

- Provided supervision for Wasco County and juvenile work crews for maintenance projects.
- Continued maintenance and minor repairs to City Hall and other City owned facilities.

Description

Other Financing Uses is broken into four groups. They are the following:

- Charges for Services or Special Payments are funding operations needed by the City to be paid to outside agencies. We have also budgeted a Special Payment to the Fire District in accordance with an intergovernmental agreement that requires that \$90,000 per year from the City's portion of the Enterprise Zone #2 revenues be passed to the Fire District to be applied to debt they incur to improve Fire Station #2. This will continue for up to 12 years, or when the debt is paid off, whichever comes first.
- Operating Transfers Out is funding other operating funds of the City. This year we are making the following transfers:
 - \$65,000 to the Airport Fund for operations.
 - Due to Unemployment Fund not being used to cover expenses for the future unemployment expenses, we will not be requesting any additional revenue from the general funds this year.
 - \$450,000 to the Street Fund to cover the shortfall of capital projects and repairs to the streets.
- The third group called "contributions to other agencies" is where the City is contributing tax dollars it collects to a public agency to provide products and service to the people of the City. By Ordinance, we provide 2.0% of the 8.0% transient room taxes paid to the City to the Northern Wasco County Parks & Recreation District. Main Street Tourism
- The General Fund Contingency and the General Fund Unappropriated Ending Fund balance are the fourth piece of the other financing uses.
- FY2019-20 we established a Reserve for Future Expenditure line item. This amount is set aside and saved for future spending.

2022-23 Goals, Projects, and Highlights

• To maintain all revenue resources to cover all four groups above with sufficient funding to meet the needs of the City and other entities.

2021-22 Accomplishments/Comments

• Successfully completed all payments and transfers budgeted.

Major Issues to be resolved in the next 5 years

- A reduction in the transfers out to the Airport as it is able to meet its operating costs as a regional airport with an industrial park.
- Maintain the General Fund contingency at 10%.
- Recover and maintain an unappropriated ending fund balance that can support the General Fund activities through the revenue shortfall months of July through October, ensuring the City does not have to borrow funds to maintain recurring expenses.

Mission

The Dalles-Wasco County Public Library provides Wasco County's citizens with free and equal access to materials relevant to their informational needs. The library serves as an unbiased source of information with opportunities provided for personal, educational, cultural and recreational enrichment.

Description

The Dalles-Wasco County Public Library serves the residents of the Wasco County Library Service District as well as the residents of surrounding areas who pay an annual fee or are included in reciprocal borrowing agreements. The Library Service District provides the library's operating funds through an intergovernmental agreement with the City and Wasco County Commissioners. The agreement also includes funding for support services provided to other County libraries and stations. The library is a member of Sage, an automated library system shared by seventy-seven libraries in a fifteen county area.

Services provided by the library each year include more than 260,000 loans of books, magazines, books on tape, compact discs, Wi-Fi hotspots, DVDs, maps, and other various media; reference assistance and instruction in library use; interlibrary loans and reserve requests; public access to computers and the Internet including Wi-Fi access; mobile app access; downloadable audiobooks, videos and e-books; outreach services; public programs; ESL (English as a second language) and literacy services; and children's story hours and programs.

2022-23 Goals, Projects and Highlights

- Purchase an outreach/bookmobile van for The Wasco County Library Service District.
- Incorporate the outreach van into the Wasco County Library District service model with new employee.
- Boost patron base.
- Continue "Take & Make" kits and other Zoom events.
- Partner with schools, park district, Head Start and The Dalles Art Center.
- Purchase more Library2Go digital and audiobook content for patrons.
- Update 11 District computers: ten public and staff workstations at The Dalles Library and one at Maupin.
- Continually evaluate the library's book and non-book collection and consider materials for withdrawal based on criteria such as use, currency, and condition.
- Update and replace furniture.
- Upgrade security cameras.
- Carry on with landscape improvements.

- Boost in-person programming.
- Continued development of website and Library District brand.
- Create more "hybrid events" combining Zoom and in-person programming.

2021-22 Accomplishments/Comments

- Sustained curbside service during COVID restrictions.
- Interior and exterior windows washed.
- Created fresh displays for newly purchased library materials and older items.
- Continued enhancement of library landscaping.
- New book shelving realized.
- Print management system was updated.
- Security system upgraded.
- Zoom programming expanded for all age levels.
- "Take and Make" programming was continued as it proved very popular.
- Kanopy, a free video streaming service providing independent films, documentaries, Great Course educational videos, and children's programming, continued to set circulation records.
- Back office flooring was cleaned and waxed.
- Library2Go digital eBooks and audiobooks purchased only for Wasco County residents in the Advantage account became high-demand items.

Major Issues to be resolved in the next five years

- Creating a more unified Library District.
- Replacing the HVAC system at the Dalles-Wasco County Library.
- Allocation of resources among libraries as economic conditions change.
- Establishing a reserve fund to sustain Library District service plan, build capital reserves, and fund libraries until tax monies are received each year, and to weather adverse economic conditions.

Department:	Public Works	Number of Employees:	46
Program:	Enterprise and Dedicated Fund Activ	ities	

Mission

To be responsive to our customers, to do our best work, and to build foundations for the future, so that the community reaps the rewards.

Description

The Department of Public Works is composed of six separate divisions with three different dedicated funds: Street Fund, Water Fund and Wastewater Fund. Revenues from individual dedicated funds cannot be co-mingled, and joint services between funds must be tracked and charged for appropriate reimbursement. Within the Department, administrative and engineering support services are split proportionally among the funds.

2022-23 Goals, Projects, and Highlights

- Continue to reinforce a safety culture within our workplace to avoid injury to employees and the public and prevent damage to equipment and property.
- Continue a street preventive maintenance program that focuses on improving surfaces and integrity of streets using the most cost-effective methods available in compliance with the Americans with Disabilities Act (ADA).
- Achieve 80% completion for the Dog River Pipeline Replacement project.
- Update the City's Water Master Plan.
- Undertake work on the SCADA Upgrade Phase 1 project.
- Complete the 2022 ADA sidewalk ramp improvement projects.
- Complete the Scenic Drive Stabilization Phase 3 project.
- Complete structural repairs to the Sorosis Reservoir roof.

2021-22 Accomplishments

- Continued the emphasis on safety for all Public Works tasks and projects.
- Continued to provide essential services to the public during the pandemic and through associated office shutdowns.
- Completed the design, permitting and pipe procurement for the Dog River Diversion Pipeline Replacement; began timber removal activities and awarded a contract for its construction.
- Awarded a contract to update the City's Water Master Plan.
- Completed construction of Westside Interceptor Phase I sanitary sewer main upgrade project in West 1st Street.
- Completed a temporary repair of the outfall pipe from the Wastewater Treatment Plant and completed a design for a longer-term solution.
- Completed the ADA sidewalk ramp improvement projects.
- Continued and refined a 50/50 Sidewalk Rehabilitation Cost Share Pilot Program.

ENGINEERING SERVICES

Description

The Engineering Services Division provides professional engineering services and support for contracts, design, plan reviews, project management, construction quality control, and acceptance of public improvements inside the Urban Growth Boundary. Division engineers assist in developing City ordinances and standards associated with the City's built environment and manage the City's infrastructure archives.

2022-23 Goals, Projects and Highlights

Perform survey and design, and prepare contract documents for:

- Americans with Disabilities Act (ADA) compliant sidewalk ramps for connecting/continuing ADA accessible pedestrian corridors.
- 50/50 Sidewalk Rehabilitation Cost Share Program.
- W. 6th Street street/sidewalk upgrade project, Snipes Street to Hostetler Street.
- W. 6th Street and Snipes Street Sanitary Sewer Upgrade.
- Westside Sewer Interceptor Project, Phase II.

Provide design oversight and/or construction inspection for:

- City of The Dalles U.S. EPA Brownfield Coalition Assessment Grant.
- Update of Water Master Plan.
- Continue to assist with Dog River Diversion Pipeline design and construction oversight.
- Continue feasibility analysis for undergrounding of utilities for downtown redevelopment

projects.

- Continue 310' Pressure Zone Water System Improvements.
- Scenic Drive Stabilization Phase 3.
- Trevitt Street Sanitary Sewer Phase 1.
- W. 2nd Street Joint Utility Project Phase 2.

Prepare plans and/or contract documents, provide design oversight and/or construction inspection for:

- Cure In Place Pipe (CIPP) Sewer Slipline Contract.
- Sorosis Reservoir Roof Structural Repairs.

2021-22 Accomplishments¹

Performed survey and design, and prepared contract documents as well as provided design oversight and/or construction inspection for:

- Sanitary Sewer Main Project under I-84 for Westside Sewer Interceptor Project, Phase I.
- W. 15th Street reconstruction Garrison Street to Liberty Way.
- W. 2nd Street Joint Utility Project Phase 2.

- W. 16th Street and Pentland Street Water Main Replacement Project.
- E. 9th Street and Quinton Street Utilities Upgrade Project, which included removal of a house built in the City's Right-of-Way.
- E. 14th Street and Quinton Street Storm Sewer Replacement Project. The planned project timeline was accelerated due to a water main break that damaged the pavement structure in the area. The storm sewer replacement was completed before pavement restoration to save time and materials.

Provided design oversight and/or construction inspection for:

- City of The Dalles U.S. EPA Brownfield Revitalization Coalition Assessment Grant.
- Cliff Street Fill Site.
- Safe Routes to School Project Identification Program Grant.
- Assist with Dog River Diversion Pipeline design and construction oversight.

¹ Projects listed are accurate from June 2021 to February 2022 then planned unless otherwise noted.

- Feasibility analysis for undergrounding of utilities for downtown redevelopment projects.
- 310' Pressure Zone Water System Improvements.

Looking forward to the next 5 years

- Work toward getting utilities extended into the eastern and western portions of the City.
- Continue working on completing capital improvement projects as outlined in the City's Master Plans.
- Work toward getting street grades and storm sewer trunk lines designed so that as development projects occur, infrastructure improvements can occur when infill development is initiated.
- Continue working toward creating ADA accessible pedestrian corridors as outlined in the ADA Transition Plan. Create safe routes for pedestrian access around town, in particular safe routes to schools. Address ADA concerns/grievances submitted by private citizens.
- Continue working with the North Wasco County School District No. 21 to apply for and be successful in receiving a Safe Routes to School Construction Grant in the Chenowith Elementary/Wahtonka Campus area.

REGULATORY COMPLIANCE SERVICES

Description

Provides supervision for Administrative Services, and ensures that the Public Works Department adheres to all relevant regulatory guidelines to avoid litigation and fines. This is achieved in a timely and cost-effective manner by staying informed of existing regulations, interpreting application in consultation with regulators, creating and implementing plans to meet requirements, providing enforcement and documentation, meeting the timelines set by regulatory agencies, and performing ongoing program updates.

2022-23 Goals, Projects, and Highlights

- Continue to increase coordination of community outreach and public education.
- Implement updated wastewater local limits.
- Implement the Mercury Minimization Plan.
- Implement the America's Water Infrastructure Act Water Emergency Response Plan.
- Complete the transition of the Public Works Department library of webpages to the new website platform. Leverage new website features to improve customer service.
- Transition Industrial Pretreatment Program administration to Lucity software.
- Refresh the Federal Emergency Management Agency Incident Command System 3-year training program for all Divisions.
- Serve as point of contact for renewal of the City's NPDES discharge permit for the wastewater treatment plant.

2021-22 Accomplishments

Community Outreach – sharing our story with those that we serve

• Published annual Water Quality Report to all water customers as required by U.S. Environmental Protection Agency.

- Updated a Department communication plan to focus education efforts on organizational needs. The purpose of the plan is to provide public information that is consistent and supportive of City and Public Works Department goals with the objective of highlighting the public role in achieving each goal. The plan also serves to facilitate development of key messages and coordinate distribution of messages. Successful communication projects include:
 - Tree trimming outreach and education efforts ahead of chip seal projects was coordinated by the Public Works Department. In 2021, the City continued to reduce the need for enforcement action compared to previous years. These efforts made passage of City equipment safer for crews performing work as well as safer for school buses, large delivery trucks and garbage trucks.
 - Leaf pick-up outreach continues to minimize the number of leaf pile enforcement actions.
 - All press releases are now translated to Spanish.
 - Most flyers are now translated to Spanish.
- The Public Works Department library of webpages continues to be on a seasonal update schedule.

Drinking Water Compliance – protects public health, ensures fire protection, supports a vibrant economy

- Completed and certified the America's Water Infrastructure Act Risk & Resilience Assessment and Emergency Response Plan.
- Tracked rule changes regarding the new Lead and Copper Rule. Work with other managers to plan local implementation of rule changes.
- Tracked rule changes regarding new America's Water Infrastructure Act requirements as well as changes in Federal legislation regarding emergency preparedness requirements and consumer confidence report requirements for water utilities.

Hazardous Materials, Emergency Preparedness & Safety Compliance

- FEMA documentation support is initiated at the onset of any incident to practice ICS procedures. The documentation will help develop future tabletop exercises.
- Continued a cyberthreat awareness campaign for City employees.
- Manage hazardous substance and material recovery reporting to State agencies.

Storm Water Compliance – protect public health and the environment, prevent property damage

• Assisted with planning and enforcement activities to comply with stormwater quality requirements.

Transportation Compliance – enhance public safety and mobility

- Updated the Winter Weather Response Plan as new equipment was purchased and new procedures implemented.
- Updated all press releases ahead of the winter weather season.

Wastewater compliance – protects public health and the environment

- Worked with Oregon Department of Environmental Quality (DEQ) to comply with the renewed NPDES discharge permit for the City's Wastewater Treatment Plant.
 - The final Mercury Minimization Plan was approved by DEQ in November 2021. The purpose of the plan is to comply with DEQ requirements and ensure that the levels of mercury in the Wastewater Treatment Plant's effluent to the Columbia River are

minimized.

- Managed a process to re-evaluate local limits. Provisional approval of the new local limits was granted in January 2022. The public comment period closes in the first quarter 2022. After public comments are resolved and approved by DEQ, the City Council will consider adoption.
- Managed compliance correspondence with DEQ.
- Coordinated the City's Industrial Pretreatment Program (IPP).
 - Reissued two wastewater discharge permits in 2021.
 - Served as City liaison during the Oregon DEQ (IPP) program compliance audit in August 2021.
 - Three of four corrective actions were returned to compliance by December 2021.
 - Transitioned fats, oils and grease interceptor enforcement management to Lucity software.

Looking forward to the next 5 years

- Assist with implementing Public Works Department action items resulting from 2018 Natural Hazard Mitigation Plan update. Prepare for 5-year update of the plan in 2023.
- Assist with Lead and Copper Rule compliance due by October 2024.
- Assist with development of an updated Water Management and Conservation Plan due in November 2024.
- Maintain files to streamline the 5-year update cycle for the America's Water Infrastructure Act Risk & Resilience Assessment and Emergency Response Plan. The next certifications are due in 2026.

ADMINISTRATIVE SERVICES

Description

Provides administrative functions for the Department of Public Works: budgeting, Department purchases, manpower cost apportionment, cost accounting for Department projects, departmental personnel functions, inventory tracking, customer service and timekeeping.

2022-23 Goals, Projects, and Highlights

- Continue to provide a high level of skilled customer service and professionalism, both internally and externally by cross training of personnel and maintaining forms and office Standard Operating Procedures.
- Maintain an accessible library of Public Works Department policies and plans.
- Review/update Department webpages to reduce call volume and the need for walk-in services. For example, transition to using the webform and the online service request applications provided on the City's new website.

2021-22 Accomplishments²

By the Numbers

 $^{^{2}}$ Statistics are accurate from July 2021 to December 2021 then estimated by using January 2021 – June 2021 actual data. This estimation method is consistent with past Administrative Services Budget Narratives.

- Used the Internet Ticket Processing (ITIC) One Call locate system to track 933 utility locate requests.
- Permits, applications and plans review correspondence between Public Works and Planning Departments has transitioned away from Administrative Services support and moved largely to direct email to the engineers.
- Issued 27 Right-of-Way Construction Permits, 70 Street/Sidewalk Closure permits and 11 Banner permits.
- Helped 244 people with the visitor log-in procedure at the Public Works Department front office. This significant reduction in walk-in traffic is largely due to a transition in how the Public Works Department provides services in the time of COVID-19.

At Your Service

- Maintained a welcoming front office presence and base radio monitoring.
- Provided administrative, bid proposal support and budget tracking within the Department.
- Served as department purchasing agent and processed invoices for payment by the Finance Department.
- Provided departmental personnel functions. Tracked crew license and certification requirements. Facilitated enrollment for conferences and other training necessary to maintain operator certifications.
- Provided clerical support for the monthly City of The Dalles Traffic Safety Committee, Public Works Safety Committee and back-up support for the Wasco County Utility Coordinating Council.
- Provided liaison services for the Department with the phone and alarm companies, and computer IT service.
- Proactively maintained sanitation supply inventory during the COVID-19 state of emergency. Duties included reordering, restocking and setting out sanitation supplies for all employees at Public Works.
- Maintained sanitation standards in Public Works common areas during the COVID-19 state of emergency. Duties included wiping down counters and contact areas between customer and crew interactions and before leaving at the end of shift.
- Completed the Public Works Department transition to the Oregon Records Management Solution method for records retention

Extraordinary Effort

• Provided feedback and rigorous testing of the Public Works library of webpages and webforms as the City transitions to a new website platform.

Looking forward to the next 5 years

- Streamline and develop efficient work practices through training and the review/update of forms and office Standard Operating Procedures.
- Leverage the enhanced customer service capabilities of the City's new website.

The Street Fund (Fund 005-0500) is a dedicated fund used for the operation and maintenance of the City transportation systems. The fund's primary sources of revenue are the Oregon State Motor Vehicle Fund, a local 3-cent gas tax, impact fees from the City's Water and Sewer Funds, and the City's General Fund.

Description

The Street Division manages the operation and maintenance of over 99 miles of paved City streets, alleys, and gravel and oil shot roads, as well as additional rights-of-way, pedestrian access ways, bicycle paths, lighting, various triangle parks, and sidewalks. The Division also shares the responsibility of Public Works fleet management and the maintenance of City-owned buildings and grounds. The Street Division hosts monthly Traffic Safety Commission meetings.

2022-23 Goals and Projects

- Complete pavement preservation projects on 22.8 miles of paved City streets.
- Upgrade sidewalk ramps at eight intersections to be Americans with Disabilities Act (ADA) compliant.
- Grind and fill old sunken patches throughout town.

2021-22 Accomplishments³

By the Numbers

- The Transportation Division continued a preventive maintenance program that focuses on crack sealing, chip sealing, asphalt overlays and inlays in an effort to extend the life of the City's pavement structures.
 - Performed 82 pavement patches for the water and sewer divisions.
 - Crack sealed 11.2 miles of City streets.
 - Chip sealed 5.6 miles of City streets.
 - Completed 3.3 lane miles of asphalt inlay and reconstruction projects.
 - Completed 100% (8.3 miles) of the grading and maintenance of the gravel streets and alleyways using, in part, processed and recycled asphalt grindings that were generated from paving projects.
- Completed 110,880 linear feet of our annual center line striping program.
- Assisted with traffic control plans and equipment for 9 community functions including: parades, events, street festivals, and COVID-19 testing/vaccination events.
- Assisted in the review and approval of 37 Right-of-Way Construction Permits that were issued for work within the City's Right-of-Way and 46 Sidewalk Street Closure Permits. Installed 10 permitted banners.
- Responded to 87 customer calls for service.

At Your Service

- Provided snow plowing and sanding services during the winter storm season of 2021/22.
- Maintained street lighting.
- Completed an evaluation of retro-reflectivity of street signs, replaced damaged signs, and installed signage in numerous locations with attention to safe passage for motorists, bicycles and pedestrians.
- Other provisions for pedestrian safety include:
 - Installation of eight, new solar powered flashing Light Emitting Diode (LED) stop signs.
 Four at the intersection of E. 4th Street and Washington Street. Two at the intersection of E. 10th Street and Kelly Avenue and two at the intersection of E. 10th Street and Dry Hollow.
 - Completed a study to examine pedestrian access and determine the appropriate location and design for a mid-block crossing of W. 6th Street between Cherry Heights and Webber Street.

Looking forward to the next 5 years

- Improve efficiencies and Best Management Practices through measurements and accountability.
- Utilize our pavement management database to evaluate different investment strategies to maximize the cost-effectiveness of a transportation system maintenance and rehabilitation plan at available funding levels.

Fund:Water (050)Number of Employees: 17 dedicatedDepartment:Public Works12 shared / 22.15 FTEProgram:Water Treatment and Water Distribution

The Water Fund is an enterprise fund used to account for the operations of the City's water utility. The fund's primary source of revenue is the sale of water. For budget purposes the fund is divided into two parts: Water Treatment (051-5000) and Water Distribution (051-5100).

WATER TREATMENT

Description

The Water Treatment program accounts for all activities for daily operations and maintenance required to ensure the continuous operation of the Wicks Water Treatment Plant which normally provides about 85 - 90% of the City's annual water supply and is staffed around the clock. The Water Treatment Division also includes operation and maintenance of the water quality laboratories, and management of The Dalles Municipal Watershed for the protection of water quality and quantity.

The Wicks Water Treatment Plant Division works closely with the Water Distribution Division and the City's Utility Billing Department to provide quality customer service on a daily basis.

In conjunction with Regulatory Compliance Services, the Wicks Water Treatment Plant Division monitors Federal and State drinking water regulation changes and makes necessary adjustments and/or improvements required to keep the water system in compliance.

2022-23 Goals, Projects and Highlights

- Continue development of the new work and asset management system as part of the effort to develop an electronic operations "manual" for the treatment plant's various processes.
- Replace the plant's mechanical raw water flow meter with a more reliable magnetic flow meter as part of a broader rehabilitation of the treatment plant's headworks.
- Update several aging plant systems: SCADA system upgrade, electrical panel upgrades, filter media replacement.

2021-22 Accomplishments

By The Numbers

• Achieved recognition for 22 years of uninterrupted voluntary compliance with the Partnership for Safe Water – Directors Award.

At your Service

- Provided uninterrupted supply of treated surface water sourced from the City's watershed around the clock, seven day a week, to supply the needs of City residences, businesses and industry with plentiful and safe drinking water.
- The Dalles Water Quality Laboratory maintains state certifications in both Oregon and Washington providing critical support to the City water system, regional water systems, private well owners, and agricultural interests in meeting their regulatory water quality responsibilities.

Extraordinary Effort

- Successfully conducted the system's triennial Lead and Copper sampling with compliance results, once again, well below the regulatory limits.
- Maintained uninterrupted water supply to our customers while working closely with suppliers and regulators to navigate the severe impact to our disinfectant supply when regional chlorine production disruption occurred in 2021.

Looking forward to the next 5 years

- Replace or rehabilitate the 60-year-old Washwater Reservoir at the Wicks Water Treatment Plant.
- Facilitate development of forest health improvement and fire fuels reduction programs on federally-owned lands in The Dalles Municipal Watershed including the Mill Creek Buttes and the Dog River drainage.
- Identify and implement appropriate upgrades for the treatment plant within the context of an updated Water Master Plan; including, but not limited to: seismic resiliency, sludge handling, and treatment chemical options.

WATER DISTRIBUTION

Description

The Water Distribution Division is responsible for the infrastructure that provides an uninterrupted supply of clean, safe drinking water for the citizens and businesses of the City of The Dalles. The Division also is responsible for maintaining adequate water volume and pressure for city-wide firefighting efforts.

The drinking water distribution system includes 3 deep wells (which normally provide about 10 - 15% of the City's annual water supply), 5 storage reservoirs, 3 booster pumping stations, 100 miles of water mains, 16 separate service/pressure zones (incorporating 62 pressure reducing valves), more than 700 fire hydrants, about 5,042 water meters and 5 ground water (dewatering) well systems. Operations, maintenance, monitoring and most upgrading projects are performed by the Water Distribution Division crew. The City's Cross Connection Control (backflow prevention) program is also operated within this Division.

The Water Distribution Division works closely with the Wicks Water Treatment Plant Division and the City's Utility Billing Department to provide quality customer service on a daily basis.

In conjunction with the Wastewater Collection Division, the Water Distribution Division maintains a 24-hour per day, 365-day per year emergency response program. This "On-Call" program provides nearly immediate response to any City utility after-hours emergency.

The Water Distribution Division also works closely with Regulatory Compliance Services to monitor Federal and State drinking water regulation changes and make necessary adjustments and/or improvements required to keep the water system in compliance.

2022-23 Goals, Projects and Highlights

- Upgrades: Convert Jordan Well to sodium hypochlorite disinfection systems.
- Support implementation of an Aquifer Storage & Recovery (ASR) program.
- Continue to meet benchmarks set for: our meter replacement program, meter lid replacement program, pressure reducing valve (PRV) upgrade and maintenance program and cross connection control program.

2021-22 Accomplishments⁴

By The Numbers

- Continued the annual residential water meter replacement program, replacing 8% (approximately 400) old residential water meters with new meters each year to maintain the accuracy of meter reads and sustain revenue.
- Replaced 480 ft. of existing old galvanized mainline pipe with new on W. 6th Street and Garrison Street.
- Installed 13 new water service connections as requested by property owners.

⁴ Statistics are accurate from July 2021 to February 2022 then estimated unless otherwise noted.

• Installed a liquid sodium hypochlorite disinfection system at Marks Well and removed the previously used chorine tablet disinfection system.

At your Service

- Completed scheduled maintenance/rebuild of pressure reducing stations including upgrading underground vaults.
- Addressed most emergency water problems including main breaks, service line leaks and customer turn offs within 24-hours and with minimal customer impact.
- Ensured protection of public health through water quality monitoring, water quality investigations, backflow protection, system maintenance, and assurance of adequate fire flow.
- Administered our Cross Connection Control Program in a manner that ensures that our drinking water remains safe throughout the distribution system. Cross Connection Control Program elements include:
 - Track and record the testing of existing backflow assemblies.
 - Track and record the installation and testing of new backflow assemblies.
 - Complete surveys and inspections to assess cross connection control needs.

Additional Effort

The City, through an agreement with Wasco County, operates and maintains the water system that serves the Discovery Center Museum. The Water Distribution Division continues to operate and maintain the Discovery Center Water System as an "Outstanding Performer" as designated by the Oregon State Health Authority.

Catastrophic equipment failure caused an extensive main break and a boil water notice was issued in June 2021. Operators quickly isolated the point of failure to restore water service within 24 hours. The boil water notice was lifted as soon as the Oregon Health Authority allowed (4 days). Repair was delayed due to COVID-19 related supply chain problems. Restoration, including pavement replacement, was completed in October 2021.

Looking forward to the next 5 years

- Design and implement a uni-directional main line flushing program.
- Design and implement a valve exercising program.
- Transition into work and asset management through Lucity.
- Implement a systematic "In House" distribution system leak detection program.
- Replacement of 7.61 miles of transmission main from Wicks Water Treatment Plant to the distribution system.
- Apply new coatings (interior and exterior), upgrade seismic connections and install influent water meter at the 6 million-gallon Garrison Reservoir.

The Wastewater Fund is an enterprise fund used to account for the operation of the City's wastewater utility. The fund's primary source of revenue is sewer rates. For budget purposes, Wastewater Collection, Wastewater Treatment, and Storm Water functions are combined as Fund 055-5500.

WASTEWATER COLLECTION

Description

The Wastewater Collection Division is responsible for the infrastructure that provides reliable sewage and industrial wastewater disposal for the citizens and businesses of the City of The Dalles. The Division manages the operation and maintenance of an intricate sanitary sewer system consisting of more than 101 miles of sanitary sewer lines, interceptors, and 8 sanitary sewer lift stations. Reliable sanitary sewer service is achieved through video inspection of sanitary sewers, warranty inspection of new construction, mechanical and chemical treatment of troubled sewers, routine sewer and lift station maintenance and collection system replacements.

In conjunction with the Water Distribution Division, the Wastewater Collection Division maintains a 24-hour per day, 365-day per year emergency response program. This "On-Call" program provides nearly immediate response to any City utility after-hours emergency.

The Wastewater Collection Division also works closely with Regulatory Compliance Services to monitor Federal and State wastewater and storm water regulation changes and make necessary adjustments and/or improvements required to keep the wastewater system in compliance.

2022-23 Goals, Projects, and Highlights

- W. 6th Street and Snipes Street Sanitary Sewer Upgrade.
- Cure In Place Pipe (CIPP) Sewer Slipline Contract.
- The recently purchased Sewer Line Rapid Assessment Tool (SL-RAT) will help the city crews check more sewer lines each year using acoustic technology to provide real-time blockage assessments. We expect use of SL-RAT will reduce the number of main issues in the system.
- The worker hours freed-up by use of SL-RAT is expected to allow crews to spend more time on maintenance of the sanitary sewer mains and camera inspection in more stormwater mains each year.

2021-22 Accomplishments⁵

By The Numbers

- Sewer mains replaced or added, in house, with contractors and developers: 5,025 feet.
- Project Goals, listed by percent desired (and percent accomplished in FY 2021-22) are:

Desired	Project Goals	Done in 2021-22
100%	Response to emergencies/sewer breaks	100%
100%	Response to new sewer service requests	100%
100%	Weekly preventative cleaning/maintenance of all 8 lift stations	100%
100%	Cutting of roots on lines identified as flow-impaired	100% (8,700 ft.)
15%	Video inspection of sewer lines – Whole system in 7 years	About 12%
1%	Replacement of old and/or poor-condition sewer laterals	Less than 1% (25)
5%	Replacement of sewer lines – 20-year replacement plan	Less than 1%

At Your Service

• Continued to implement the goals of the U.S. EPA's Guide for Evaluating Capacity, Management, Operations and Maintenance Programs by improving the Lucity work order system. The City's Information Technology staff have helped make the system easier to use by linking Lucity software to Geographic Information System mapping with sewer maintenance work, video camera assessments, sanitary sewer overflow events, and customer

complaints.

• Continued identification and correction of inflow and infiltration within the system.

Looking forward to the next 5 years

• Improve documentation of maintenance work and integration of information into an asset management system.

STORM WATER

Description

The Wastewater Collection Division is responsible for the infrastructure that provides reliable storm water conveyance for the citizens and businesses of the City of The Dalles. The Division manages the operation and maintenance of the storm water conveyance systems within the City Limits for the protection of property and the enhancement of stream water quality.

2022-23 Goals, Projects, and Highlights

- Improve base maps and as-built records of the storm water conveyance system.
- Reconfigure the storm water conveyance system on E. 4th Street east and west of Washington Street to prepare for an upgrade in the adjacent alley between E. 4th Street and E. 5th Street.
- Replace catch basin grates with bike-friendly devices along routes with a high level of bicycle traffic stress as identified in the Transportation System Plan.

2021-22 Accomplishments⁶

- Worked with owners to remove catch basins and roof drains from the sanitary sewer system to the storm system.
- Constructed 982 feet of new or replacement stormwater collection mains.
- Continued a comprehensive street sweeping program consisting of a monthly regular schedule, a curb-to-curb sweep a few times a year and Operation Clean Sweep to sweep up autumn leaves in November of each year.

By The Numbers

- Installed 10 new catch basins and replaced or modified grates as needed.
- Project Goals, listed by percent desired (and percent accomplished in FY 2021-22) are:

Desired	Project Goals	Done in 2020-21
100%	Response to emergencies/storm water backups and overflows	100%
100%	Annual cleaning of all catch basins and repair of broken ones	100%
100%	Cutting of roots on storm lines identified as flow-impaired	About 50%
15%	Video inspection of storm lines - Whole system in 7 years	About 1%
15%	Replacement of old and/or poor-condition sewer laterals	Less than 1%

⁶ Statistics are accurate from January 1, 2021 to December 31, 2021 unless otherwise noted.

At Your Service

- Responded to complaints about illicit discharges to the storm water system.
- Worked with Planning Department, Wasco County, State Building Codes and Oregon Department of Environmental Quality to track installation of oil-water separators when required.
- Separated the combined sanitary/storm water systems and removed catch basins and roof drains from the sanitary sewer system as possible when discovered or as development occurs.

Looking forward to the next 5 years

- Continue implementation of Storm Water Master Plan, including public education and involvement, elimination of illicit discharges, construction controls, and good housekeeping measures.
- Upgrade of storm water line at W. 6th Street and Hostetler Street.
- Upgrade storm water conveyance system in the downtown core area and remove roof drains from sanitary sewer system.

WASTEWATER TREATMENT

Description

Wastewater treatment functions are primarily performed under contract with Operations Management International (now owned by Jacobs) with administrative oversight by Public Works Department staff. As holder of the discharge permit, the City retains responsibility for compliance with all permit limits and other requirements.

2022-23 Goals, Projects, and Highlights

- Assist the City with the wastewater treatment plant's NPDES Permit renewal process by collecting additional samples required by the Oregon Department of Environmental Quality.
- Implement FY 2022-23 portions of the Wastewater Treatment Plant Capital Improvements Plan:
 - Construct Americans with Disabilities Act (ADA) compliant ramp to make the current administration building accessible.
 - Install an automatically controlled waste activated sludge valve on the gravity belt thickener feed line.
 - Install weather protection for the Co-Gen system.
 - Complete influent-based flow pacing of the return activated sludge flow.

2021-22 Accomplishments

By the Numbers

- Total wastewater influent 827.7 million gallons in calendar year 2021. Average influent 2.3 million gallons per day.
- Hauled 720 loads of biosolids. In total, 2,334,750 gallons of biosolids were hauled in calendar year 2021.

At Your Service

• Jacobs staff has continued a predictive maintenance program to assess current condition of

equipment. As part of the preventative maintenance initiative, the staff began an oil analysis program to save on replacement oil costs from unnecessary oil changes.

- The Jacobs team coordinated the repair of the main airline feeding the aeration basins. This allowed for significant energy savings as the blowers' output turned down significantly following the elimination of the leak.
- Worked with City staff to implement a temporary repair of the plant's outfall pipe in the Columbia River.
- Completed numerous wastewater treatment plant and fleet maintenance activities including but not limited to:
 - Troubleshooted and calibrated the return activated sludge flow meters.
 - Replaced the gravity belt thickener variable frequency drive.
 - Replaced E. coli incubator and pH probe for permit required sampling.
 - Repaired effluent pump #3.
 - Replaced aeration basin air valves.
- Supported the City's Industrial Pretreatment Program (IPP).

Safety First

• The Dalles project continues to surpass safety standards and is now beyond the 21-year mark for no lost time incidents.

Looking forward to the next 5 years

- Implement remaining Phase 2 portions of Wastewater Treatment Plant Capital Improvement Plan:
 - Gravity Belt Thickener Addition, install 3rd primary filter, replace and upsize boiler.
 - Consider Laboratory, Office, Shop and storage facility construction.
 - Utilize the predictive maintenance program to assist with project planning and increase wastewater treatment plant resilience.
 - Optimize operation of plant processes.

Mission

Columbia Gorge Regional Airport's Mission is to operate and develop the Airport and Business Park in a safe and efficient manner to encourage the availability of high-quality aviation and non-aviation products, services and facilities. Striving to meet the aviation transportation needs of the twenty-first century, and create educational and economic development opportunities.

Description

Since 2002 the City has been involved in a partnership with Klickitat County in operating the Columbia Gorge Regional Airport and planning its future. We have signed an agreement creating a long-term management structure for the airport that includes cost sharing with Klickitat County. A regional airport board has been established, and public meetings are normally held the third Friday of each month. Aviation Management Services (AMS) has been hired to operate the airport under the general oversite of the Airport Board. Tac Aero is the fixed-base operator at the airport and provides a number of aviation services, including handling transient and resident aircraft, fuel and related sales, flight training, contractual support to the fire base and aircraft maintenance. The Columbia Gorge Community College in conjunction with Klickitat County is the process of applying for a Federal EDA grant to construct a \$2.5-million hangar to accommodate their Aviation Maintenance professional degree program. We also now have other commercial operating agreements at the airport. (Cherry Packers and Flight instruction as well as a Mobile A&P.

2022-23 Goals, Projects and Highlight

- South Apron Rehabilitation Design Engineering Project with FAA Grant for \$275,000
- Secure funding for construction of \$2.5 million training hangar for Columbia Gorge Community College aviation technician training program
- Develop strategy to build additional 11-unit T hangars
- Coordinate with Washington State Legislature to remove annual \$13,000 property taxes
- Upgrade airport fencing and improve airfield security around business park
- Replace roofs on Quonset Hangar and Mobile Home
- Install emergency generator for runway lights, fuel island and terminal building

2021-22 Accomplishments/Comments

- North Apron Rehabilitation and Taxiway Improvement construction completed with \$1.8 million FAA grant along with \$150,000 Oregon COAR grant
- Developed and implemented airport marketing strategy including new website <u>www.flycgra.com</u>
- Completed conversion of secondary 12,000 gal Jet A fuel tank
- Construction of hydro-cooling and cold storage facility in partnership with Pacific Coast Cherry Packers in business park
- Installation of two additional 12,000 gal JetA fuel tanks and pump system

- Created and implemented a lease tracker and update reminder program for all tenants
- Acquired 100Kw emergency generator

Major Issues to be resolved in the next five years

- Financial sustainability of airport operations
- Design and construction of south apron rehabilitation and taxiway improvement
- Airport master plan update and AGIS study
- Construction of larger capacity and more efficient above ground fuel farm
- Design and construct terminal complex water system upgrade
- Charter or taxi air services
- Construct new airport terminal with small conference space
- Obtain FAA approval for rehabilitation of Runway 7/25

Description

The Special Assessments fund is used to fund Local Improvement Districts of the City and Code Enforcement nuisance abatements that are assessed to property owners. This fund was created with General Fund financial resources in prior fiscal years for this specific purpose to reduce the amount of fixed financial expenses associated with borrowing funds.

2022-23 Goals, Projects, and Highlights

- No LIDs are currently planned for 2022-23.
- Pursue payment of nuisance abatements.
- Continue the 50/50 Sidewalk Program in 2022-23 for \$50,000.

2021-22 Accomplishments/Comments

- Foreclosed on long term delinquent abatement assessments.
- 50/50 Sidewalk Program was a success in 2021-22.

Major Issues to be resolved in the next five years.

• Maintenance of sufficient operating monies with the LID fund so as to internally finance small projects without the added complexities of use of bonding or other debt instruments.

Description

The Capital Projects Fund is used to fund renovations and maintenance of City facilities and purchase equipment for those facilities (BIP 22-008). These facilities are City Hall, Transportation (Veterans) Center, Police Station, Dock and the Lewis and Clark Festival Park. All these facilities are General Fund facilities and the operating monies for these facilities and operating departments is from General Fund financial resources. In recent years we have used this fund to purchase General Fund equipment. We also fund the actual construction of LIDs in this fund when the monies come from more than one source. The revenue is primarily from transfers in and a portion of the State Office Building lease.

2022-23 Goals, Projects, and Highlights

- Replace HVAC units at City Hall and Police Department as needed (\$27,500)
- Reserve for future City Hall improvements (\$267,127)
- Dock Maintenance- Continue maintenance fund for the dock for future repairs. (\$90,000)
- ADA sidewalk/public restroom(\$10,000)
- Replace dock handrail system (\$57,875)

2021-22 Accomplishments/Comments

- We are continuing to build future reserves for future projects
- Continuing to maintain a fund for the dock repair (\$90,000)
- Completed the remodel of the Council Chambers in City Hall
- Paid off the loan to the Port of The Dalles for the Airport Well.
- Replaced the lighting for Union Street Tunnel.

Major Issues to be resolved in the next five years

- Completion of City Hall renovation of City Hall 2nd Floor
- Continue to build and maintain a reserve fund for Dock Repair.
- Help build a reserve for the Library to help replace the 1963 HVAC replacement for \$210,000.

SPECIAL REVENUE FUNDS GROUP

Description

The City has several Special Revenue funds in addition to those discussed with respect to Public Works activities. These are funds established under ORS Chapter 280, to accumulate and spend monies for a particular purpose. For each fund of this type, a specific purpose is identified and monies in that fund may only be spent for that purpose.

- The Unemployment Fund (010) provides for the accumulation of financial resources of the City to pay claims of unemployment. Contributions are received from the operating funds of the General Fund, Library Fund, Street Fund, Water Utility Fund, and Wastewater Utility Fund.
- The Community Benevolence Fund (011) provides for the accumulation of financial resources to pay for expenses related to the memorials to Veterans of the community.
- The Special Projects Fund (018) provides for the accumulation of financial resources of the City and other granting agencies in order to pay for expenses related to infrastructure improvements. This infrastructure can be related to historical and community purposes.
- The State Office Building Fund (021) is used to operate one of the City's facilities to be used by the State of Oregon to provide services to the local community.
- The Special Enterprise Zone Fund (022) is used to project fees to be paid pursuant to the Enterprise Zone Tax Abatement Agreement.

Fund:	Special Revenue Fund Group
Department:	Special Grants (018)
Program:	Other (415)

Description

The Special Projects Fund provides for the accumulation of financial resources for the purpose of expending those funds on a multitude of capital projects.

2022-23 Goals, Projects, and Highlights

- For the First Street/Riverfront Connection project, complete the design, right-ofway/easement acquisition, bidding, and construction phases. Project completion is slated for late 2023/early 2024.
- The Business Oregon/CDBG Home Repair Program for Wasco and Hood River Counties in the amount of \$500,000 will continue to provide loans and grants to income-eligible homeowners. This will be the second year of this program's grant cycle.
- The City and Columbia-Cascade Housing will continue to draw down the \$400,000 Business Oregon/CDBG Coronavirus Rent Relief grant to assist families earning at or below 80% Area Median Income who are also economically impacted by COVID-19 through rent, mortgage and emergency utility payments. This will be the second year of the program's grant cycle.
- DEQ/EPA Brownfield Grant for properties identified by 2018/19 Integrated Planning Grant.
- COVID Relief Grant. Estimated amount of Grant that will be received for the American Rescue Plan.
- The City will receive a OPIOID Grant in the amount of \$303,000 in the FY2021/22 budget year and will plan on using these funds for dedicated projects for FY2022/23.
- City staff will apply for the State Historic Preservation Grant in the amount of \$10,500 to support the enhancement of a cell phone/tablet "app" launched in 2021, offering tourists and residents walking tour options to visit and learn more about historic landmarks and murals throughout the community. The enhanced app will include locations and descriptions of the new community murals, slated to be painted in downtown in Summer 2022.
- In Spring or Summer 2022, The City expects to be awarded a grant of \$250,000 or more from the Oregon Brownfields Cleanup Fund. This grant will be used to pay for asbestos abatement in the Urban Renewal Agency-owned property called the "Tony's Building" located at 401-407 E. Second Street.

2021-22 Accomplishments/Comments

• Continued engineering design, environmental analysis, and began right-of-way/easement acquisition required to complete bid documents and begin construction for the First Street/Riverfront Connection project.

- The U.S. Environmental Protection Agency recently provided a \$600,000 grant to spur economic development and revitalize underdeveloped parcels in and around The Dalles. The grant went to Wasco County, the City of The Dalles and the Port of The Dalles, and last year those entities formed the Brownfields Revitalization Committee to identify and prioritize parcels for funding. To date, the coalition has awarded funding aimed at meeting identified community needs and has approved seven project sites, with two under consideration.
- Through a partnership with Columbia Cascade Housing Corporation, awarded CDBG rent relief and home repair funds to residents needing this assistance from Wasco, Hood River, and Sherman counties.

Major Issues to be resolved in the next five years

- Continue Federal lobby efforts for City projects.
- Continued searching of all agencies (federal, state and local) for funding of future expansion of the City infrastructure for the benefit of all.
- Continued use of the Urban Renewal Agency's financial resources in the most efficient manner to meet the goals of the community.

Mission

To operate and maintain the State Office Building facility efficiently and effectively, and within the parameter specified in the long-term lease agreement with the State of Oregon.

Description

The State Office Building Fund is used to account for resources and expenditures relating to the operation and maintenance of the facility located at 700 Union Street. Resources to the fund consist primarily of lease payments from the State of Oregon, supplemented by interest earnings. Expenditures relate to operational expenses such as utilities and insurance, and maintenance of the facility and grounds. All operating expenses are reimbursed through the lease payments from the State. A report is provided to the State at the end of each lease year outlining all operating and maintenance costs for that year.

2022-23 Goals, Projects and Highlights

- HVAC replacement of Two (2) units.
- Interior painting second floor.
- Complete installation of Emergency Generator.
- Remodel 2 employee bathrooms.

2021-22 Accomplishments/Comments

- Two (2) new HVAC systems were replaced with new ones.
- Updated maintenance agreement for boiler.

DEBT SERVICE FUNDS GROUP

Description

The City maintains a group of debt service funds to account for the long-term obligations of the City. These funds accumulate monies from a variety of sources for the sole purpose of paying principal and interest on obligations incurred at some point in the past. The City is proposing operating three debt service funds for the upcoming year.

2022-23 Goals, Projects and Highlights

- Fully fund the debt obligations for the fiscal year as follows:
 - Airport Debt Svc Fund (062) Klickitat County Loan (Nov 2012) debt incurred to build new Maintenance Hanger; CERB Loan (February 2015) obtained by Klickitat County to develop the Airport Industrial Park; and the LOCAP FFCO Bond (February 2015) obtained to fund the purchase of Hanger D, and build a Flex hanger to house Life Flight and other renters. This last Audit year the debt for the LOCAP FFCO Bond was put back into the City Obligation for the full amount, creating a loan from the Airport to the City, in the same amount.
 - FFCO 2009 Debt Svc Fund (044) debt incurred for Phase I of the West 1st Street, Terminal Way and Bargeway Road Reconstruction LID and to provide a loan to the Columbia Gateway Urban Renewal Agency to pay off the current Urban Renewal bond, fund a reserve for the loan, and provide funds for additional projects, including:
 - ✓ Improvements to the East Gateway and Brewery Grade intersection
 - ✓ Flour Mill Project
 - ✓ Marine Terminal and Festival Area
 - \checkmark Streetscape improvements on 1st, 3rd, and Washington Streets
 - FFCO 2008 Debt Svc Fund (043) debt incurred in 2008 for Public Works Facility relocation and City Hall remodel debt.
 - Utility Revenue and Refunding Bond Series 2018 (059)- This Bond was established in February 2018 with the purpose of refunding of the City's Wastewater Revenue Bonds, Series 2003, Water Revenue Bonds, Series 2007, and additional WWTP Clarifier/Primary Filter project.
 - ✓ The WWTP Clarifier/Primary Filter project
 - ✓ Water Bond Debt Fund (041) debt incurred in 2007 by the sale of revenue bonds to:
 - ✓ Build a Clearwell
 - ✓ Build a new 760 reservoir and pump station
 - ✓ Build a new pump station on Morton Street
 - ✓ Enhance the Lone Pine well

- ✓ Replace the control valves, upgrade the filters, and replace disinfection systems at WICKS
- ✓ Complete environmental permitting for watershed projects
- ✓ Build a new pipeline (Eastside Intertie Phases I and II)
- ✓ Wastewater Plant Debt Service Fund (058) debt incurred in 2003 by the sale of revenue bonds for the reconstruction of the wastewater plant. This bond covered Phase I of the reconstruction.

2021-22 Accomplishments/Comments

• Made payment of principal and interest on a timely basis for all of the debt listed above.

RESOLUTION NO. 22-022

A RESOLUTION ADOPTING THE FISCAL YEAR 2022-2023 BUDGET FOR THE CITY OF THE DALLES, MAKING APPROPRIATIONS, AUTHORIZING EXPENDITURES, LEVYING TAXES, AND AUTHORIZING THE CITY MANAGER TO TAKE SUCH ACTION AS NECESSARY TO CARRY OUT THE ADOPTED BUDGET

WHEREAS, the City Budget Committee reviewed and acted on the proposed City budget, and, on May 2, 2022, approved and recommended a balanced budget to the City Council; and

WHEREAS, in accordance with State Law, the City held a Public Hearing on the approved budget on June 13, 2022; and

WHEREAS, The City council has amended the budget previously approved by the Budget Committee, as permitted by ORS 294.435; and

WHEREAS, the City Council wishes to adopt the approved budget and carry out the programs identified in the budget;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL AS FOLLOWS:

Section 1. <u>Clerical Changes.</u> The City Council hereby authorizes City Staff to make the necessary clerical changes to the amended budget.

Section 2. Adoption of the Budget. The City Council of the City of The Dalles, Oregon, hereby adopts the budget for Fiscal Year 2022-2023 in the total of \$80,466,979 now on file in the office of the City Finance Director.

<u>Section 3.</u> <u>Setting Appropriations</u>. The amounts for the Fiscal Year beginning July 1, 2022 and for the purposes shown are hereby appropriated as follows:
