**1. PLEDGE OF ALLEGIANCE, ROLL CALL, AGENDA UPDATE**

Mayor Lauer called the meeting to order at 7:00pm.

**PRESENT:** Mayor Lauer, Councilor Ripma, Councilor Caswell, Councilor Kranz, Councilor White, Councilor Moon and Councilor Glantz.

**ABSENT:** None.

**STAFF:** Ray Young, City Manager; Sarah Skroch, City Recorder; Ed Trompke, City Attorney; Chris Damgen, Community Development Director; Erich Mueller, Finance Director; Fred Ostler, Public Works Director and David Schaffer, Public Works Superintendent.

**GUESTS:** See Attached.

Mayor Lauer asked for agenda updates.

Ray Young, City Manager, replied there are no updates.

**2. PUBLIC COMMENT:** Public comment on non-agenda and consent agenda items is welcome at this time.

None.

**3. PRESENTATION:** A presentation on Old City Hall re-use vision and “Away Days” brewery, restaurant and bar.

<0:02:26>

Chris Damgen, Community Development Director, introduced Pete Hoppins and Niki Diamond with Away Days Brewery.

Pete Hoppins, Away Days Brewing Owner, showed a PowerPoint presentation (attached as Exhibit A).

<0:18:29>

Mayor Lauer stated he is so excited about it, the conception of it, and seeing it come to fruition.

Councilor Glantz asked if private events could be hosted and what size events.

Pete Hoppins replied yes, and it will depend on the usage on the ground floor. The Speakeasy will be a rentable space.

Niki Diamond, Away Days Brewing Owner, stated they are hoping to build the upstairs space as a modular space so there would be sections that could be rented. They are considering it all for the floorplan buildout.

Councilor Ripma welcomed Pete and Niki and stated he is very excited about all of this.

Sharon Nesbit, Troutdale Historical Society Founder, stated drinking beer in Troutdale is probably one of the oldest traditions. No one ever thought saving Troutdale's historic buildings was much worth an effort. We all know what happened at McMenamins Edgefield. She's very excited about saving City Hall. She has stories to tell, and she can talk a lot there.

<0:24:48>

LeAnn Stephan, Troutdale Historical Society (THS), stated she toured the building with Pete and Parker a few months ago and she was very pleased with their attention to the historic features of the building and their desire to keep it historic. She's thrilled that the building can be saved and be kept in a historic nature. There's so much to be said and cherished about the building and the THS supports it.

Rip Caswell, Troutdale resident, stated he's excited about the preservation of the Old City Hall. He's concerned about parking and asked how many spaces there will be and how Away Days would accommodate.

Pete Hoppins replied they will have to go through a process in terms of a trip calculator and they will work with the City. There is no plan to add parking, but they will work with the City to ensure there is ample parking.

Rip Caswell stated there is a wedding venue across the street that will fill up the street and into the public parking lot. There is quite a demand there.

Sam Purvis, Good Coffee Roasters, stated he can confirm to everyone that being long-time friends with Pete and Niki and long-time customers at their other establishments that Troutdale is getting some of the best in terms of amazing people and people with great hearts for hospitality.

Mayor Lauer stated getting Sharon Nesbitt, LeAnn Stephan and Dave Ripma excited about this restoration just proves that hopefully we can knock this out of the park. He thinks this is the

best of both worlds and he's so excited for everyone, the business owners, the citizens of Troutdale and the new direction going with the building.

**4. PUBLIC HEARING / RESOLUTION:** A public hearing and resolution approving the sale of City real property, Old City Hall.

<0:30:58>

Erich Mueller, Finance Director, gave a brief overview of the staff report.

**Mayor Lauer opened the public hearing at 7:36pm.**

Paul Wilcox read from a self-prepared statement (attached as Exhibit B).

**Mayor Lauer closed the public hearing at 7:40pm.**

**MOTION:** Councilor Ripma moved to approve the resolution approving the sale of City real property, Old City Hall. Seconded by Councilor Glantz.

**VOTE:** Councilor Glantz - Yes; Councilor Ripma – Yes; Councilor Caswell – Yes; Councilor Kranz – Yes; Mayor Lauer – Yes; Councilor White – Yes and Councilor Moon – Yes.

**Motion passed 7-0.**

**5. REPORT:** A report from Public Works on snow and ice.

<0:42:01>

Fred Ostler, Public Works Director, gave a brief overview of the staff report and presented a PowerPoint presentation with David Schaffer, Public Works Superintendent (attached as Exhibit C).

<0:59:50>

Councilor Glantz asked if the PSAs are sent out in other languages other than English.

David Schaffer replied, no.

Councilor Glantz stated there is a resource that has all kinds of emergency messaging available, and it's translated into about 60 different languages through the Regional Disaster Preparedness Organization. She asked when looking at weather data if it's looked at existing or forecasting.

David Schaffer replied existing so they can tag in with forecasting data.

Councilor Ripma asked if the County pays Troutdale for plowing County roads.

Fred Ostler replied, no, they do not.

Councilor White stated during the last storm he observed ODOT/County going out onto the Historic Highway and dropping the plow on dry roads and that can't be good.

Councilor Ripma stated it doesn't happen often but 257<sup>th</sup> gets snow covered and the light at Cherry Park at the top should be on blinker so a person can go through if nobody is coming. If you have to stop there it's impossible to get going again.

David Schaffer stated he appreciates the comment and that that area is Multnomah County, but he can have a discussion with them. He tries to get it heavily sanded there.

**6. PUBLIC HEARING / ORDINANCE (Introduced 1/11/22):** An ordinance adopting text amendments to Chapters 1 and 5 of the Troutdale Development Code.

<1:06:28>

Chris Damgen gave a brief overview of the staff report.

**Mayor Lauer opened the public hearing at 8:11pm.**

Paul Wilcox stated his Planning Commission opposition vote was directed towards a safety concern like as far as someone climbing over the chain link fence and falling and getting wedged between the fence and the electric fence and get continually zapped. He thought about it opening the possibility of a lawsuit.

**Mayor Lauer closed the public hearing at 8:13pm.**

**MOTION:** Councilor Ripma moved to adopt the ordinance adopting text amendments to Chapters 1 and 5 of the Troutdale Development Code. Seconded by Councilor White.

**VOTE:** Councilor Glantz - Yes; Councilor Ripma – Yes; Councilor Caswell – Yes; Councilor Kranz – Yes; Mayor Lauer – Yes; Councilor White – Yes and Councilor Moon – Yes.

**Motion passed 7-0.**

**7. PUBLIC HEARING / ORDINANCE (Introduced 1/11/22):** An ordinance adopting text amendments to Chapter 10 of the Troutdale Development Code.

<1:14:58>

Chris Damgen gave a brief overview of the staff report.

<1:18:18>

Councilor Glantz stated in TDC 10-7, limit of 1 sign per yard, especially a corner lot, she asked if that is enforceable to say you can only have one.

Chris Damgen replied if you had a corner lot you could have 2 signs, 1 per street frontage. Some lots are large, and this would help with visibility.

**Mayor Lauer opened the public hearing at 8:21pm.**

Rip Caswell asked if the City would reconsider the flag signs and the sandwich board signs. Brick and mortar businesses are really struggling to get attention and survive during the pandemic. He has banners that he puts out every day during the hours he's open and sets out sandwich boards during that time. He appreciates what the City is doing with trying to make it easier to get through the sign process, he thinks limiting their ability to attract attention to their storefronts is limiting the ability to survive right now.

Paul Wilcox stated his opposition to feather flags, he didn't see the need for a ban of those. He appreciates they are frequently put out in the median and create an obstacle, but they shouldn't be prohibited everywhere. Banner signs are classified as temporary with a 30-day limit. He's been noticing banner signs all over the city and a lot of them have been out for a long time. He has no problem with banner signs being long term if they're kept in good condition and well secured.

**Mayor Lauer closed the public hearing at 8:25pm.**

Councilor Moon stated he's torn on this. Each time he sees more government regulation he wonders what's the point.

Mayor Lauer stated there's nothing wrong with a banner sign if it is mounted properly and maintained and kept in good condition. When a temporary sign becomes dilapidated, then it becomes a problem.

Councilor Ripma asked if A frame signs would be prohibited.

Chris Damgen replied, the A frame is not banned. They're increasing the size allowance. The current standard is smaller than industry standards. The feather flags is an opinion. The Planning Commission opinion wasn't a hill they were willing to die on. For staff, their main desire is to have a more intelligent and streamlined approach. Temporary banners are fine but there needs to be some standards.

Councilor Moon asked about issues on real estate signs.

Chris Damgen replied they are trying to say real estate signs don't need a permit. Standards might seem over-burdened, but staff doesn't seek out compliance issues, they are complaint driven.

**MOTION: Councilor Ripma moved to adopt the ordinance adopting text amendments to Chapter 10 of the Troutdale Development Code. Seconded by Councilor Glantz.**

**VOTE:** Councilor Glantz - Yes; Councilor Ripma – Yes; Councilor Caswell – Yes; Councilor Kranz – Yes; Mayor Lauer – Yes; Councilor White – Yes and Councilor Moon – Yes.

**Motion passed 7-0.**

**8. PUBLIC HEARING / ORDINANCE (Introduced 1/11/22):** An ordinance updating public contract and purchasing procedures and amending Chapter 2.24 of the Troutdale Municipal Code.

<1:37:55>

Erich Mueller gave a brief overview of the staff report.

**Mayor Lauer opened the public hearing at 8:42pm.**

None.

**Mayor Lauer closed the public hearing at 8:42pm.**

**MOTION:** Councilor Ripma moved to adopt the ordinance updating the public contract and purchasing procedures and amending Chapter 2.24 of the Troutdale Municipal Code. Seconded by Councilor Moon.

**VOTE:** Councilor Glantz - Yes; Councilor Ripma – Yes; Councilor Caswell – Yes; Councilor Kranz – Yes; Mayor Lauer – Yes; Councilor White – Yes and Councilor Moon – Yes.

**Motion passed 7-0.**

**9. STAFF COMMUNICATIONS**

<1:43:46>

Ray Young provided the following staff communications:

- Tomorrow night the Planning Commission will be discussing the URA Framework Plan
- There will be an Open House on February 16<sup>th</sup> for the Parks Master Plan process

**10. COUNCIL COMMUNICATIONS**

<1:45:01>

Councilor Glantz thanked all the presenters.

Councilor White stated he's keeping an eye out for smelt this time of year.

Councilor Moon stated he's very happy everyone voted for Away Day Brewing.

## 11. ADJOURNMENT

**MOTION:** Councilor Ripma moved to adjourn. Seconded by Councilor Moon. Motion passed unanimously.

Meeting adjourned at 8:47pm.

January 25, 2022 Council Meeting Minutes

Mayor and Councilors,

If this were a straightforward sale, it would simply be the seller and buyer agreeing upon a price. However, since it is not, and the explanation and discussion of the terms occurred behind closed doors in a Council Executive Session, the public is at a disadvantage in understanding the terms of the sales agreement.

The key difference from a standard sales transaction is the Development Incentive Credit, in the amount of \$434,000, based on a sale price of \$435,000. It isn't at all clear whether this "cancels out" all but \$1,000 of the sale price. "The credits shall be applied to the balance of the Note during the course of the redevelopment period in amounts equal to the permit fees, application fees, system development charges and other fees and charges (but excluding taxes and assessments) paid to the City of Troutdale by the Buyer as the Buyer meets the redevelopment obligations defined in Exhibit C. Upon the satisfaction of the redevelopment obligations, the remainder of the Credits shall be applied to the balance of the note, if any." In other words, what dollar amount will the City have cleared when the dust has settled, including receipt of any and all building permits and SDC fees?

Regarding the Old City Hall property, the appraisal states that "its market value is essentially that of the underlying land." That appraisal figure is also based on the assumption that the buyer would be responsible for demolition of the existing structures, which of course isn't the way the sales agreement is structured. It would seem that in valuing the land alone, the structures would be a liability, not an asset. Demolition would be a very significant cost for a buyer who was only interested in the bare land. I assume Exhibit B is not the entire appraisal document because there's no separate appraised value for the former Davis property, which the City purchased for \$94,000.

The Council and City are of course free to structure the sale however they choose, but Troutdale citizens deserve a clear and concise accounting.

# Troutdale Snow and Ice Control Program

Update and Feedback

December 14, 2021

The GOAL of the Ice and Snow Removal Plan is:

To remove ice and snow on city roads and streets to the point that fire, police, ambulance and other emergency equipment can reach most homes if needed.

We achieve the goal by working through the priority list and getting at least one lane open

## The Scope of the Ice and Snow Removal Program Four Primary Components

- 1) Public Safety.
- 2) Emergency vehicle access.
- 3) Priority Plowing Routes.
- 4) Public Communications.

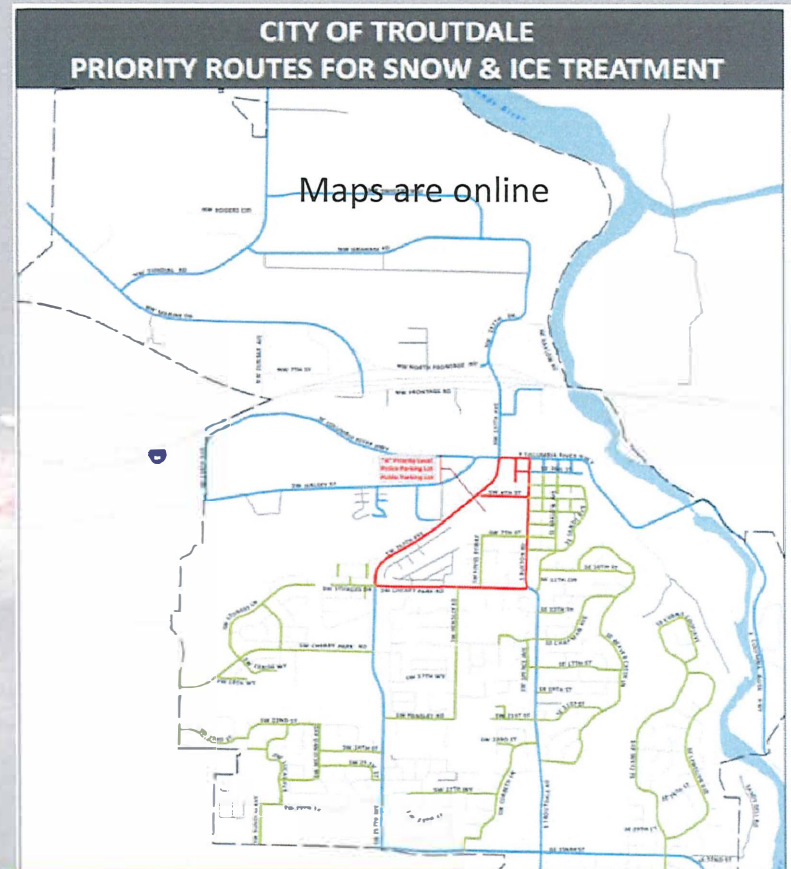

## 2018 - Troutdale Ice and Snow Removal Routes

- County Priority Routes
- County Routes
- City Routes

### To meet the Goal:

- Operations run 24 hours for ~~days~~.
- Plow and Sand until:
  - the storm has passed,
  - snowdrifts stop growing,
  - melting is beginning,
  - excessive wear and tear on equipment or staff,
  - the public is moving comfortably.

86 - Lane Miles of City Streets

44 - Lane Miles of County Streets

28 - Lane Miles of State Roads

## 2021 Valentine's Day Snowstorm

### Department Resources

- \* 2-days preparing for storm.
- \* 589-hours of overtime in 5 days.
- \* 1-weeks post-storm cleanup.
- \* 50-yards of road sand applied, and then cleaned up with street sweeper.

## 2021 Valentine's Day Snowstorm

### Typical Citizen Concerns and Comments Raised by Citizens

- \* Constant incoming calls for service.
- \* Calls for water related problems.
- \* Smoke at Well 2.
- \* Driveways have snowplowed rows in front of them.
- \* My car has been plowed in.
- \* My mailbox is inaccessible and I'm not getting my mail.
- \* No snowplows have been in our neighborhood.
- \* I have no one to shovel my driveway, sidewalks, or mailbox.

## 2021 Valentine's Day Snowstorm

Then It happened – 3 Water Emergencies during the Storm.

- \* Priority One – Water System is PWD's #1 responsibility.
- \* Water Service Trucks are also Snowplows.
- \* Crews and Equipment Called to Water Emergencies:
  - \* Diebold Lumber - 1 million gallons lost,
  - \* Safeway Roof Collapse – 100,000 gallons lost
- \* Power outages – Generator setups at two locations.

## 2021 Valentine's Day Snowstorm

### Equipment and Technology

- \* 4 plows went out, 3 plows came back broken.
- \* Each operator work 12-hour shifts for 5 days.
- \* Other PWD Divisions came in to assist Streets.
  - \* Fit WPCF and Parks trucks with snowplows
- \* Need for new technologies:
  - \* Supplement local weather data
  - \* Plow tracking
  - \* Chemical application tracking for environmental reporting

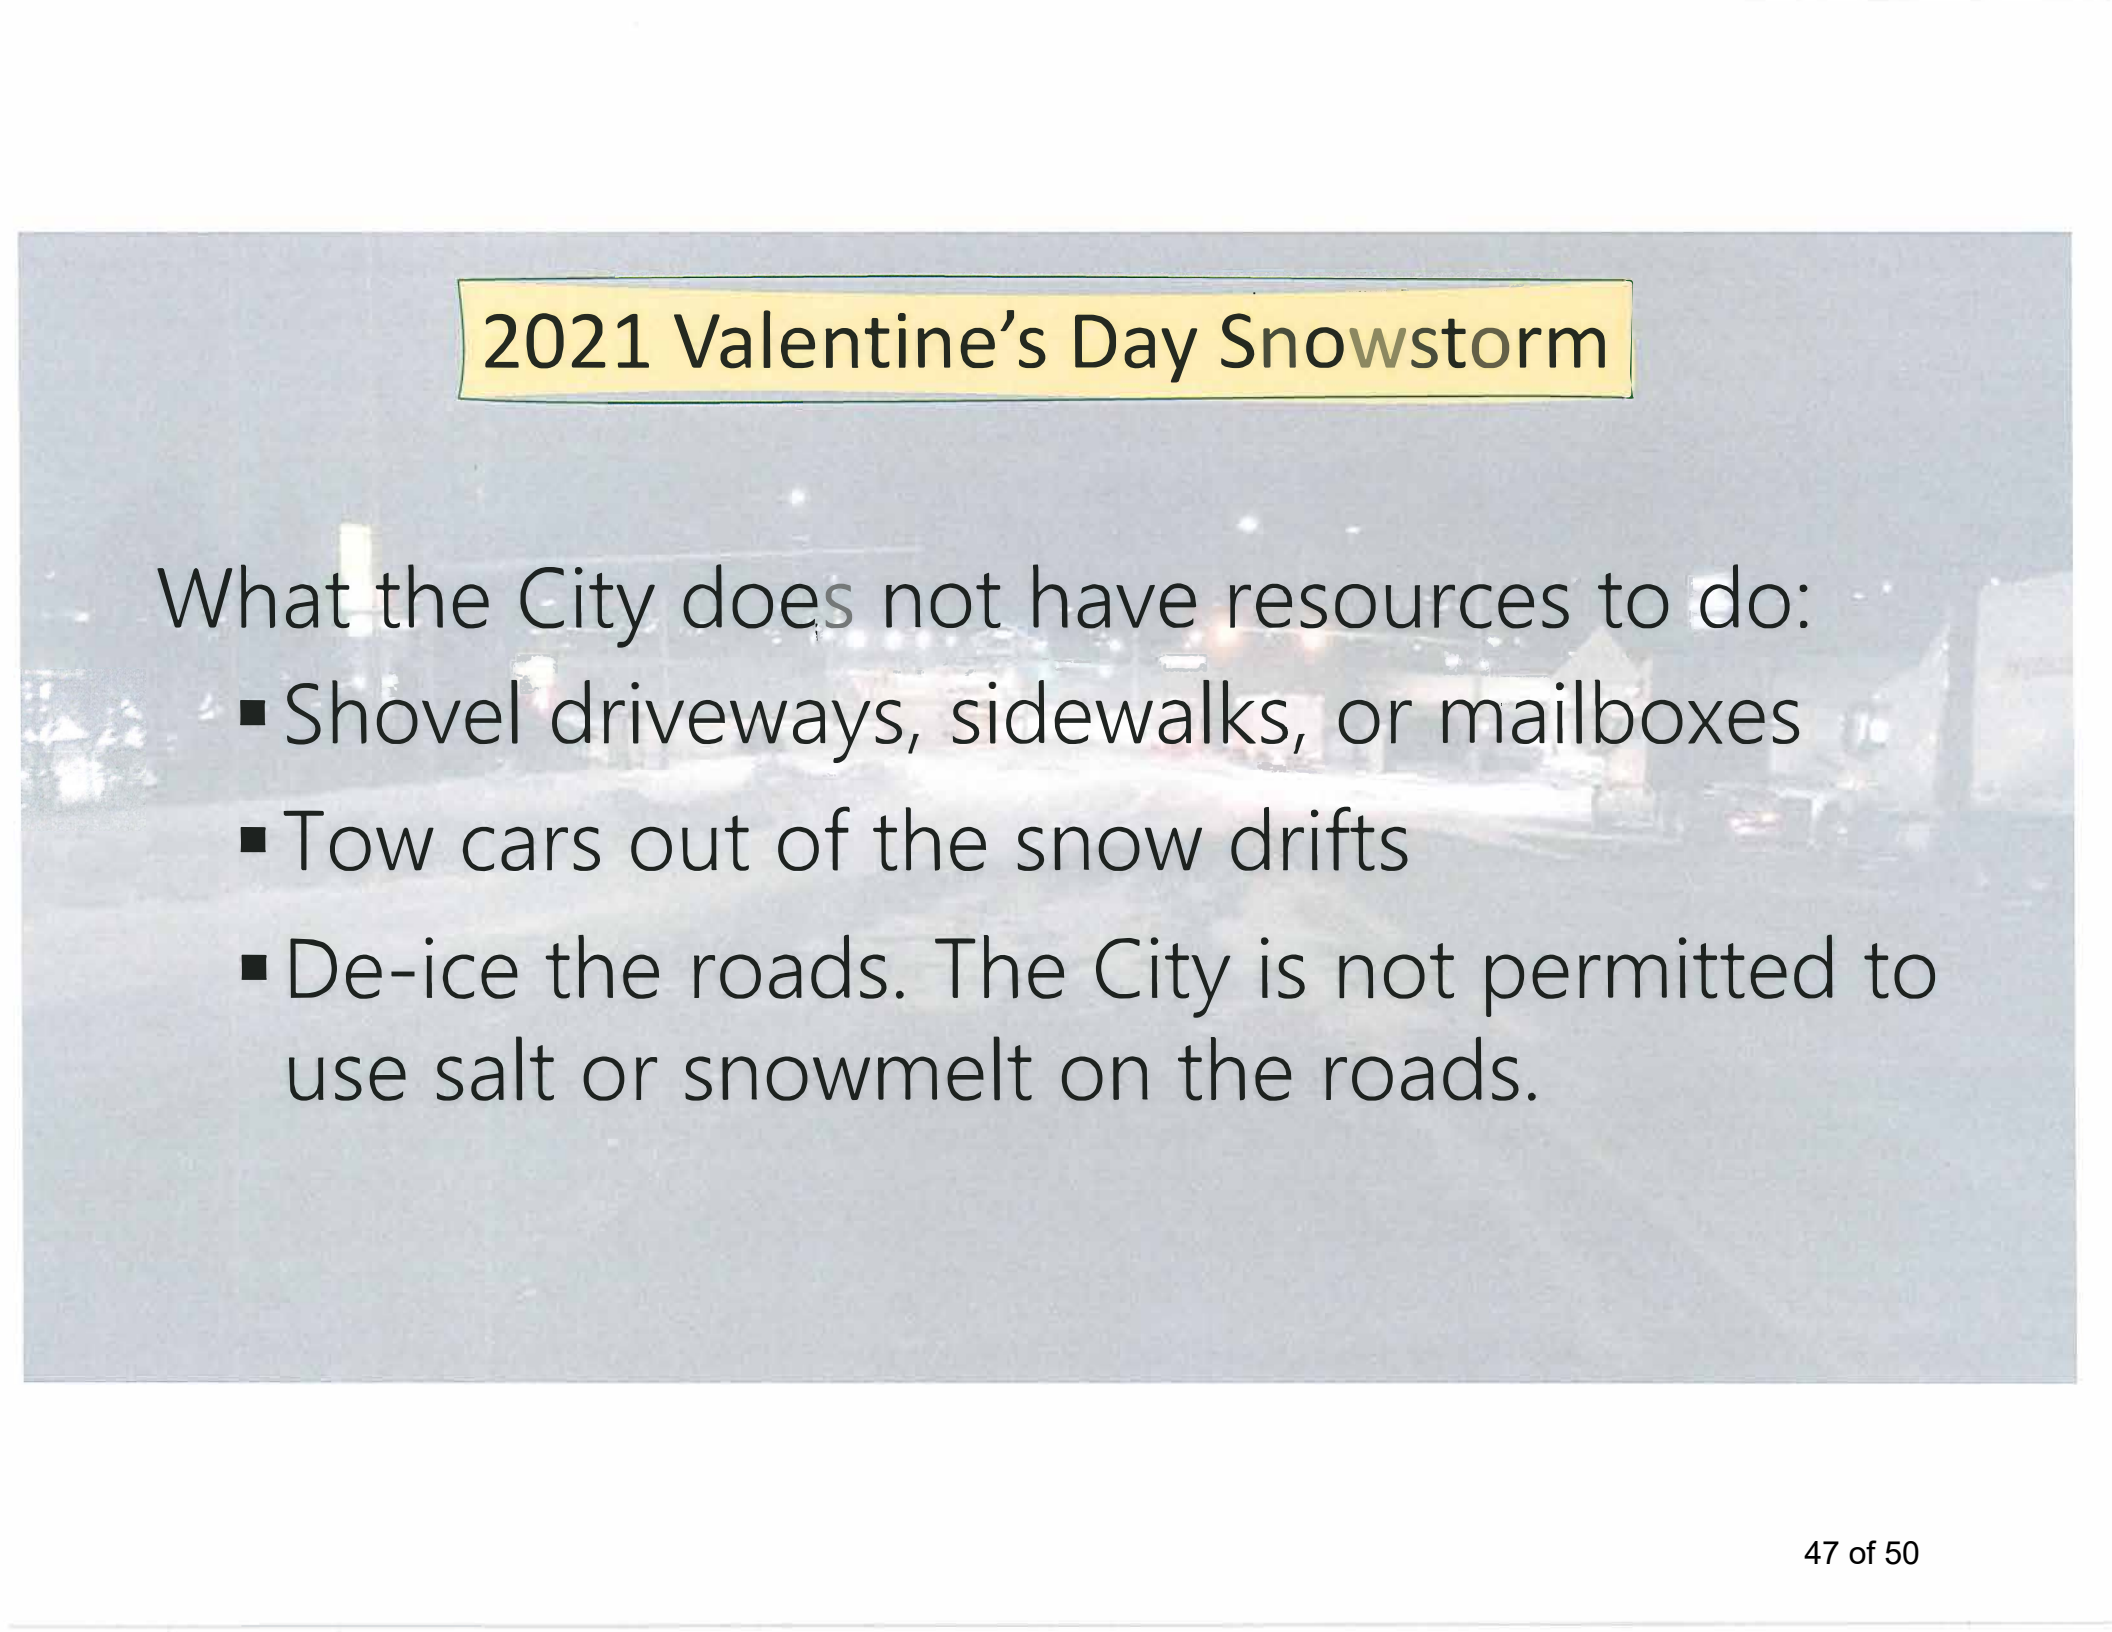

## 2021 Valentine's Day Snowstorm

### Parks/Facilities Department Responsibilities:

Clear snow and de-ice at:

- Sheriff Office and parking lot.
- City buildings and parking lots.
- De-icing at city offices and at some city shops.
- Assist the Streets Department as needed.

## 2021 Valentine's Day Snowstorm

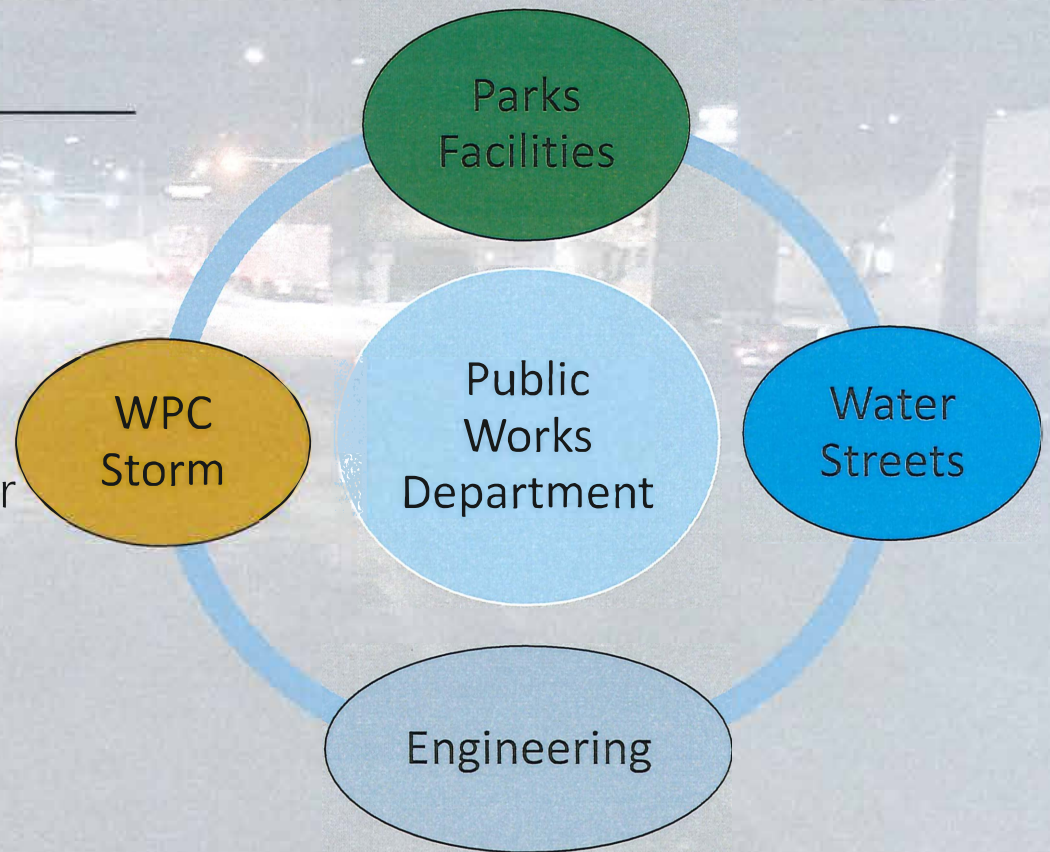

What the City does not have resources to do:

- Shovel driveways, sidewalks, or mailboxes
- Tow cars out of the snow drifts
- De-ice the roads. The City is not permitted to use salt or snowmelt on the roads.
