PRESS RELEASE

DATE: September 29, 2021

TOPIC: Downtown Stormwater Catch Basin Cleaning

CONTACT: City of The Dalles Public Works Department (541) 296-5401

FOR RELEASE: IMMEDIATELY

Starting Monday October 3, 2022 and lasting through Thursday October 6, 2022, The Dalles Public Works crews will be cleaning storm water catch basins in the Downtown Area. The purpose of this work is to protect property and the environment. Cleaning catch basins allows for fast drainage into the storm water conveyance system.

Crews are scheduled to work on First, Second, Third and Fourth Streets from the west side of Lincoln Street to the east side of Taylor Street.

Work will occur between 4:00 a.m. and 2:30 p.m. each night. The overnight schedule will cause the least disruption to traffic and businesses. We ask that you park so that the catch basins are accessible during the night work hours.

Temporary traffic controls will not be used during these low traffic hours. Please stay well clear of the vacuum truck when the truck lights are flashing.

Please proceed with caution around work areas. Thank you for your help with worker and citizen safety in work zones.

If you have questions, please call the Public Works office at (541) 296-5401
