Originating Dept: Finance & Admin

City Manager Approval

Subject: Transfer of Appropriations for FY 2021-22 Budget from contingency.

Recommended Motion:

Adopt Resolution 21-R-1213 transferring appropriations from the contingency of the General Fund, Streets Fund, Water Fund, Wastewater Fund and the 911 Fund for insurance costs.

Financial Impact:

There is no net impact to the 2021-22 budget; additional revenues equaled additional expenditures, expenditure increases netted against expenditure decreases.

Background /Discussion:

For fiscal year 2021-22 expenditures will be more than expected in the General Fund, Streets Fund, Water Fund, Wastewater Fund and 911 Fund due to property/liability insurance rates increasing over 20% more than anticipated.

Oregon local budget law allows municipalities to transfer from Contingency to other appropriations category, up to 15% of the total appropriations of the fund.

Transfer from contingency for increase in insurance costs, \$7,000 in the General Fund, \$2,000 in the Streets Fund, \$6,500 in the Water Fund, \$9,500 in the Wastewater Fund and \$500 in the 911 Fund, detailed by department in the resolution.

City Manager Approval

Subject: Transfer of appropriations for FY 2021-22 budget from carryover.

Recommended Motion:

Adopt Resolution 21-R-1214 approving appropriation transfers in the General Fund and Capital Projects Reserve Fund from carryover.

Financial Impact:

There is no net impact to the 2021-22 budget; additional revenues equaled additional expenditures.

Background /Discussion:

The carryover balance was higher than anticipated in the General Fund and Capital Projects Reserve Fund for fiscal year 2021-22, due to supply chain issues that delayed the fulfillment of orders of tables and chairs for the EOC and Council Chambers. In 2020-21 the City budgeted these purchases but was unable to complete the purchase.

Oregon local budget law allows municipalities to make transfers of appropriations through a resolution adopted by the governing body. Appropriation transfers are for the following funds:

General Fund

Non-Departmental - Make appropriations for purchase of tables and chairs for Council Chambers.

Capital Projects Reserve Fund

Capital- EOC Equipment - Make appropriations for the purchases of tables and chairs for the EOC.

WHEREAS, ORS 294.463 allows for a transfer of appropriation if authorized by the governing body; and

WHEREAS, the City budgeted for purchases of tables and chairs for the EOC and Council Chambers during fiscal year 2020-21, but due to unanticipated supply shortages, was unable to procure those items, and

WHEREAS, this resulted in the carryover balance being higher than anticipated in the General Fund and the Capital Projects Reserve Fund during fiscal year 2021-22, and

NOW, THEREFORE, BE IT RESOLVED THAT the City Council of the City of Brookings hereby authorizes a transfer of appropriation pursuant to ORS 294.463.
