

Environmental Quality Commission special meeting

Title V General Permit Rulemaking

Agenda item B, Action Item
April 24, 2020

Overview

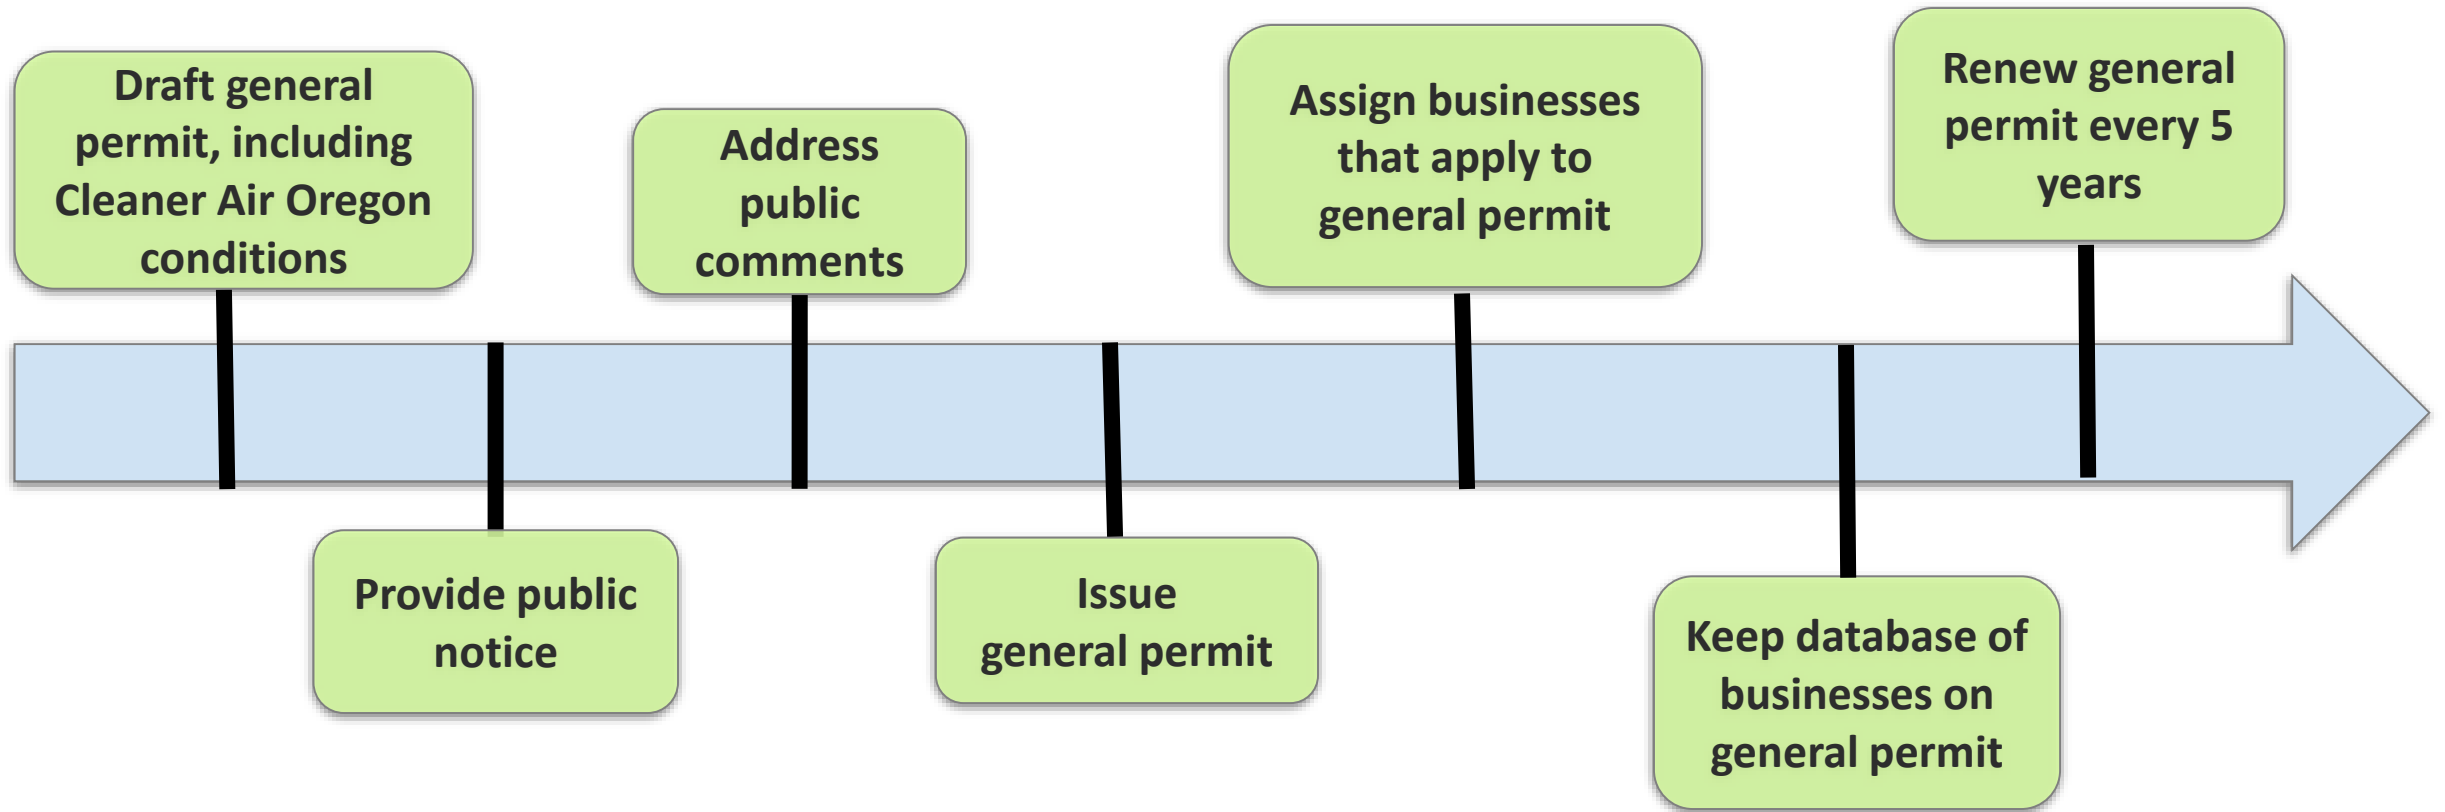

- Current rules only allow Title V General Permits for:
 - Major sources not subject to National Emission Standards for Hazardous Air Pollutants;
 - Numerous similar sources; and
 - Sources with good compliance history and no complaints.

What is a General Permit?

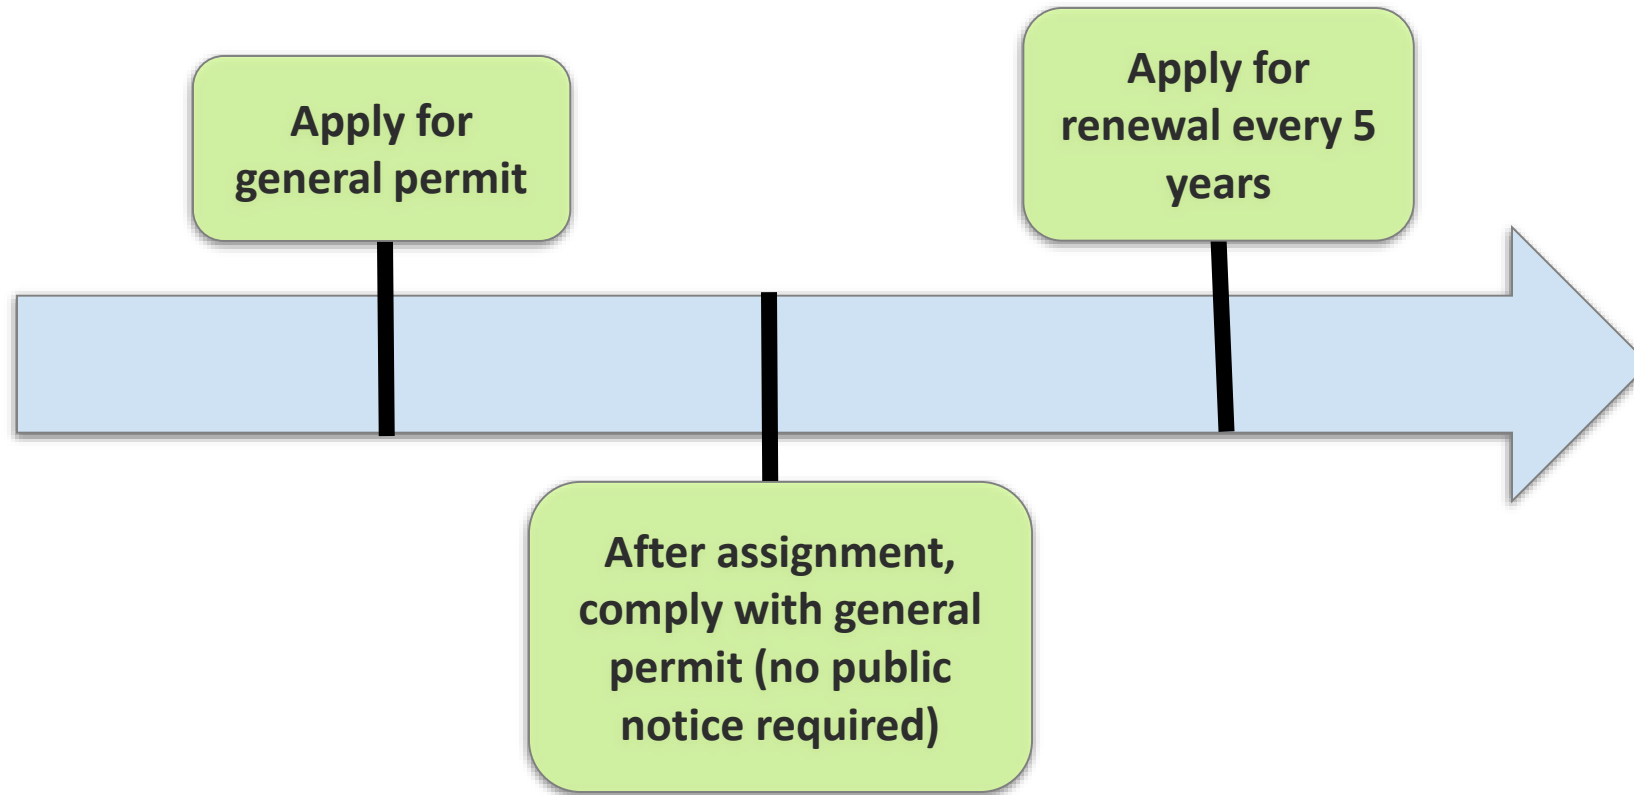

- General permits contain
 - Emissions and limitations;
 - Monitoring;
 - Recordkeeping;
 - Reporting; and
 - Other enforceable conditions

for all operations covered by the general permit

DEQ Process for TV General Permits

Business Process for General Permits

Proposal

- Proposed rules would allow Title V General Permits for:
 - Any source required to obtain a Title V permit;
 - Numerous similar sources; and
 - Sources with good compliance history and no complaints.

Anticipated Title V General Permittees

- Air Curtain Incinerators
