FISCAL YEAR 1995-96 BUDGET MESSAGE

As Interim City Manager, it is my duty and privilege to present the budget document of the City of The Dalles for the upcoming 1995-96 fiscal year. The document offers summaries which provide an overview of the overall budget, each major fund group, and of those funds with more than one department. The document also provides detail of line item expenditures within each fund and department. Please note that all of the information in this document is open for discussion, and myself as well as other staff are dedicated to answering any questions you may have.

With regard to the structure and format of the budget, the first section contains summaries of the entire budget from two perspectives. The next section provides a summary of property tax levies for the 1995-96 budget year, and outlines the interfund transfers and supporting detail of operating transfers to the General Fund. The third section schedules salaries for all regular full-time staff by fund and department. Finally, each fund has a summary section followed by line-item detail. All areas use standard account numbers for common expenditure items and follow the same presentation format.

The budget as presented to you here is balanced, in that each fund's total resources equal the total expenditures and other uses of funds (transfers and contingencies). Please note that in so balancing, some assumptions have been made. The first assumption, pending the results of the election, is that the Fire and Ambulance Departments are retained in the City's budget for 1995-96, and the serial levy is included assuming its approval by the voters in June. Both of these situations will change dramatically if the proposed annexation of the City into Wasco Rural Fire Protection District is approved by the voters of the City and the District. Other considerations in preparing the 1995-96 budget were Cost Of Living Allowances (COLA's) for exempt personnel, and treatment of the savings to the City resulting from Measure 8 and the City no longer picking up the 6% employee portion of retirement contribution. Neither of these issues were addressed in the document before you, and will require resolution after analysis and review by the budget committee.

The estimated beginning balance for the General Fund as shown in the document here is \$1,220,777. The increase in beginning balance over prior years is due to a number of factors, including increased tax collections over recent years, personal services savings during 1994-95 and careful maintenance of the budgeted contingency for the 1994-95 fiscal

year. The impact of Ballot Measure 5 in 1995-96, the fifth year under the measure, is expected to result in a loss of approximately \$52,000 (see page 6) as the City comes very near to falling out of compression. The increases in beginning balance and tax receipts combine with other factors to provide for a proposed contingency in the General Fund of \$841,573 for 1995-96. This amount may be affected by any of the issues addressed above.

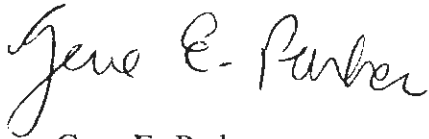

Other major highlights included in the budget are:

- New staff positions in the Police Department
 - 1 officer as result of the COPS grant program
 - 1 Watershed Patrol Officer, partially funded through a transfer from the Water Fund
 - 1 MINT team officer
 - 1 department secretary
- The proposed replacement of the City's municipal accounting software. Related expenditures are recorded in the Finance Department, with the portion attributable to the utilities funds reimbursed through an operating transfer to the General Fund. The General Fund portion of the package cost is proposed to be financed over a 5 year period.
- The Code Enforcement/Risk Management Department has been eliminated. The duties of that department have been redistributed across other departments and staff.
- Major capital outlay budgeted includes but is not limited to:
 - \$52,640 in computer equipment including the \$22,000 lease payment on the new IBM upgrade, and \$12,800 in the Fire and Ambulance Departments combined.
 - Vehicles and equipment as follows:
 - 2 new patrol vehicles and 1 vehicle setup in the Police Department (General Fund)
 - 3rd lease payment on fire engine (General Fund)
 - Lease payment on wheel loader (Street & Storm Sewer Fund)
 - Portable line striper (Street Fund)
 - Tractor mount brush head (Street Fund)
 - Four ton vibrator roller (Public Works Resv. Fund)
 - Truck mounted line striper (Public Works Resv. Fund)
 - Chlorinators, hoists and pumps (Water Treatment)
 - On line particle counting (Water Treatment)
 - Liftgates (Waste Water Fund)
 - Tank upgrade (Airport)

Several other items bear mentioning here. There is budgeted a \$41,000 transfer from the General Fund to the Airport Fund for removal and upgrade of underground storage tanks, and for balancing of the fund at the budgeted levels shown. There is \$42,880 budgeted match for grants in the General Fund during 1995-96, shown as transfers to the Special Grants Fund. The Council budget shows \$25,000 for animal control, previously paid from the Code Enforcement Department, and \$25,000 for community development assistance. These expenditures are budgeted under the Other Contractual Services line item.

This document represents the aggregation of requests from each department within the City, based on perceived needs and service levels. You as the members of the Budget Committee must weigh each of these requests individually and as a part of the overall picture, considering policy directions, mandates, Council goals and input from citizens and staff. We must adopt a budget that is balanced, accomplishes the goals of the Council, and meets the demands of the public.

Good luck to each of you as you address the issues of the City's budget, and I pledge my support, and that of staff, to you and to the process.

The following budget summaries detail the 1995-96 budget request by fund. The General Fund is stated separately, as are the Street and Storm Sewer Fund and the Tourism Promotion Fund. Other special revenue funds are shown in total as a group. All other funds are grouped by service and shown in total. Each summary states beginning balances, revenues and transfers in, coming down to total resources for each respective fund.

The first summary details General Fund expenditures by department, and categorizes expenditures for all other funds by type of service. The prior year's budget (1994-95) is shown for comparative purposes on this summary.

The second summary details expenditures for each fund by expenditure category, totaling across all funds. Again, the prior year's budget (1994-95) is shown for comparative purposes.

GENERAL FUND

The General Fund accounts for the financial operations of the City not accounted for in any other fund. Principal sources of revenue are property taxes, franchise fees, transient room taxes and state shared revenues. Expenditures are primarily for general government operations, public safety, and culture and recreation.

The following chart illustrates the fund's revenue levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

The following chart illustrates the fund's expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

General Fund resources consist of revenues and operating transfers from other funds. Primary revenues consist of property taxes which account for 53% of budgeted revenues in fiscal year 1995-96, franchise fees, revenue sharing and tax turnovers from the State of Oregon, court fines and forfeitures, and other miscellaneous receipts. Operating transfers from the Water and Waste Water Funds, the Street and Storm Sewer Fund and the Special Assessments Fund are made to the General Fund for administrative services provided, and for other specific purposes.

The following chart illustrates General Fund total resources for 1993-94 actuals, 1994-95 Adopted Budget and the 1995-96 Adopted Budget.

City of The Dalles, Oregon

C O U N C I L

Mission: Making Decisions in The Dalles for a Better City and a Better Future.

Composed of five voting members plus the Mayor, the City Council is the policy making body of The Dalles. Specific voter approved powers for the Council are contained in the City Charter while their own administrative and operational policies are adopted by ordinance or resolution.

Elected for two year terms by the entire electorate of the City are the Mayor, who does not vote except to break a tie, and the Councilor-at-Large.

Four Councilors are nominated by District and elected by the entire electorate of the City, as prescribed in the City Charter for four year terms. Each Councilor may vote on all issues before the Council.

The City Council has the responsibility of establishing policy to govern the affairs of the City, appointing the City Manager, adopting the annual budget and performing all other actions necessary to properly guide the government as representatives of the citizens of The Dalles.

The following chart illustrates the department's expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

Mission: To Help You Succeed!

The City Manager is the administrative head of the City. Most duties are outlined by the voter adopted City Charter. The City Manager's duties are almost entirely administrative and involve considerable interaction with City Council, citizens, commissions, other government agencies, and staff.

Department personnel include the manager and one departmental secretary. The departmental secretary functions as the City Manager's secretary, as well as coordinating communications with the Mayor and City Council members, and all appointed boards and commissions of the City.

The following chart illustrates the expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

Mission: Managing The City's Records

The City Clerk Department is responsible for all of the official City records and a City-wide records management program. The department is responsible for the preparation of all City Council agendas and minutes for meetings and work sessions, and miscellaneous meeting minutes. The City Clerk responds to requests for public records, issues licenses and permits, updates local improvement district (L.I.D.) project records, and other various tasks. Information regarding prior City Council action, resolutions, ordinances, bid documents, contracts, agreements and other various official actions of the City are retained by the Clerk's office.

Mission: To Provide A Variety Of Legal Services To City Council Members, Staff Members and Citizens Promptly and Efficiently.

The Legal & Judicial Department consists of the City Attorney's office and the Municipal Court. Staff include the City Attorney and Legal Secretary, and the Municipal Court Judge.

The City Attorney is appointed by the Council and represents the City in all actions, suits or proceedings in which the City of The Dalles is legally interested. The City Attorney is responsible for preparing and reviewing a wide variety of documents including contracts, deeds, resolutions and ordinances. The City Attorney attends City Council meetings and Planning Commission meetings and gives legal advice to staff members and City Council on questions concerning any matter in which the City is interested.

The Municipal Court, presided over by the Municipal Court Judge, has jurisdiction over all crimes and offenses punishable by ordinances of the City of The Dalles, and certain offenses provided for by Oregon law. The Municipal Judge is the judicial officer of the City and is appointed by the Council.

The following chart illustrates the expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

Mission: People at Work

The Personnel Department administers the City personnel programs in accordance with established rules, policies and procedures, and insures that all personnel transactions comply with applicable state and federal employment regulations. This includes interpretation of City rules, policies and procedures to supervisory officials and to City employees in connection with personnel transactions and departmental programs. Job classification studies are conducted for City positions to determine the appropriateness of allocations and the Personnel Department prepares class specifications for new job categories and makes recommendations to the City Manager for classification changes. The Personnel Director serves as the A.D.A. compliance person, and administers the retirement plan for the City. Recruitment, examinations and E.E.O.C. compliance are performed by the Personnel Department. The City's official personnel files are maintained in this department. The Personnel Director works under the direction of the City Manager.

Mission: Preparing For The Future

The Community and Economic Development Department is responsible for the development and implementation of current and long range management of the airport; coordination of the Columbia Gateway Urban Renewal Agency; implementation of the community vision; and other activities affecting the growth and development of the City. The department provides professional assistance to the City Council, Airport Commission, Planning Commission, Historical Landmarks Commission, and the Columbia Gateway Urban Renewal Agency. The staff assists these governing bodies in the development, maintenance and interpretation of the City's various ordinances. This department also holds primary responsibility for development and maintenance of the City's Comprehensive Plan. This plan is the primary document from which zoning, subdivision and other land use ordinances are developed and used by the City to guide development according to established policies.

The following chart illustrates the expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

Mission: Strive for Excellence

The Police Department is responsible for the public safety within the city limits of the City of The Dalles. Services include the protection of life and property, the detection and apprehension of offenders, enforcement of traffic laws and City ordinances. Non-enforcement programs include the Crime Prevention Program, Officer in the Schools, Block Homes, Neighborhood Watch, Law Enforcement Explorers, Police Chaplain, Police Reserves and a college practicum program. The Police Department works very closely with other law enforcement agencies in the area as well as the City Council and other City departments.

The following chart illustrates the expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

Mission: Picture Yourself Reading

The Dalles-Wasco County Public Library serves the residents of Wasco County as well as the residents of surrounding areas through reciprocal borrowing agreements. It is operated as a General Fund department of the City of The Dalles and is funded half by the City and half by Wasco County. The library serves as the only library for the Columbia Gorge Community College and provides assistance to other libraries in Wasco County. Services provided by the library each year include more than 100,000 loans of books, magazines, compact discs, videos, maps and various other media; reference assistance and instruction in library use; interlibrary loans and reserve requests; an outreach program serving the homebound and institutions; ESL (English as a Second Language) and literacy services; and children's storyhours and film programs.

The following chart illustrates the expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

Mission: To provide for adequate street systems that are traffic safe for pedestrians, bikers, and all motorized vehicles, and that meet the needs and requirements of the physically challenged. Seventy-two miles of streets, one hundred twenty miles of walkways...an extension of the Oregon Trail!

The Street and Storm Sewer Fund is a special fund established to provide for a range of services involved with the construction, maintenance and repair of the City's streets and storm sewer system. The fund was divided into two departments effective with the 1994-95 budget cycle. Those departments are the Street Operations Department and the Storm Sewer Operations Department. Principal expenditures are for street repair and construction, and construction and maintenance of the City's storm sewer system.

The following chart illustrates the fund's expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

**Mission: To Promote The Convention And Visitors Industry
And Encourage The Development Of Tourism In
The Dalles Area.**

This fund is funded principally through the City's transient room tax applied to lodging facilities within the City limits. These revenues fund tourist related general government services. This fund accounts for those programs, services and facilities which will enhance community and economic development through encouraging tourism.

The Tourism Department remains active for the 1995-96 budget year. The Oregon Trail Celebration was completed during the 1993-94 year and no activity is budgeted in the Oregon Trail Department for the 1995-96 year. Activity relating to the Transportation Center moved to the General Fund, City Hall Department effective with the 1994-95 budget. Information relating to the Oregon Trail and Transportation Center departments is shown in the Tourist Promotion Fund for historical purposes only.

The following chart illustrates the Tourism Department's expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

This special fund was established by City Council for the purpose of replacing or adding to the City's ambulance service facilities, including purchases of ambulances and accessories to new ambulances. Revenues to this fund are provided by operating transfers from the General Fund and interest earned.

This fund will be closed during the 1995-96 fiscal year with the purchase of a new ambulance which will then be turned over to Wasco Rural Fire Protection District in accordance with the annexation agreement between the District and the City.

The State Office Building Fund is established to account for monies received and expended for operations and repairs and maintenance of the State Office Building owned by the City. Separate departments are established for operations versus repairs and maintenance as the revenues attributed to repairs and maintenance are dedicated to that purpose. Revenues consist of a portion of the building's lease payments collected.

The following chart illustrates the expenditure levels of the fund for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

The ADA Project accounts for block grant expenditures assisting in bringing City Hall into compliance with the Americans with Disabilities Act. Budgeted expenditures include the addition of an elevator, addition of an at-grade entrance, remodeling of main floor restrooms to provide handicap accessibility, and miscellaneous related costs. This project was nearly completed during the 1994-95 year, with final completion scheduled during July of 1995.

The Water Distribution Department accounts for all activity relating to the supplying of water to citizens of The Dalles. Such expenditures include maintaining and operating the complex distribution network of mains and lines, as well as operating and maintaining the various wells as part of the overall distribution system. Effective with the 1994-95 budget year, separate departments are budgeted for water treatment and water distribution, prior to that, all expenditures were recorded to what is now the water distribution department.

The following chart illustrates the department's expenditures for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

This fund was established for the purpose of replacing or adding to the City's water supply, transmission and storage system and works. Revenues to the fund consist primarily of system development charges for connection of a new water service to the City's system, operating transfers from the Water Fund, and interest earnings.

The following chart illustrates the fund's capital expenditures for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.

The Sewer Special Reserve Fund accounts for improvements to the City sewer system. The following funds were combined into this fund: the Waste Water Treatment Reserve Fund, the Special Corps of Engineers Sewer Fund, and the Waste Water Collection Replacement Fund. The fund's resources consist primarily of operating transfers from the Waste Water Fund, systems development charges for new connections to the City's sewer system, and interest earnings.

The following chart illustrates the expenditure levels for 1993-94 actuals, 1994-95 Adopted Budget, and the 1995-96 Adopted Budget.
