Why do you want this position? (Continue on back or separate sheet if needed)

Newberg is home to my wife, myself, and our three sons; so naturally what happens in Newberg is of great importance to me. I watch as Newberg is rapidly over building its resources. we continue to build more and more apartments, houses, and gar with out any thought to our overcrowded schools, our sewer and water systems, and our roads. I do care, and I want to try and make a difference. I am not against growth, but growth with out expanding our resources is foolish.

I wish to become more involved in my community. I have been employed at Smurfit (Publisher's) for 25 years and have seen dynamic changes in Newberg over that time span. I believe I can contribute to assuring our future growth.

My qualifications are somewhat unusual since I am a blue-collar worker, but very involved in health care. Currently I am Chairman of the Wellness/Fitness program at Smurfit as well as Oregon State Representative for Workplace Health Promotion (A.W.H.P.). I also serve as a member of the Chehalis Park & Rec. District Budget Committee.

During the recent Community Health Care Project, I was selected to represent the business community. Also, as of Nov. 12th I will be named to the position of Special Projects Chair for Region V of the A.H.P. This covers the states of Oregon, Washington, Idaho, Montana and Alaska.

Hopefully these dual roles of worker and Health Care Advocate would make me a valuable member of the Commission.

Thank you for your time.
