For sidewalk closures a temporary pedestrian accessible route plan (TPARP) must be selected.

- View the TPARP advisory memorandum [here](#).
- View the TPARP options [here](#) and then select the type you will use.

Type of Closure:

- Street (TCP Required)
- Sidewalk (TPARP Required)
- City-Owned Parking Lot (TCP Required)
- Dumpster placed in the right-of-way
- Other (Describe below)

For sidewalk closures, select a type of Temporary Pedestrian Accessible Route Plan (TPARP):

- 1.a. Sidewalk diversion - Within roadway
- 1.b. Sidewalk diversion - Additional right-of-way
- 2. Sidewalk closure - Mid-block
- 3. Sidewalk closure - Corner

Please describe other type of right-of-way closure

Location(s) of closure

E21st and E 20th  
 Fairview St and E 20th

Reason for closure (e.g. event, construction, etc.)

Setting 2 utility Poles with a crane.

Please write the addresses or sections of sidewalk/street for the requested closure.

Please describe the project or event for the requested closure.

Closure begin date

Time

## Sidewalk/Street Closure Fees

Fee(s) must be paid in full before application will be processed.

1. Application Fee: \$10.00
2. Expedited Fee (when application is turned in less than 5 days prior to the event): \$25.00
3. Event Deployment Fee (on for profit events which require use of City signs and barricades that staff deliver to event): \$50.00  
A contractor work zone is not an event.

To pay by credit card, call the Public Works Department at (541) 296-5401.

To pay with a check or cash, mail or deliver to the City of The Dalles Public Works Department, 1215 West 1st Street, The Dalles, 97058 during business hours, weekdays 7:00 a.m. to 4:00 p.m.

## Required Attachments

The applicant may be required to email one or more items to complete this application:

1. For street closures, applicants must attach a written and drawn **traffic control plan** that shows the safe and efficient movement of public traffic through or around a work/closure zone while protecting workers, incident responders, and equipment. The traffic control plan will be reviewed per the [Oregon Temporary Traffic Control Handbook](#).
2. Applicants for street or City-owned parking lot closures for events or construction work must provide a **Certificate of General Liability Insurance** with a minimum of \$1,000,000 coverage, with stated purpose of on the Certificate for the event and listing The City of The Dalles, 313 Court St. The Dalles, OR 97058 as a co-insured. Insurance is in addition to acknowledgement of responsibility and cannot be cancelled without prior notice to the City.

View the City's policy for insurance requirements [here](#). Read The Dalles Municipal Code 2.24.060 [here](#).

## Acknowledgment of Applicant Responsibility

- I, the Applicant, agree to comply with the provisions of the City Charter, The Dalles Municipal Code (including TDMC 2.24.060), Resolutions, City policies connected with sidewalk and street closures, and with the requirements listed in this Application.
- I, the Applicant, agree to indemnify, defend, and hold harmless the City of The Dalles and its officers, agents, and employees, from and against all liability, loss, and costs (of whatever form or nature, including property damage, pedestrian accessibility, personal injury, and death) arising from or relating in any way to actions, suits, claims, or demands attributable in whole or in part to my (including my officers, agents, and employees) acts or omissions in the performance of activities connected with this Permit.
- I, the Applicant, certify I or the Responsible Party listed in this Application will notify adjacent property or business owners 72 hours prior to any closures authorized by this Permit.
- I, the Applicant, certify I or the Responsible Party listed in this Application shall remain on-site or be available for on-call emergencies for the duration of the Permitted event and closure.
- I, the Applicant, certify I or the Responsible Party listed in this Application will notify City Public Works Central Dispatch at the times of both closure and reopening by calling (541) 298-5507.

Failure of the applicant to meet the requirements of this permit, including following of the Traffic Control Plan and/or Temporary Pedestrian Accessible Route Plan, will result in a Stop Work Order and possible revocation of the permit.

***By clicking submit and pasting or typing your name/signature in the signature line, you confirm you have read, understood, and affirmatively agree to be bound by the terms and conditions described.***

**Within Roadway  
SIDEWALK DIVERSION**

- NOTES:**
- Place or construct temp. sidewalk ramp, as needed.
  - For roadways with a pre-construction posted speed of 40 mph or less.
  - See inset "A" for Temp. Sidewalk Ramp details.
  - "W" = 60", or, where 60" width cannot be maintained through the entire route, provide 48" min. width with 60" x 60" passing spaces every 200 ft.
  - Use temporary ADA compliant surfaces to cross planter strips or other non-traversable surfaces.

**Additional Right of Way  
SIDEWALK DIVERSION**

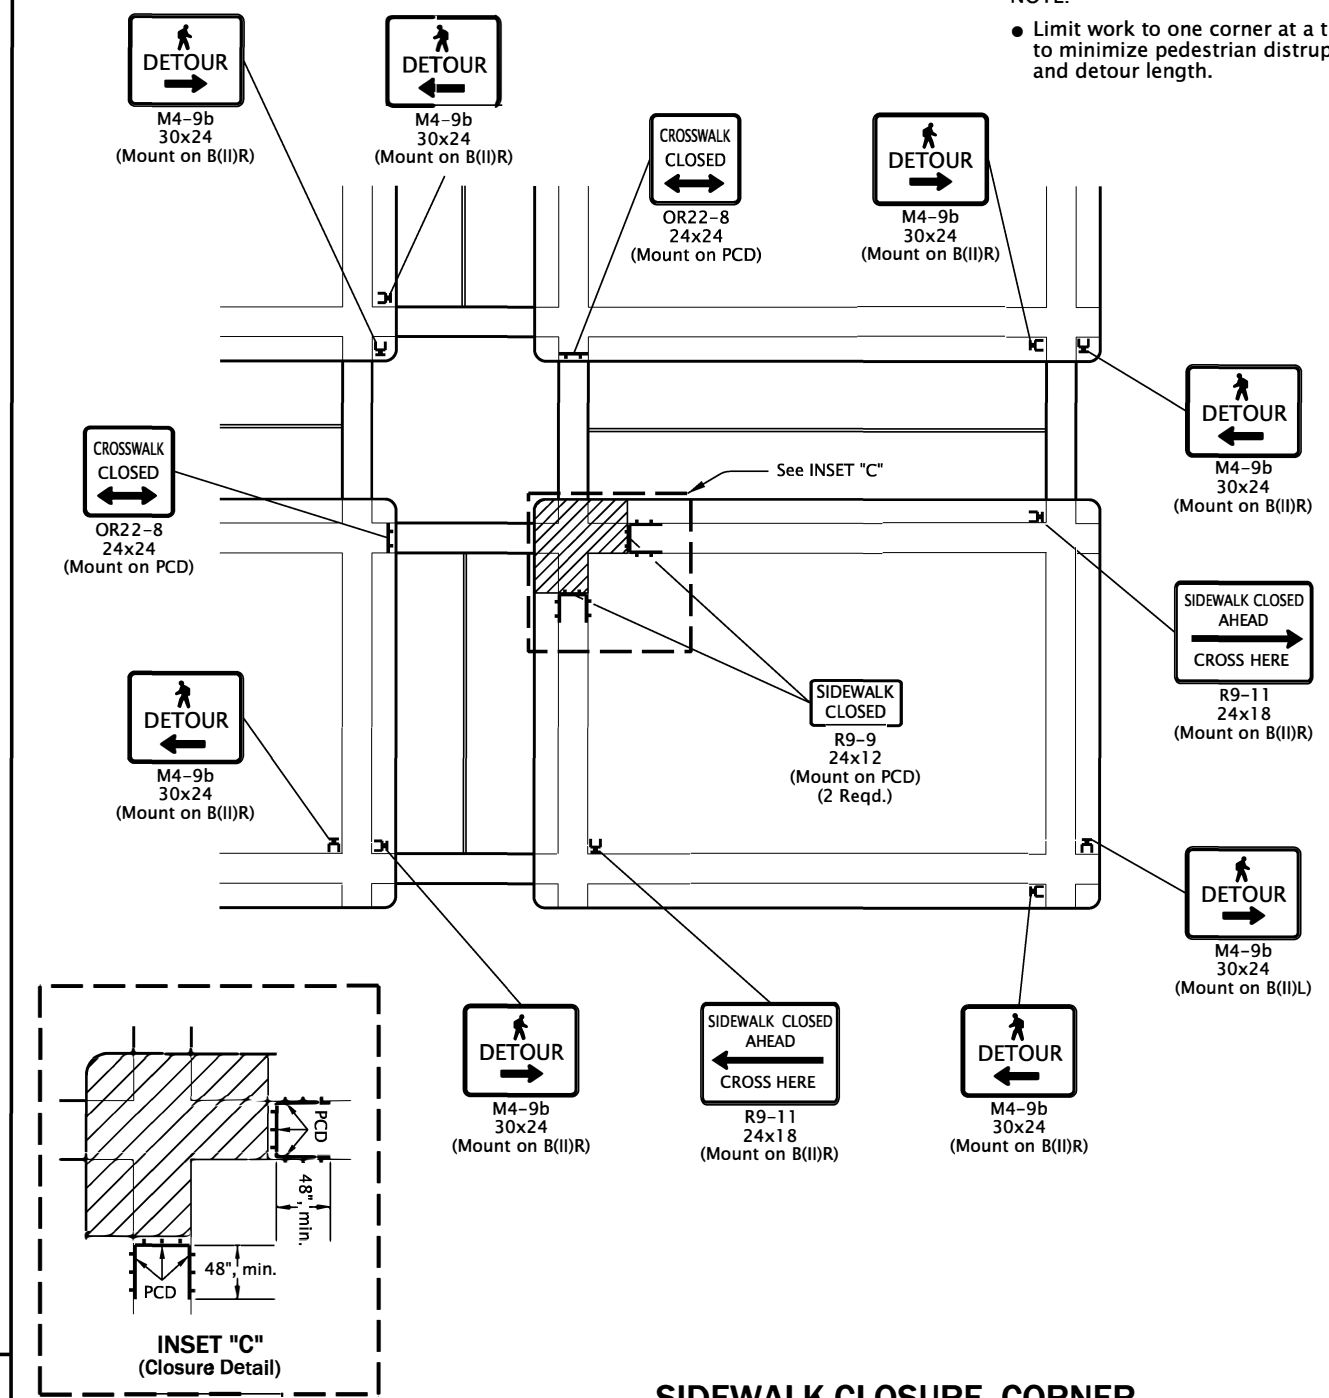

**SIDEWALK CLOSURE, MIDBLOCK**

**GENERAL NOTES FOR ALL DETAILS:**

- When closing or relocating crosswalks or other pedestrian facilities provide ADA compliant facilities. Include accessibility features consistent with existing pedestrian facilities by providing adequate slope transitions and surfacing.
- Provide non-slip, 60 inch minimum wide surface through entire pedestrian route. If not possible, provide 48" min. width with 60" x 60" passing spaces every 200 feet along the route.
- Only TCD for pedestrians are shown. Other devices may be necessary to control vehicular traffic.
- Stage work, as necessary, to provide a temporary pedestrian access route at all times. For roadways with no available detours, maintain one open sidewalk at all times.
- Minimize pedestrian out-of-direction travel.

- UNDER PEDESTRIAN TRAFFIC
- UNDER CONSTRUCTION
- PEDESTRIAN CHANNELIZING DEVICE (PCD)

**SIDEWALK CLOSURE, CORNER**

**NOTE:**

- Limit work to one corner at a time to minimize pedestrian disruption and detour length.

Steve-

Thank you for reaching out because we too value our opportunities to support each other in the servicing of our community. Unfortunately, this is also our busy time and we will not be able to fully accommodate your request. If needed, we can loan signs that might be needed to close streets, identify detour routes, and guide pedestrians to the extent that we have signs available; many of our signs are in use on our projects. We will not, however, have the resources to develop the needed traffic control plans, Temporary Pedestrian Accessible Route Plans (TPARPs), or deploy and pick-up the signs. As part of the permit process, we will be able to review and approve the plans as you submit them.

I hope this helps, and good luck with your project.

Hi Jean,

Thank you for the information below. I want to provide you with background on our submitted permit.

We have a contract with Yates Line Construction Company to provide a labor crew with very limited equipment as a second crew to assist us in rebuilding aged assets throughout our territory. We pay Yates based on submitted time sheets and fixed equipment costs. They work under the Districts leadership and supervision on projects assigned to them like our own internal crew. Yates has full access to our equipment and staff to accomplish the issued projects. Yates is not a contract crew hired to perform a bided project where we would require them to provide all equipment, sub-contractors, permits or flagging support needed to complete the project. This is the same type of contract we have with Trees inc for our vegetation management program.

The permit submitted to you is created by the District for District work, performed by the District.

We have always appreciated the support from the City in providing the barricades and signage because we were assured to receive the correct equipment required for the approved project and in very good condition.

If there is something I have missed, or I'm misunderstanding your position, please let me know.

Thank you,  
Steve

**[EXTERNAL]** This message originates from outside of the PUD.

---

Hello Jeff,

Per our conversation on the phone some additional information regarding the permits.

1. Public Works is not able to provide any barricades and or signage, it is the contractor's responsibility to provide all traffic control and signage.
2. A Certificate of Liability Insurance will need to be provided to us either by PUD or the contractor that will be working in the City's Right of Way.
3. There is an Application Fee of \$10 **per** application. We can take credit card payments over the phone or we also except cash and check.

Once I receive the COI and payment I will be able to process the permits.

Please let me know if you have any questions.

Thank you,

*Jean Corbin*

Hello,

Northern Wasco County PUD is having a contractor replace aging utility poles and conductor. This project is requiring the use of a crane. We will need to close a street and sidewalk 3 different partial days for us to crane the new poles into residents' backyards. I have included a map and application for each day.

We are requesting the city Road Department to assist us with the street closures by providing the barricades and signage. We also would request the support from the Road Department to install and remove the barricades in the road and installing the signage.

We also need to have on street parking on the southside of each street closed I did not see any place on the application for that. We would also ask for help in signage and barricades for the no parking.

Thank you,
