CITY OF NEWBERG

NEWBERG, OREGON

January 3, 1956

Mr. Harry Beaty
Chairman Fire committee

Fire department report for December 1955

The Fire department answered eight alarms in December, three city and five rural. The estimated loss in the city was three hundred dollars, rural No. 1 three thousand dollars and rural No. 2 no loss. the deparment laid four hundred feet of one and one half hose, eight hundred feet of booster hose, ninety six feet of ladder in December. Thirteen inspections were made and seventeen hazards were removed. A total of eighty seven men answered alarms and spent eighty eight hours fighting fire in December.

For the December drill we were fortunate enough to secure Carl M. Lowe safety engineer for the Western Oil and Gas Association, the demonstration and film was on safety in handling gasoline. We had thirty guests for the evening.

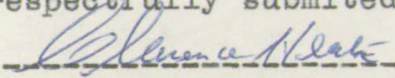

Activities of the department for the month include sacking nine hundred sack of candy. The annual Christmas party for the children at the high school and repairing and distributing toys for nearly two hundred children .

The forced air hose dryer has been installed, we can now dry hose in six to eight hours.

The building owned by Larry Molineux at 608 E. First St. is in unsafe condition, the electric wiring is very bad and the basement is filled with inflammable materials. He has been notified to correct these condition by Feb. 1st. 1956.

Forty men on the roll of the department Jan. 1st.

respectfully submitted Jan. 3,

Clarence Heater Fire Marshal

7-B
January 15, 1956.

CITY OF NEWBERG

NEWBERG, OREGON

Fire department report for January 1956
Feb. 6, 1956

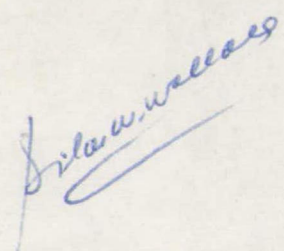

Mr. Harry Beaty
Chairman Fire Committee

The fire department answered nine alarms in January, six city and three rural. The estimated loss for the city was one hundred fifty dollars, for the rural districts two hundred dollars. A total of one hundred sixty nine men answered alarms and spent one hundred and ten and one half hours fighting fire. One drill in January with thirty three men in attendance. Thirty two inspections were made fifteen hazards were removed, seven hazards are pending. On Jan. 3rd call to Shell oil plant, Gasoline spill of three to five hundred gallons. The gasoline was washed out of the plant into Chehalem creek with fire hoses.

Forty men on department roll Feb. 1st.

Mr. Larry Molineux owner of Larry's Dime store 608 E. First St. has refused to cooperate with the fire marshal in repairing the wiring and cleaning the basement of combustible materials. This condition has existed since August 1955. As he has been warned of this condition repeatedly, I am notifying the Bureau of Labor of the electrical hazard, and will handle the other part as provided by ordinance II58.

Clarence Heater
Fire Marshal

7-F

2/7/56

Feb. 7, 1956

Mr. Larry Molineux
608 E. first St.
Newberg Oregon

Dear Sir;

On August 31st 1955 I first inspected your building at 608 E. first St. and have checked it several times since. You have ignored my warnings, the building is nearly as bad as it was in August,

Ordinance II58 Section 15 provides in part that the Fire Marshal shall notify the owner in writing, to correct the fire hazard within five days, in the event the owner shall fail to correct such conditions, then the Fire Marshal shall prepare and file in the Municipal court of the City of Newberg a sworn complaint. Please correct these conditions as we do not want to have to act on this ordinance.

Orders

1. Give basement area a general house cleaning and remove all excess combustible material.
2. Repile all lumber in tight piles away from furnace.

Compliance Date Feb. 13, 1956

Clarence Heater

CITY OF NEWBERG

NEWBERG, OREGON

March 5, 1956

Fire department report for February

Mr. Harry Beaty
Chairman Fire Committee

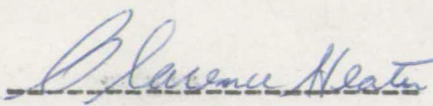

The fire department answered six alarms in February, three in city, two rural and extended mutual aid once to Dundee when the siren at Dundee refused to start. City loss estimated at two hundred dollars, with property involved at thirty five thousand dollars. Rural loss at three hundred, with property involved thirty thousand five hundred. All fires were controled with booster lines or pump cans.

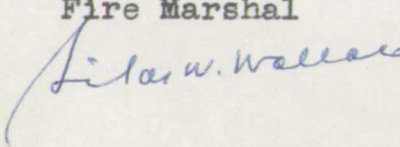

Fourty five inspections were made in February with six hazards removed. During the time the gas was off all of the buiness houses as well as the hospital and rest homes were inspected, and some help extended where necessary, In some cases extra electric heaters, gasoline stoves, propane tanks E.C.T. were allowed to be used in the emergency. We left some fire extinguishers in places where we felt they might be needed. We feel that we are extremely fortunate that no fires resulted from this cause.

On February 24, Newberg department was host to the Polk Yamhill firemens association, with about fourty three guests for the evening. Mr. Harry Beaty represented the city in giving the address of welcome. The program was furnished by the Salem fire dept. Capt. Reinke gave a lecture on inspection and priefire fighting.

A total of one hundred twenty three men spent eighty eight and one half hours fighting fire last month. One drill was held with thirty two men in attendance.

Capt. Robb is instructing First Aid class, this class will last for eleven weeks. Six men from the fire dept. and two from the police dept in attendance.

Fire Department Report for March 1956

Mr. Harry Beaty

Chairman Fire Committee

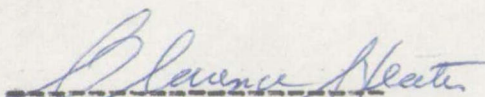

The Fire department answered two alarms in March one city and one in Rural # I . Two calls were handled by the fire Marshal one at Rex and one in City.No fire loss this month.

Thirty one inspections were made in March, with nine hazards removed. The State fire Marshals help was secured to try to eliminate the hazard just out of the city limits on Illonios St. where Mr. P.P. Payne has the junk yard. This hazard must be removed in sixty days.

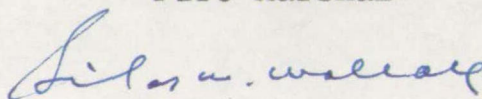

The motor in truck No. 7 was found to be cracked and a new motor was installed in the fire department shop.

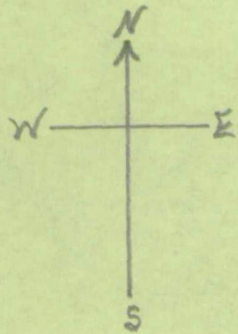

One drill was held in March with thirty one men in attendance. Thirty seven men spent thirty one hours fighting fire in March.

Monday evening March 26th. a County wide meeting of Fire dept.Chiefs was held in McMinnville to complete plan for Civil Defense, and to formulate plan for a County wide residential numbering system. Wallace, Carlisle and Heater attended from Newberg.

Fire department report for April 1956

Mr. Harry Beaty
Chairman Fire Committee

The fire department answered five alarms in April, three city and two rural. Value of property involved in fire \$24050.00 loss \$850.00. Fifteen hundred Ft. of hose laid in April. Eighty six men answered alarms and spent fifty three and one half hours fighting fire. One drill in April with twenty five men present.

Sixty five inspections were made last month with eighty four hazards removed. One hundred fourty nine fire permits issued. The department has sent equipment to stand by, to assist people in burning in several cases where it was hazardous, to burn with out protection.

May 14, the department starts the summer drill program. We will drill two times a month for five months. Through the assistance of the state vocational education department we have secured the services of Battalion chief Peter Leinweber and Capt. Al Olivero of the Portland fire department, to conduct the drills for us. We expect to increase the department to fourty five men before these drills start.

Fourty men on department roll May first

INVITATION TO BIDS

NOTICE IS HEREBY GIVEN that the Council of the City of Newberg, Yamhill County, Oregon, at a regular meeting to be held on Monday, June 4, 1956, at 7:30 o'clock p.m. Pacific Standard Time, in the Council Chambers in the City Hall of said City, will receive and consider bids for furnishing the City with one police automobile for the use of the Police Department of said City. Specifications for said vehicle and said bid are as follows:

1 - 1956 Model tudor sedan automobile for the use of the Police Department of the City of Newberg, Oregon. Vehicle must have V-8 type motor and automatic transmission with a minimum horsepower of 205. Vehicle must be equipped with a good quality heater satisfactory to the Chief of Police of said City. Vehicle color must be light blue and wheel base at least 115 inches. The City of Newberg will trade in the present police automobile to the successful bidder and the value thereof shall be applied on the purchase price of the new vehicle. Bidder must state the value at which he will accept the present police automobile. The new police automobile shall be furnished with standard equipment except as herein specified. Delivery shall be made at Newberg and bidder shall specify approximate delivery date. Payment will be made by the City in July, 1956. New vehicle must be equipped with tubeless, puncture-proof tires and spare, satisfactory to the Chief of Police. Vehicle must have a 12 volt system with a 40 ampere low out-put generator. The new vehicle must be equipped with oil filter, front seat arm rests and Vinyl-type, plain-texture front seat cover. New vehicle must have turn signals, windshield washers, and heavy duty springs. Bidder will be required to transfer the siren from the present police automobile and install same in the new vehicle. Before the present police automobile is traded in, all radio and other police equipment including, but not confined to, the siren, will be removed and will not go with the vehicle. Radio will be removed by the Police Department.

All bids must be in writing and must be filed with said Recorder on or before 7:30 o'clock p.m. Pacific Standard Time on Monday, June 4, 1956. Bids will be opened and considered by the Council at said regular meeting to be held immediately thereafter. The City of Newberg reserves the right to postpone making the award for a reasonable length of time and to reject any and all bids and to accept the proposal deemed best for the City.

Re: Cemeteries

Gentlemen:

Pursuant to the instructions of the Council, I have examined the statutes of this state relative to municipal cemeteries. I find that the matter is covered by O.R.S. 226.410 through 226.480. Subsequent sections provide for the acquisition and removal of abandoned cemeteries and the sale of the ground, but I do not believe these sections are in point relative to the question presented.

The first sections permit any incorporated city to acquire, own, maintain and operate cemeteries, either inside or outside the corporate limits, O.R. S. 226.410.

The next section seems to be more restricted, O.R.S. 226.420, and permits the acquisition by a city of any ground belonging to any cemetery association situate within the corporate limits for the purpose of operating a cemetery.

Later sections permit a city to operate a cemetery, exclusively, and sell lots and expend funds for beautifying, caring for and keeping up the cemetery and for the inclusion of such expenditures in the annual budget.

On checking the legislative history of the sections, it appears that 226.410 is the newer of the two, having been enacted in 1945, whereas 226.420 and subsequent sections were covered by the 1915 laws. There are no decisions of the Supreme Court relative to any of these sections shown by the annotations to the Code. It is my opinion, first, that the legislature should reconcile 226.410 and 226.420 by allowing such acquisition inside or outside the city. As matters stand now, the section requiring the property to be inside the city, being the older section, and being a part of the same chapter with the later sections allowing sale of lots, etc., seems to be inconsistent with the power to acquire cemeteries outside the city and then maintain them. I believe the matter should be called to the attention of the legislature for correction.

Page 2

Honorable Mayor and City Council

May 9, 1956

of this point and, of course, the present annexation program might well result in including within the City limits the area with which the Women's Relief Corp is concerned.

Yours very truly,

HERBERT SWIFT
City Attorney

June 4, 1956

Fire dept. report for May 1956

Mr Harry Beaty
Chairman Fire committee.

The Fire dept. answered five alarms in May, three city and two rural. Estimated loss for city \$25.00 rural \$300.00. Seven hundred ft. of booster hose was laid last month. One hundred and eight men answered alarms and spent seventy nine hours fighting fire in May. The fire dept. held two drills in May a total of sixty one men attended.

Thirty eight inspections were made last month with twenty three hazards removed, three city lots were burned of berry bushes and grass. Five property owners were ordered to clean vacant lots four are cleaned or in the process of being cleaned. One hundred and twenty eight fire permits issued in May. Fourty three men on dept. roll June 1st.

The city hall has some wiring that is very dangerous, at least one circuit is overloaded to the extent that 30 amp. fuses will not hold and the wire is hot to the touch. I consider this an emergency and should be repaired at once. The upstairs of the building should have a emergency exit or fire escape. We have many people up in the chamber of commerce rooms some times. This is a violation of the State fire code. I think that the building committee should give serious consideration to this matter, but the wiring should be repaired immediately

The department will send one man to the Chiefs convention at Seaside June 10 to 13th.

INVITATION TO BIDS

NOTICE IS HEREBY GIVEN that the Council of the City of Newberg, Yamhill County, Oregon, at a regular meeting to be held on Monday, July 2, 1956, at 7:30 o'clock p.m. Pacific Standard Time, in the Council Chambers in the City Hall of said City, will receive and consider bids for furnishing the City with one power-driven street sweeper. Specifications for said vehicle and said bid are as follows:

1 - automotive street sweeper, to be a standard production model with single gutter broom, self-propelled, gasoline motor-driven, three-wheel type, with steering on a single rear wheel, turning radius of 14 feet and sweeping swath of 7 feet 6 inches. Engine to be industrial type of ample horsepower capacity. Steering to be by hydraulic power, operating from main pump and effective at engine idling speeds.

Brooms to be as follows: Gutter broom to be digger type, 45-inch diameter, adjustable in the field for pressure, wear and gutter angle, with free floating suspension. Gutter broom to be mounted ahead of front wheel. Pickup broom to be 36-inch diameter, adjustable for pressure and wear. One extra pickup broom and segments to make up one extra gutter broom shall be furnished with the machine.

Elevator to be of approved design to carry sweepings from pickup broom to full capacity of hopper, which is to have full 3 cubic yard capacity. Elevator shall have two operating speeds, shall be reversible in direction, and shall operate independently of the motion of the sweeper.

Water system shall furnish water under pressure from tank of at least 170 gallon capacity, to brass spray nozzles in front of sweeper along entire swath.

Transmission shall provide at least four speeds forward and one in reverse, with a sweeping range as low as two miles per hour and a travel speed of at least 20 miles per hour.

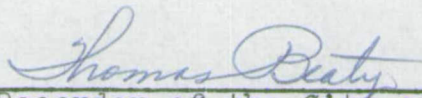

The hopper shall be all steel and provided with hydraulic controls operable from the driver's seat which will assure quick opening and dump of full load in such a way that sweeper will not have to pass over spilled load.

Electrical system shall include heavy duty battery and generator with lights in conformity with Oregon State Code, and spotlights for gutter broom operation.

Wheels shall be 15-inch single unit, disc, interchangeable and demountable. Tires shall be truck type, 10:00x15-14 ply.

Bidder shall accept the present City sweeper as a trade-in on the purchase price of the new sweeper and shall specify the amount at which such old sweeper will be accepted.

All bids must be in writing and must be filed with said Recorder on or before 7:30 o'clock p.m., Pacific Standard Time, on Monday, July 2, 1956. Bids will be opened and considered by the Council at said regular meeting to be held immediately thereafter. The City of Newberg reserves the right to postpone making the award for a reasonable length of time and to reject any and all bids and to accept the proposal deemed best for the City.

July 2, 1956
Fire department report for June 1956

Mr. Harry Beaty
Chairman Fire Committee

The Fire department answered four alarms in June, One city and three rural. No loss for city and an estimated twelve hundred dollar loss for rural. The department laid two hundred ft. of one and one half hose eight hundred and fifty ft of booster hose and raised fourty eight ft. of ladder in June. Eighty men answered alarms and spent sixty one and one half hours fighting fire last month. Two drills were held with sixty nine men in attendance. Fourty three men on department roll July first. Fourty seven inspections were made in June with twelve hazards removed. One hundred and sixty one fire permits issued last month.

Mr. Heater attended the Chiefs convention at Seaside on June II, I3, I3, the lectures and demonstrations were very instructive many new ideas are secured at these meetings,

The city hall wiring has been repaired. I want to thank the members of the council for the prompt action in taking care of this hazard.

Mr. P.P. Payne who owns the junk yard on west Illonios St. has refused to clean up the building and grounds. Last Thursday this matter was presented to the district Attorney and a warrant was issued for his arrest. This spot has long been a eyesore and hazard to the city and we hope that this will be cleaned up in the near future.

NEWBERG, OREGON

Aug. 6, 1956

Fire department report for July

Mr. Harry Beaty
Chairman fire committee

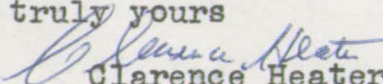

The Fire department answered thirteen alarms in July, four city, five rural No. 1 and four rural No. 2. The dept. laid 200 ft. of 2 1/2 inch hose 1800 ft. 1 1/2 inch hose and 2450 ft. booster hose, 96 ft. ladder was hoisted, 51 inspections were made with 37 hazards removed. 11 fire permits issued. A total of 222 firemen answered alarms and spent 165 hours fighting fire last month. Estimated value of property involved in fire in July \$46200.00 estimated loss \$6850.00. Two drills were held last month with 58 men in attendance. forty one men on dept. roll Aug. First.

On July 17th Fred Emmerly of San Lorenzo California lost his life by drowning in Scookum lake, the dept. was called at 1:30 P.M. Body recovered at 2:50.

The Fire dept. panel truck was used as emergency ambulance to transport people to the school house during the C.D. practice July 19th. Mr. Heater attended the Governors conference on fire prevention at Salem July 24th. Chief Wallace and Heater were guests of the Portland gas and coke Co. in Salem on Wed. evening for a safety meeting on natural gas.

The fire marshal has been able to get many vacant lots cleaned up, but it is impossible to contact all owners and some of the worst hazards are in these lots. Would it be possible to contact the League of Oregon Cities and get some information on how other cities handle this problem?

CITY OF NEWBERG

NEWBERG, OREGON

Fire Department

October I, 1956

Mr. Harry Beaty
Chairman Fire Committee

Fire Department report for September 1956

The department answered two alarms in the city last month with a fire loss of \$300.00 District #1 two calls both smoking furnaces and were handled by the fire marshal. District #2 one fire of mysterious circumstances. No alarm was turned, in the house was a total loss. The report of my investigation has been turned over to the State police. Forty three building inspections were made last month with eighteen hazards removed. one hundred and eleven fire permits issued in September.

The department held two drills in September with a total of seventy men in attendance. One of the drills was burning of the house on E. 8th St. the men recieved instruction under actual fire conditions. The drill on Mon. Sept. 24th was salvage this completes the 20 hour course of the State vocational training. The deparment will only drill once a month for the winter months. Fourty three men on dept. roll Oct. 1st.

On WEd. evening Oct. 10th 7:30 oclock in the fire station the engineer from the West coast telephone Co. will hold a meeting with the fire dept. officials on what we can expect when the phones go to dial. May I take this opportunity to invite all members of the council to attend, but especially members of the police and fire committee as this problem will effect next year budget.

CITY OF NEWBERG

NEWBERG, OREGON

Nov. 5, 1956

Fire Dept. report

Mr. Harry Beaty

Chairman fire committee

The fire department answered six alarms in October. Three city and three rural. 4300 Ft. 2½ inch hose, 1200 Ft. 1½ inch hose and 900 Ft. booster hose laid in October with 232 Ft. ladder hoisted. A total of 128 men answered alarms and spent 257 hours fighting fire. Estimated value of property involved in fire last month \$113000.00 with loss of \$60825.00

On Oct. 7th at 2:30 A.M. the dryer at Springbrook packing Co. was destroyed by fire, by the time the fire was discovered it was impossible to save this building, but we were able to confine the loss to one building. On October 27th 8:45 A.M. Dr. Silvers office was damaged by fire started by a wall heater. This fire was controlled by the firemen in a very efficient manner, keeping the water damage to a minimum and confining the fire to one room. It is most gratifying to the officers of the department to see how the efficiency of the fire department has increased over the past year of intense drilling on fire fighting.

27 inspections were made last month with 28 hazards removed. 23 fire permits issued. 43 men on dept. roll Nov. 1st.

A meeting with officials of the West coast telephone Co. was held to discuss problems of dial telephones that we will have in the police and fire departments next July when the local telephone operators will no longer be available to handle the emergency calls.

300 Ft. of 2½ inch hose and 150 Ft. 1½ inch hose have been purchased by the department, by securing bids we were able to save .30¢ per. Ft. on the price of hose.

October 7th to 14th National fire prevention week was observed in Newberg with the help of insurance Company material furnished to schools, with window displays and speakers at service club meetings.

CITY OF NEWBERG

NEWBERG, OREGON

Dec. 3, 1956
Fire dept. report

Mr. Harry Beaty
Chairman fire committee

Eleven fire alarms were answered in November, six city and five rural. One call to help the Tualatin department with fire in truck loaded with hay on highway 99 in Washington county. The department laid 1800 hundred feet of hose and raised 228 feet of ladder fighting fire last month. A total of 220 men answered alarms and spent 174½ hours fighting fire. One drill was held with 35 men in attendance. Estimated value of property involved in fire last month \$69000.00 with loss of \$1100.00 36 inspections were made with 16 fire hazards removed, 25 fire permits issued. Truck No. 7 will be out of service for three days in the paint shop on Dec. 5th to 8th.

The department want to thank Mr. Probasco and his men for the help and cooperation extended to us on the turkey carnival held at the city barn Nov. 15th and 17th.

After much persuasion have succeeded in getting Mr. arthur Freese to remove the balance of the material from the lot on 2nd St. I would recommend that in the future any houses that are wrecked for the city, any person wrecking them should have to deposit with the city recorder at least \$25.00 performance bond and that the completion date be not over 30 days

Clarence Heater
Fire Marshal

AFFIDAVIT OF POSTING

STATE OF OREGON)
COUNTY OF YAMHILL)
CITY OF NEWBERG) ss.

I, Hubert W. Hawkins, being first duly sworn,
depose and say: That I am the duly appointed Chief
of Police of the City of Newberg, Oregon. That
on the 6 day of Jan., 1956, I posted true
and correct copies of the attached Notice of Street Vacation
in the following described places within said City of Newberg,
to-wit:

I posted one such notice at the north end
and one such notice at the south end of the por-
tion of Chehalem Street proposed to be vacated
in the said notice.

I posted two more of such notices in approxi-
mately the middle of said portion of Chehalem
Street proposed to be vacated.

Hubert W. Hawkins

Subscribed and sworn to before me this 6 day of
January, 1956.

Thomas Beatty

NOTICE OF STREET VACATION

NOTICE IS HEREBY GIVEN, That the Council of the City of Newberg, Yamhill County, Oregon, proposes to vacate the following-described street, a street in said City, to-wit:

That portion of Chehalem Street, a street in the City of Newberg, Yamhill County, Oregon, situated in the Original Town of Newberg as platted by Jesse Edwards and Mary E. Edwards, being a plat recorded September 18, 1883 in Book W of Deed Records, Page 55, in said Yamhill County, Oregon, said portion of Chehalem Street being more particularly described as follows, to-wit:

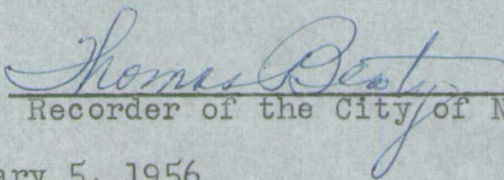

All of that portion of said Chehalem Street lying between the East line of Lot 3, Block 8 of said Original Town of Newberg as so platted, and the West line of Lot 3 in Block 7 of said Original Town of Newberg.

Said proposed vacation is being initiated by the Council of the City of Newberg on its own motion, by virtue of a resolution duly adopted by said Council at a regular meeting held on the 3rd day of January, 1956, and said vacation proceedings are being had pursuant to the provisions of O.R.S. 271.130.

Further notice is hereby given that the Council of the City of Newberg, at a regular meeting thereof to be held on the 6th day of February, 1956, at the hour of 7:30 o'clock P.M. on said day, in the Council Room in the City Hall in said City of Newberg, will hear and consider written objections or remonstrances, if any, to said proposed vacation of said street. Written objections must be filed with the City Recorder of the City of Newberg prior to the date of hearing last hereinabove stated.

Dated this 5th day of January, 1956.

Dear Mr. Beaty:

This will acknowledge your letter of January 4 to the State Highway Commission advising that the Newberg City Council, at its meeting of January 3, passed an ordinance authorizing removal of the "no left turn" restriction at First Street and River Street in your City. I am asking Mr. W. O. Widdows, Assistant Maintenance Engineer, through copy of this letter, to see that the existing "no left turn" signs are removed at an early date.

With reference to your request for investigation of traffic conditions on N. Main Street at the Southern Pacific crossing, wish to advise that this office will proceed with an investigation and you will be apprised of results thereof at a later date.

Very truly yours,

W. C. Williams

ACCEPTANCE OF FRANCHISE

TO THE HONORABLE MAYOR AND
CITY COUNCIL OF THE CITY OF
NEWBERG:

1/11/56
Portland Gas & Coke Company hereby unconditionally accepts the obligations imposed and the rights, privileges and franchise granted to it and its successors and assigns by Ordinance No. 1168 of the City of Newberg, entitled:

AN ORDINANCE granting to Portland Gas & Coke Company, a corporation, and its successors and assigns, for the period of twenty (20) years from and after the effective date of this ordinance, a non-exclusive right and franchise to lay, maintain and operate gas mains, pipes, and appurtenances in the present and future streets, alleys, and public places of the City of Newberg, Oregon, and its successors, for the purpose of supplying gas to the City and the inhabitants thereof and others, for light, heat, power and other purposes, and providing for the payment of compensation to the City; and declaring an emergency.

passed by the City Council on December 5, 1955, and approved by the Mayor on December 5, 1955; and Portland Gas & Coke Company for itself and for its successors and assigns agrees to be bound by all of the terms, conditions and provisions named in said ordinance and franchise.

Dated January 11, 1956.

A G R E E M E N T

THIS AGREEMENT, made and entered into this 25th day of January, 1956, by and between the STATE OF OREGON, by and through its State Highway Commission, hereinafter called "State", and the CITY OF NEWBERG, a municipal corporation, acting by and through its City Officials, hereinafter called "City";

W I T N E S S E T H :

RECITALS:

1. State proposes to reconstruct, widen, and in part relocate, the Chehalem Mountain-Newberg Section of the Hillsboro-Silverton Highway, a portion of which section lies within the city limits of the City of Newberg.

2. In consideration of the benefits which will accrue to the City of Newberg as the result of said proposed work (which will hereinafter be referred to as the "Project"), City has agreed to cooperate in the particulars hereinafter set forth.

NOW, THEREFORE, the premises being in general as stated in the foregoing recitals, State and City agree as follows:

THINGS TO BE DONE BY STATE:

1. State shall let the contract for the Project and shall supervise the construction thereof. A copy of the plans for the Project, marked Exhibit "A" and by this reference made a part hereof, is attached hereto.

2. State shall relocate that portion of the Hillsboro-Silverton Highway shown colored in red on Sheet No. 9 of the attached Exhibit "A". The relocation, shown colored in green on Sheet No. 9 of the attached Exhibit "A", extends approximately between Highway Engineer's Survey Stations 513+00 and 519+31.7.

3. State shall construct and thereafter maintain a roadway connecting the old route of the Hillsboro-Silverton Highway with the relocated route. Said connecting roadway is shown colored in orange on Sheet No. 9 of the attached Exhibit "A".

4. State shall, without cost to City, relocate or reconstruct, or cause to be relocated or reconstructed, those utility conduits, lines, poles, mains, pipes, and other facilities required to be relocated or reconstructed to conform to the proposed plans and ultimate requirements

of the Project which are not covered by the provisions of paragraphs 2 and/or 3 under "THINGS TO BE DONE BY CITY".

5. Upon receiving from City an itemized statement in triplicate showing the costs incurred by City in moving, or causing to be moved, the water and sewer lines, pipes, mains and conduits, or doing or causing to be done other work required by paragraph 3 of this agreement under "THINGS TO BE DONE BY CITY", State shall reimburse City for such costs, except that State shall not be required to pay for any new water or sewer lines, service connections, meters, hydrants, valves, pipes, mains, conduits, or other utility facilities.

6. Upon completion of work referred to in paragraph 2 above, State shall construct or cause to be constructed guardrail barricades to prevent the public from using the Southern Pacific railroad crossing on the old route of the Hillsboro-Silverton Highway. Said guardrail barricades are shown as brown lines on Sheet No. 9 of the attached Exhibit "A".

THINGS TO BE DONE BY CITY:

1. City, by the execution of this agreement, approves the plans attached hereto marked Exhibit "A".

2. City shall, without cost to State, relocate or reconstruct, or cause to be relocated or reconstructed, all water, sewer, gas, electric, telephone, telegraph, or other utility conduits, lines, poles, mains, pipes, and facilities of every kind and nature which are covered by permit or franchise from City authorizing their relocation or reconstruction by City without cost to City, or which for any other reason may be relocated or reconstructed by City without cost to City, and which are required to be relocated or reconstructed to conform to the proposed plans and ultimate requirements of the Project.

3. City shall relocate or reconstruct, or cause to be relocated or reconstructed, all City-owned water, sewer, gas, electric, telephone, telegraph, or other utility conduits, lines, poles, mains, pipes, and facilities of every kind and nature required to be relocated or reconstructed to conform to the proposed plans and ultimate requirements of the Project. In particular, but not by way of limitation, City shall move and relocate, or cause to be moved or relocated, the ten-inch water main between Highway Engineer's Survey Stations 452+50 and 455+00, and between such other locations as may be necessary to conform with the proposed plans and ultimate requirements of the Project. So that it may be reimbursed for such costs. City shall submit to State three copies of an itemized statement showing the costs and disbursements made, but City shall not charge the State for the costs of any new water or sewer lines, meters, hydrants, valves, pipes, mains, conduits, or other utility facilities.

4. City, by the execution of this agreement, consents to any and

all changes of grade, if any there be, in connection with or arising out of the Project.

5. After the relocation referred to in paragraph 2 under "THINGS TO BE DONE BY STATE" has been completed and the relocated segment of highway opened to traffic, City shall assume jurisdiction over, and responsibility for maintenance of, that portion of the old Hillsboro-Silverton Highway shown colored in red on Sheet No. 9 of the attached Exhibit "A", except that portion thereof extending across the right of way of Southern Pacific Company.

6. City, by execution of this agreement, consents to State's constructing or causing to be constructed the guardrail barricades provided in paragraph 5 under "THINGS TO BE DONE BY STATE".

7. City shall pass an ordinance or resolution authorizing the mayor and the recorder to enter into this agreement, and said ordinance or resolution shall be made a part of this agreement and attached hereto.

GENERAL PROVISION:

It is expressly agreed and understood that the letting of the plans for the Project is contingent upon the Public Utilities Commission's authorizing construction of the proposed new highway-railway crossing, and the closing and barricading to public travel of the existing crossing, and that in the event such authorization by the Public Utilities Commission is not granted this agreement shall be void and of no force or effect.

IN WITNESS WHEREOF, the parties above named have hereunto set their hands and affixed their official seals as of the day and year first above written, the City officers acting in accordance with and pursuant to Resolution No. _____, adopted by the City Council of the City of Newberg on the 25 day of January, 1956, a certified copy of which is affixed hereto.

Mr. Thomas Beaty
City Recorder
Newberg, Oregon

Dear Sir:

Pursuant to the request in your letter of January 4, investigation has been made as to need of a flashing signal at the railroad crossing of the Yamhill-Newberg Highway in Newberg.

The investigation discloses that signalization of this crossing is not warranted at this time. During the period January 1, 1947 to October 31, 1955, which is almost nine years, there were no reported accidents at this crossing. In the state of Oregon there are 60 unsignalized crossings which have higher priority than the one in question.

Very truly yours,

R. H. Baldock
State Highway Engineer

NEWBERG COMMUNITY HOSPITAL, INC.

Newberg, Oregon

February 1, 1956

Mr. George Layman, Mayor
City of Newberg
Newberg, Oregon

Dear Sir:

This letter is to inform you that at a meeting of the members of the Newberg Community Hospital, Inc. held January 31, 1956 the following resolution was passed.

RESOLVED that the Newberg Community Hospital, Inc. offer to sell all real property now belonging to said corporation (the same consisting of approximately 6 acres of land, more or less, situated on Villa Road, near Newberg, Oregon) to the City of Newberg, Oregon for the sum of \$35,000.00.

The Board of Directors of the Newberg Community Hospital, Inc. has been authorized to proceed with the completion of this transaction upon receiving notice that the above offer is acceptable to the City of Newberg.

Yours truly,

Frances O. Peck

Secretary

NOTICE OF STREET VACATION

NOTICE IS HEREBY GIVEN, That the Council of the City of Newberg, Yamhill County, Oregon, proposes to vacate the following described street, a street in said City, to-wit:

That portion of Chehalem Street, a street in the City of Newberg, Yamhill County, Oregon, situated in the Original Town of Newberg as platted by Jesse Edwards and Mary E. Edwards, being a plat recorded September 18, 1883 in Book W of Deed Records, Page 55, in said Yamhill County, Oregon, said portion of Chehalem Street being more particularly described as follows, to-wit:

All of that portion of said Chehalem Street lying between the East line of Lot 3, Block 8 of said Original Town of Newberg as so platted, and the West line of Lot 3 in Block 7 of said Original Town of Newberg.

Said proposed vacation is being initiated by the Council of the City of Newberg on its own motion, by virtue of a resolution duly adopted by said Council at a regular meeting held on the 3rd day of January, 1956, and said vacation proceedings are being had pursuant to the provisions of O. R.S. 271.130.

Further notice is hereby given that the Council of the City of Newberg, at a regular meeting thereof to be held on the 6th day of February, 1956, at the hour of 7:30 o'clock P. M. on said day, in the Council Room in the City Hall in said City of Newberg, will hear and consider written objections or remonstrances, if any, to said proposed vacation of said street. Written objections must be filed with the City Recorder of the City of Newberg prior to the date of hearing last hereinabove stated.

Dated this 5th day of January, 1956.

BY ORDER OF THE COUNCIL
THOMAS BEATY,

Recorder of the City of Newberg
First publication, Jan. 5, 1956.
Last publication, Feb. 2, 1956.

SHELL OIL COMPANY

1220 S. W. MORRISON STREET

PORTLAND 5, OREGON

TELEPHONE CAPITOL 8-7321

February 2, 1956

City of Newberg
Newberg, Oregon

Gentlemen:

We hereby offer to sell and deliver to you your entire requirements for the period February 13, 1956, to February 12, 1957, of any of the products listed below in accordance with the terms and conditions set forth herein, provided, however, except at our option, we shall not be obligated to deliver hereunder in excess of the maximum quantities specified below for each product. Said products shall be of the grades and quality being sold generally by us at the time of delivery within the area in which delivery hereunder is to be made.

PRICE: The price payable by you for products delivered hereunder shall be our posted tank truck price for such product in effect at time and for place of delivery, as shown on the price schedule posted by us at our distributing plant located nearest to point of delivery, less discounts and subject to maximum prices as follows:

<u>PRODUCT</u>	<u>TYPE OF DELIVERY</u>	<u>MAXIMUM QUANTITY</u>	<u>CENTS PER GALLON</u>		
			<u>TODAY'S POSTED PRICE</u>	<u>DISCOUNT</u>	<u>MAXIMUM PRICE</u>
SHELL GASOLINE	TANK TRUCK)	15,000	23.7	2.81	20.89
SHELL PREMIUM GASOLINE	TANK TRUCK)		26.4	3.31	23.09

Posted prices are subject to change without notice, and today's posted prices are shown for information purposes only. Prices stated for tank truck and/or drum deliveries are for 400 gallons or more; for deliveries in lesser quantities, add the following differentials:

	<u>GASOLINE/STOVE OIL/DIESEL FUEL</u>	<u>KEROSENE/SOLVENTS</u>
200-399 Gallons	.5¢	3.0¢
40-199 Gallons	1.0¢	6.0¢

Posted prices shown above for gasolines include state motor vehicle fuel tax of 6.0¢ per gallon and exclude the Federal tax of 2¢ per gallon. Prices of other products are exclusive of all taxes.

Maximum prices stated apply to deliveries at Newberg, Oregon. For deliveries at other points, said maximum prices shall be increased or decreased by the amount of the difference between our posted tank truck price for such product at Newberg, Oregon and at such other points.

DELIVERIES: You shall purchase and receive each product in approximately equal quantities during each calendar month during the term hereof, subject to seasonal variations in your requirements. Deliveries shall be made by us in the manner specified above within a reasonable time after receipt of your order therefor, due consideration being given to our general marketing and distributing operations to any delivery point specified by you, provided that such point is in an area where our products are then being delivered.

TAXES: Any tax, duty, charge or fee now or hereafter levied on the products sold hereunder or on the raw or processed products from which the products sold hereunder are manufactured or blended, or on us, or required to be paid or collected by us, by reason of the production, manufacture, blending, inspection, storage, withdrawal, sale, distribution, transportation, delivery and/or use of said products or any feature thereof shall be paid by you in addition to the prices (including maximum prices) specified herein, insofar as the same is not expressly included in such prices.

TERMS: Terms for payment shall be cash on delivery or such credit terms as may be extended by us which may be altered or revoked by us at any time.

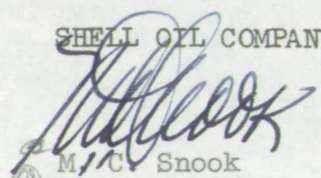

EXCUSES FOR NONPERFORMANCE: We shall be excused from performance of our obligations under this agreement when and to the extent that such performance is delayed or prevented by any cause reasonably beyond our control.

DRUMS: All 50-55 gallon returnable drums in which any products are delivered shall remain the property of Shell and shall be returned within ninety days after date of invoice, in undamaged condition, to Shell's bulk plant, terminal, or refinery from which delivery was made, or to such other point as Shell may designate. A drum deposit of \$6.00, payable when invoiced, will be required of the Buyer for each such drum delivered. Such payment shall be held by Shell without interest as a deposit (which may be mingled with Shell's own funds) to secure return of the drum, to be forfeited to Shell if the drum is not so returned, and to be credited to Buyer if the drum is so returned.

ACCEPTANCE: This offer is for acceptance by you within thirty (30) days from the date hereof, and if not accepted within that time, shall be deemed of no further force or effect whatsoever. Acceptance should be made by signing and returning to us within the time mentioned above, the duplicate copy of this letter.

Yours very truly,

Portland 1, Oregon

3/2/56

March 2, 1956

Mayor and Council
City Hall
Newberg, Oregon

Dear Sir:

Re: W - Newberg

Laboratory report No. ³¹⁰⁴3105 on a water sample collected from your water system on 2-21-56 shows the water not to conform with accepted bacteriological standards of purity for drinking water.

It is recommended that an investigation be made to determine if possible the source of contamination indicated by this report. If your water is treated by chlorination or other processes, the purification equipment should be checked to see that it is operating properly.

After taking corrective measures, it is recommended that another sample be collected from approximately the same sampling point to determine whether or not the contamination persists.

If this office can be of any service to you, please feel free to call upon us.

Very truly yours,

Harold E. Milliken

NOTICE OF UNSAFE BUILDING
TO ELMIRA KATHRYN ARM-
STRONG and PAUL ARM-
STRONG and all other persons
unknown having or claiming an
interest in the building herein-
after described.

You are hereby notified that
Oscar Bakken, Building Official
of the City of Newberg, Oregon,
has examined or caused to be ex-
amined a certain building or struc-
ture owned by yourself and more
particularly described as follows,
to-wit:

A certain dwelling located
at 109 East Second Street,
Newberg, Yamhill County,
State of Oregon,
and has found that said building
or structure is an unsafe building
as defined by Section 203 of Ord-
inance No. 1066 of the City of
Newberg, Oregon, as amended, for
the reason that said building is
structurally unsafe, constitutes
a fire hazard, is otherwise danger-
ous to human life, and constitutes
a hazard to safety in relation to
existing use by reason of inade-
quate maintenance, dilapidation,
obsolescence and abandonment and
constitutes a hazard to health in
relation to existing use by reason
of inadequate maintenance, dilap-
idation, obsolescence, and abandon-
ment and said Building Official
has further found that said build-
ing is completely dilapidated.

In accordance with the pro-
visions of said Ordinance you are
requested within thirty days after
the first date of publication of
this notice to commence the de-
molition and removal of said build-
ing and completely clean up said
property. Such work must be com-
pleted within 90 days from the
first date of publication hereof
unless an extension of time is
granted to you in writing by said
Building Official.

In the event of your failure to
comply with this notice, the City
of Newberg, will proceed with
the work specified herein and the
cost thereof will be charged as a
special assessment against your
property on which said building
is situated and will be collected
in the manner provided for special
assessments.

The property on which said
building is situated is more par-
ticularly described as follows, to-
wit:

PARCEL 1: Lot 6 in Block
4 of EVEREST'S ADDITION
to Newberg, in Yamhill Coun-
ty, Oregon.

PARCEL 2: Beginning at
the Northeast corner of Lot
6 in Block 4 of EVEREST'S
ADDITION to Newberg, in
Yamhill County, Oregon;
thence East to the West line
of land conveyed to Joseph
Everest by Deed recorded Dec-
ember 10, 1887 in Book "Y"
Page 343, Deed Records;

thence South 113 feet to the
North margin of Second
Street; thence West to the
Southwest corner of said lot
6; thence North 113 feet to the
place of beginning.

Dated at Newberg, Oregon, this
5th day of April, 1956. By Order
of the Council.

Re: City Hospital

Gentlemen:

You are advised that I have received from Title and Trust Company, McMinnville, title policy No. Y-21-388, owner's policy, in the amount of \$35,000.00, insuring the City of Newberg as owner of the hospital property, effective April 3, 1956. I have also been provided with a check from the hospital corporation in the amount of \$173.00 which will cover the premium on this insurance, and the local hospital organization also paid for the revenue stamps on the deed.

The Secretary of the corporation has sent me the fire insurance policies and I am arranging to have them transferred to the City of Newberg. It is therefore in order for the City to pay Newberg Community Hospital, Inc., the sum of \$35,000.00 in full for purchase price of the tract, in accordance with resolution of the Council dated February 6, 1956. If you wish to prepare the necessary draft and leave it with me, I will see to its delivery. I should also be furnished with the City's draft for the sum of \$2.25, covering recording of the deed, Corporation to City.

Yours very truly,

HERBERT SWIFT
City Attorney

COUNTY OF YAMHILL) ss.
CITY OF NEWBERG)

TO THE MEMBERS OF THE COUNCIL OF THE CITY OF NEWBERG:

You are hereby notified that a special meeting of the Council of the City of Newberg will be held at the Council Chambers in the City Hall at 1:15 p.m. Pacific Standard Time, on Wednesday, April 11, 1956, for the purpose of considering and acting upon a proposed resolution regarding the purchase of Federal surplus property for the City Hospital and considering and acting upon a proposal to authorize the Council Hospital Committee to investigate and report on operation and management of the hospital.

ATTEST:

Thomas Beatty
Recorder

W. J. Lyne
Mayor

Due and timely notice and service of a copy of the above are admitted by the undersigned in Newberg, Oregon, in Yamhill County, this 9th & 10 day of April, 1956.

R E S O L U T I O N

WHEREAS, the City of Newberg has been heretofore authorized by Charter amendment approved by the voters, to erect, equip and operate a hospital and the City of Newberg has purchased the site and partially completed hospital owned by Newberg Community Hospital, Inc., a non-profit corporation; and

WHEREAS, certain funds have been made available by a bond issue of said City of Newberg for the purpose of completing and equipping said municipal hospital, but it is desirable and necessary that expenses of equipping same be kept to a minimum and for that purpose it is desirable that the City of Newberg establish eligibility to purchase Federal surplus property for said hospital.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NEWBERG, OREGON, that the Council has and does hereby authorize and direct the City Recorder to apply for eligibility for said City to purchase supplies and materials from the Surplus Property Section of the State of Oregon, to consist of Federal surplus property.

BE IT FURTHER RESOLVED that the Council has and does hereby designate the City Recorder as its agent to purchase, accept and receive such surplus property on behalf of the City of Newberg. Mr. Thomas Beaty is now the incumbent of said office of City Recorder.

ADOPTED by the Council this 11 day of April, 1956.

City Recorder

CITY OF NEWBERG

NEWBERG, OREGON

March 30, 1956

Honorable Mayor and City Council:

I hereby tender my resignation from the office
of Deputy Municipal Judge for the City of Newberg.
Said resignation to take effect as of the 31st.
day of March 1956.

Yours truly,

Thomas Beaty

Mr. Thomas Beaty
City Recorder
Newberg, Oregon

Dear Sir:

Enclosed are two copies of an agreement covering the installation of sixteen mercury vapor luminaires along Pacific Highway West between River Street and Church Street in Newberg.

Please present the agreement to the City Council, and if approved, have both copies signed and return them to this office. After signature by the Highway Commission one fully executed copy will be returned for the city's records.

It will be necessary for the Council to adopt a resolution authorizing the Mayor and Recorder to enter into this agreement and same shall be made a part of the agreement and attached thereto.

Very truly yours,

R. H. Baldock
State Highway Engineer

THIS AGREEMENT, made and entered into this _____ day of _____, 1956, by and between the STATE OF OREGON, by and through its State Highway Commission, hereinafter called "State", and the CITY OF NEWBERG, a municipal corporation, acting by and through its City Officials, hereinafter called "City":

W I T N E S S E T H:

RECITALS:

1. That certain highway designated as the Pacific Highway West, No. 1W (U. S. 99W) is a State highway under the jurisdiction and control of the State Highway Commission.
2. Said Pacific Highway West is routed through the City of Newberg over that certain city street known as First Street.
3. Under the provisions of ORS 366.775 the State Highway Commission may enter into an agreement with any city for the improvement of any highway, road or street upon terms and conditions mutually agreed upon.
4. In the judgment of State and City, the installation of a series of mercury vapor luminaire units along said Pacific Highway West between that certain city street known as River Street and that certain city street known as Church Street will contribute to the safety and convenience of the motoring public.

NOW, THEREFORE, the premises being in general as stated in the foregoing recitals, it is agreed by and between the parties hereto as follows:

THINGS TO BE DONE BY CITY:

1. City shall, at its own expense, either by its own forces or by contract, in accordance with the plans and specifications attached hereto, marked Exhibits A and B, and by this reference made a part hereof, install sixteen (16) mercury vapor luminaire units on the Pacific Highway West between River Street and Church Street in said City of Newberg.
2. Said installation shall be subject to the approval of the State Highway Engineer or his duly authorized representative.
3. City shall pay the total actual costs and disbursements incurred in said installation, which total actual costs are estimated at \$7,000.
4. Upon completion of the installation provided for herein, City shall, at its own expense, maintain and operate said luminaire units and bear the cost of all maintenance and operation thereof including the necessary electrical energy.

THINGS TO BE DONE BY STATE:

1. Upon the approval of the installation by the State Highway Engineer, or his duly authorized representative, State shall pay to City \$3,500 as its share

of the cost of said installation.

IN WITNESS WHEREOF, the parties hereto have subscribed their names and affixed their seals as of the day and year first above written, the City acting by and through its City Council pursuant to and in accordance with _____, No. _____, adopted by the City Council on the _____ day of _____, 1956.

SPECIFICATIONS

ILLUMINATION INSTALLATION

CHURCH STREET-RIVER STREET SECTION

CITY OF NEWBERG

US99W

Wiring:

All conductors between luminaire poles shall be placed underground and shall be direct burial cable. Direct burial cable shall be placed 24" below the surrounding surface.

On the south side of the roadway the direct burial cable shall be placed immediately behind the edge of the sidewalk.

On the north side of the roadway the direct burial cable shall be immediately behind the edge of the asphaltic concrete path up to Engr. Sta. 837+70 thence it shall be placed a distance of seven feet (7') north of the curb line to the end of the lighting project at Engr. Sta. 841+02.

The contractor is cautioned against disturbing existing or planned underground irrigation system at the following locations:

Engr. Sta. 837+82

2" valve, 5' from north curb with 2" pipe running north and west.

Engr. Sta. 838+09

2" valve, 7' from south curb with 2" pipe running south.

Engr. Sta. 840+00

2-1/2" pipe crossing roadway at a right angle from a point 9' south of the south curb to a point 4' north of the north curb.

Engr. Sta. 840+90 to 841+00

2-1/2" pipe running from a point 4' north of the north curb in a northwesterly direction to a water meter located 14' north of the north curb.

Work Scheduling:

All underground work shall be coordinated with the Oregon State Highway Department's landscaping contractor.

Wood Poles:

All wood poles shall be machine shaved, Douglas Fir poles. Thirty-five foot (35') wood poles shall be A.S.A. Class 4. All wood poles shall be full length

Exhibit *a*

pressure treated with oil borne pentachlorophenol according to A.W.P.A. Specification P-8. All poles shall be round, sound, well proportioned from butt to top, without short kinks or crooks and of the demensions specified above. The City Engineer shall inspect and approve all wood poles before erection. Any deviation from the above specifications shall be considered due cause for rejection by the Engineer.

Location of Poles:

All poles shall be located at the engineers stations shown on the plans. The transverse location of all poles in curbed areas are to be measured from the street edge of the curb.

Lamps:

The lamps for this project shall be EH-1, 400 watt, 20,000 lumens.

Pole Hardware:

All pole hardware shall be galvanized.

Luminaire Units:

Luminaires shall be suitable for efficient burning of mercury vapor lamps in a horizontal position. Mogul Multiple sockets shall be used. Luminaires shall be equipped for one and one-fourth inch (1-1/4") end mounting.

Luminaires shall have an aluminum hood (or head) and an "alzak" processed aluminum reflector. The reflector and refractor or optical unit shall be designed and constructed to prevent the entrance of dust, moisture and other foreign matter.

The luminaire type of distribution shall conform to the following specifications:

Type III - 20,000 lumen lamp. The luminaire shall have a sharp cut-off at 79° above nadir with no light measured above that angle exceeding 6,500 candlepower. The amount of illumination striking a width of pavement equal to the mounting height shall be not less than 30 per cent of the total output of the bare lamp.

Ballast:

Ballast shall be of the high power factor type suitable to operate the lamps as specified previously on a multiple circuit.

Photo-electric Control Relay:

Photo-electric control relays shall be General Electric, Fischer-Pierce or equal. All photo-electric control relays shall be mounted twenty-nine feet (29') from the ground line, facing north.

Multiple Relays:

Multiple relays shall be of adequate capacity to control the number of lamps placed on each circuit.

Upsweep Bracket:

Upsweep brackets shall be similar in design to the 231 series as manufactured by Hubbard and Company or an equal.

CITY OF NEWBERG

NEWBERG, OREGON

May 3, 1956

5-3-56

To the Mayor and Council
of the City of Newberg
Newberg, Oregon

Gentlemen:

In accordance with the former practise, the undersigned hereby applies for leave of absence from said City from June 16, 1956, to June 30, 1956, both dates inclusive, for the purpose of attending the 1956 Camp of Field Instruction of the Oregon National Guard at Fort Lewis, Washington.

Yours very truly,

HERBERT SWIFT
City Attorney

HS:jt

5/7/56

412 S. River Street
Newberg, Oregon
May 7, 1956

The Mayor and City Council
City Hall Building
Newberg, Oregon

Gentlemen:

We own property immediately west and adjoining property located at 607 Villa Road along with the private roadway into this property. We would like the City of Newberg to put a water line down this roadway, which is 351 feet long from the center of Villa Road to the end of our property, running East and West.

For this purpose we and the property owners on the South side of this roadway are willing to deed to the City a 20 foot alley. Of this 20 feet we will give 15 feet and the owners along the South side, Mr. Leroy Neifert, Mr. Wm. Wright, and Mr. A. E. Searles are willing to give the other 5 feet.

Yours truly,

Mr. + Mrs. James R. Clark

5/23/56

May 23, 1956

To: City Of Newberg

Subject: Green Valley Water District

Proposed district to cover all the properties bordering on Orchard Drive just off Hillsboro Road.

The respective occupants of above described homes met on May 22, 1956, and elected officers for the above named Water District as follows:

Chairman	Kenneth Shires
Directors	Paul Halstead
	Elmer Gardner
Co Sec.-Treas.	Tom Gainer
	John Kingslien
Meter Reader	Laurie Burchett

Proposed, that we purchase a two inch meter to be installed by the City at Hillsboro Road, and to be used as a Master to the now existing private meters in place. The City to read and bill from the Master only, the above named individuals to assume responsibility of reading the private meters and billing of same, and making lump payment to the City of Newberg for Master Reading.

Proposed, that we pay \$34.00 per month to the City of Newberg on the cost of the meter until paid in full.

Proposed, the new billing to affect below named present customers who are now billed directly by the City of Newberg.

INVITATION TO BIDS

NOTICE IS HEREBY GIVEN that the Council of the City of Newberg, Yamhill County, Oregon, at a regular meeting to be held on Monday, June 4, 1956, at 7:30 o'clock p. m. Pacific Standard Time, in the Council Chambers in the City Hall of said City, will receive and consider bids for furnishing the City with one police automobile for the use of the Police Department of said City. Specifications for said vehicle and said bid are as follows:

1—1956 Model tudor sedan automobile for the use of the Police Department of the City of Newberg, Oregon. Vehicle must have V-8 type motor and automatic transmission with a minimum horsepower of 205. Vehicle must be equipped with a good quality heater satisfactory to the Chief of Police of said City. Vehicle color must be light blue and wheel base at least 115 inches. The City of Newberg will trade in the present police automobile to the successful bidder and the value thereof shall be applied on the purchase price of the new vehicle. Bidder must state the value at which he will accept the present police automobile. The new police

automobile shall be furnished with standard equipment except as herein specified. Delivery shall be made at Newberg and bidder shall specify approximate delivery date. Payment will be made by the City in July, 1956. New vehicle must be equipped with tubeless, puncture-proof tires and spare, satisfactory to the Chief of Police. Vehicle must have a 12 volt system with a 40 ampere low out-put generator. The new vehicle must be equipped with oil filter, front seat arm rests and Vinyl-type, plain-texture front seat cover. New vehicle must have turn signals, windshield washers, and heavy duty springs. Bidder will be required to transfer the siren from the present police automobile and install same in the new vehicle. Before the present police automobile is traded in, all radio and other police equipment including, but not not confined to, the siren, will be removed and will not go with the vehicle. Radio will be removed by the Police Department.

All bids must be in writing and must be filed with said Recorder on or before 7:30 o'clock p. m. Pacific Standard Time on Monday, June 4, 1956. Bids will be opened and considered by the Council at said regular meeting to be held immediately thereafter. The City of Newberg reserves the right to postpone making the award for a reasonable length of time and to reject any and all bids and to accept the proposal deemed best for the City.

/s/ Thomas Beaty
Recorder of the City of
Newberg

O P T I O N

In consideration of the sum of TEN AND NO/100ths DOLLARS (\$10.00), the receipt whereof is hereby acknowledged, I hereby give to the City of Newberg, a municipal corporation of the State of Oregon, the exclusive option of buying, for the full price of FIVE HUNDRED AND NO/100ths DOLLARS (\$500.00), the following-described tract, piece, and parcel of land, situated in the County of Yamhill, State of Oregon, and particularly described as follows, to-wit:

All of that certain parcel of real property owned by the undersigned and situated in Section 5, Township 3 South of Range 2 West of the Willamette Meridian in Yamhill County, State of Oregon, and which lies west of Oregon State Highway No. 219 and is bounded on the west, in part, by property owned by Howard A. Michaelis and Doris L. Michaelis, husband and wife, and being approximately one-half acre of land, more or less.

The City of Newberg shall have the right to close this option at any time within thirty days from date hereof, and I agree to execute to it a warranty deed conveying title to said real property, free and clear of all liens and encumbrances. On delivery of said deed, I agree to furnish owner's policy to title insurance, insuring said City of Newberg against defects in said title in the amount of the said purchase price. On the execution of said deed, I am to be paid the further sum of FOUR HUNDRED AND 90/100ths DOLLARS (\$490.00), in full payment of the purchase price of said land; but if said option is not closed within thirty days from date hereof, I am to retain the said sum of TEN AND NO/100ths DOLLARS (\$10.00), so paid as aforesaid, as liquidated damages.

If said option is closed within the said thirty days, the amount paid as aforesaid is to be applied towards the purchase price. Time is of the essence of this contract.

Dated this 25 day of May, 1956.

y Johanna Edelman

DETACHMENT 3
4770TH GROUND OBSERVER SQUADRON
921 S.W. Madison Street
Portland, Oregon

11 May 1956

Honorable George H. Layman
Newburg, Oregon

Dear Mayor Layman:

We would sincerely appreciate permission from your office for a Ground Observer Corps leaflet drop by aircraft over your city during the latter part of June.

As you are probably aware, the Ground Observer Corps is a civilian volunteer organization, trained and supervised by the U.S. Air Force for the purpose of augmenting radar in the detection and identification of aircraft which may be a potential threat to the security of our country.

Ground Observer Corps leaflet drops are made, by permission of the city fathers, at periodic intervals as an aid in recruiting volunteers to man the observer posts within the area.

Your cooperation in this matter will be appreciated.

Sincerely,

Cyrus B. Gittings
CYRUS B. GITTINGS
1st Lt., USAF
Detachment Adjutant

June 5, 1956

Cyrus B. Gittings, 1st Lt., USAF
4770th Ground Observer Squadron
921 S.W. Madison Street
Portland, Oregon.

Dear Sir:

Mayor Layman presented your letter to the City Council last evening at the regular meeting, with the result that a regular motion was carried granting the distribution of leaflets, by plane, over the city and surrounding area.

Yours very truly,

Thomas Beatty, Recorder.

City of Newberg, Oregon, Statement of Budget

Fiscal Year 1956-57

The Budget Committee of the City of Newberg, Oregon, appointed to make estimates of the income and expenditures of said City during the fiscal year 1956-57, has made the following estimates of such income and expenditures to be used as a basis to determine the tax to be levied by the said City of Newberg. These estimates are accompanied, in parallel columns, with figures showing corresponding expenditures for three and one-half years and are followed by a classified summary of the indebtedness of the said City. The original estimate sheets used in the preparation of this budget are on file in the office of the Recorder of the City of Newberg, Oregon.

(My Commission expires Nov. 16, 1956)

INVITATION TO BIDS

NOTICE IS HEREBY GIVEN that the Council of the City of Newberg, Yamhill County, Oregon, at a regular meeting to be held on Monday, July 2, 1956 at 7:30 o'clock p. m. Pacific Standard Time, in the Council Chambers in the City Hall of said City, will receive and consider bids for furnishing the City with one power-driven street sweeper. Specifications for said vehicle and said bid are as follows:

1—automotive street sweeper, to be a standard production model with single gutter broom, self-propelled, gasoline motor-driven, three-wheel type, with steering on a single rear wheel, turning radius of 14 feet and sweeping swath of 7 feet 6 inches. Engine to be industrial type of ample horsepower capacity. Steering to be by hydraulic power, operating from main pump and effective at engine idling speeds.

Brooms to be as follows: Gutter broom to be digger type, 45-inch diameter, adjustable in the field for pressure, wear and gutter angle, with free floating suspension. Gutter broom to be mounted ahead of front wheel. Pickup broom to be 36-inch diameter, adjust-

able for pressure and wear. One extra pickup broom and segments to make up one extra gutter broom shall be furnished with the machine.

Elevator to be of approved design to carry sweepings from pickup broom to full capacity of hopper, which is to have full 3 cubic yard capacity. Elevator shall have two operating speeds, shall be reversible in direction, and shall operate independently of the motion of the sweeper.

Water system shall furnish water under pressure from tank of at least 170 gallon capacity, to brass spray nozzles in front of sweeper along entire swath.

Transmission shall provide at least four speeds forward and one in reverse, with a sweeping range as low as two miles per hour and a travel speed of at least 20 miles per hour.

The hopper shall be all steel and provided with hydraulic controls operable from the driver's seat which will assure quick opening and dump of full load in such a way that sweeper will not have to pass over spilled load.

Electrical system shall include heavy duty battery and generator with lights in conformity with Oregon State Code, and spotlights for gutter broom operation.

Wheels shall be 15-inch single unit, disc, interchangeable and demountable. Tires shall be truck type, 10:00 x 15-14 ply.

Bidder shall accept the present City sweeper as a trade-in on the purchase price of the new sweeper and shall specify the amount at which such old sweeper will be accepted.

All bids must be in writing and must be filed with said Recorder on or before 7:30 o'clock p. m., Pacific Standard Time, on Monday, July 2, 1956. Bids will be opened and considered by the Council at said regular meeting to be held immediately thereafter. The City of Newberg reserves the right to postpone making the award for a reasonable length of time and to reject any and all bids and to accept the proposal deemed best for the City.

Thomas Beaty

Recorder of the City of Newberg.

June 29, 1956

Honorable City Council
City of Newberg
Newberg, Oregon

Attention: Thomas Beaty, Recorder

Gentlemen:

In accordance with your bid call and specifications for one motor pickup sweeper, we take pleasure in submitting our quotation as follows:

- 1 - New Model 1-450 Wayne motor pickup street sweeper with right hand gutter broom, 3 cu.yd. plus capacity hopper, power driven elevator, hydraulically operated controls; four extra gutter broom segments, and broom wire and one extra pickup broom core and fibre; gutter broom and pickup broom operated from two speed auxiliary drive with two forward and one reverse; brooms can be operated when sweeper is not in propelling motion, water spray system - 170 gallon capacity, operating lights, directional signals, wheels interchangeable and demountable with 10:00x15-14 ply tires; power steering - full time effectiveness at engine idle speed - operates from main hydraulic system; plus all other standard equipment as set forth in the enclosed bulletin, meeting your specifications in their entirety

F.O.B. Newberg, Oregon \$9782.00

Trade-in allowance on your present City sweeper 750.00

\$9032.00

Delivery: approximately 30 days after receipt of order.

The Wayne sweeper has many outstanding features, namely:

- (a) The large diameter gutter brooms are mounted ahead of the front wheels, thereby affording greater sweeping efficiency on curb returns and around parked cars, and protecting the front tires.

June 29, 1956

(b) The pressure adjustments on both pickup and gutter brooms are simple and afford maximum sweeping efficiency under any street conditions, as well as increase the life of the gutter broom wire and pickup broom fibre.

(c) The sharp turning radius of the Wayne.

(d) Position of the seat, ease of operation, and full visability.

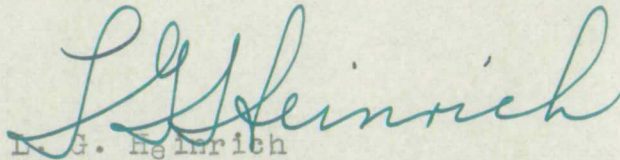

(e) The fact that most Wayne parts are standard automotive parts available in Newberg or anywhere else in the world.

Detailed specifications and literature on the Wayne Model 1-450 sweeper is enclosed.

Thanking you for the opportunity of quoting and hoping for your favorable consideration of our proposal, we are

Yours truly,

FEENAUGHTY MACHINERY CO.

"EXHIBIT A"

CITY OF NEWBERG, OREGON NOTICE TO CONTRACTORS MUNICIPAL HOSPITAL PROJECT

Sealed proposals for the completion of a municipal hospital, addressed to the City of Newberg, Oregon, will be received at the office of the City Recorder of said city until 7:30 o'clock P.M. Pacific Standard Time on Tuesday, July 10, 1956, and thereafter will be publicly opened and read.

The principal items upon which bids are invited are as follows:

Labor and materials for completing partially constructed municipal hospital building.

Plans, specifications, instructions to bidders, proposal and contract may be seen at the office of the City Recorder of said City of Newberg, at the City Hall at First and Howard Streets, Newberg, Oregon, and also at the office of Roald, Schmeer and Harrington, Architects, at 1104 Portland Trust Building, in Portland, Oregon. Copies may be obtained upon receipt of a deposit check in the amount of \$50.00 made payable to the City of Newberg. The deposit will be refunded in case a bona fide bid is submitted and the plans and specifications returned in good condition. If no bid is submitted, and plans and specifications are returned in good condition, the sum of \$25.00 will be refunded.

All proposals must be in writing on the regular blank forms furnished with the specifications and must be accompanied by certified check or bid bond payable to the City of Newberg in an amount equal to or exceeding 5% of the total bid. A 100% corporate surety performance bond satisfactory to the City, will be required to guarantee the faithful performance of the contract. The City reserves the right to postpone making the award for a reasonable length of time or at a meeting subsequent to and adjourned from the meeting at which bids are received, and to reject any or all bids, for good and sufficient reasons, and to accept the proposal deemed in the best interest of the City, regardless of bid prices.

By order of the City Council,
City of Newberg, Oregon.
GEORGE H. LAYMAN,
Mayor.

Mayor George Layman -
Members of the City
Council, Newberg, Oregon

Gentlemen:

I have recently received a bill in the amount of \$87.80 from the Newberg Water Dept. for work done on the water line adjacent to my property situated 2 miles north of Newberg on Hi-way 99 W. Under the circumstances, which I have recently discussed with Mayor Layman, Mr. Buckley, Mr. Van Dyke and Mr. Rittenhouse, I do not feel that I owe this bill. If the members of the council feel otherwise I would appreciate being notified in writing at the earliest convenience.

Yours very truly,

T. W. McDonald

9-D 8/2/56
DUNCAN PARKING METER CORPORATION

Purchase Agreement

THIS AGREEMENT, executed in quadruplicate this 2 day of August, 19 56, between THE CITY OF NEWBERG, of the State of Oregon, (hereinafter called the "City"), and DUNCAN PARKING METER CORPORATION, an Illinois corporation (hereinafter called the "Company"), witnesseth, that:

THE COMPANY AGREES:

SALE

1. To sell to the City Fifty (-50-), or more if needed in the opinion of the City officials, Miller "60" parking meters (hereinafter called "meters"), at a price of Fifty-seven and 50/100 Dollars (\$ 57.50) per meter, plus Eighty-five (85¢) Cents per unit freight; LESS Seven and 50/100 (\$7.50) Dollars for a used Miller Meter if delivered to the Company's warehouse in Los Angeles, California.

DISCOUNT

2. That if the purchase price shall be paid within sixty (60) days from date of installation, the City may have a discount of three per cent (-3- %).

**TIME
REGULATION**

3. To furnish the meters with a mechanism regulated as to time and equipped with slots for coins as may be determined by the City, within the practicable limits of the meters currently produced by the Company.

EXTRAS

4. To furnish without additional charge one (1) complete meter mechanism for service purposes only for each fifty (50) meters installed under this Agreement.

**INSTALLATION
COST**

5. At the request of the City, to advance all costs in connection with the delivery, installation and installation supervision of the meters and at time of installation to give instruction to the City appointed maintenance man as to their maintenance.

TITLE

6. To give the City a bill of sale for the meters when they are installed.

**REPLACEMENT
DEFECTIVE PARTS**

7. To replace any defective part, on the return thereof to the factory, within one (1) year from date of ~~installation~~ delivery of that meter.

OPTION

8. Except as provided in paragraph thirteen (13) the City may buy additional meters for its use, at the same terms and at the agreed value in effect at that time. The City may exercise this privilege from time to time until the agreed value of the meters described in paragraph one (1) has been paid. The City need only indicate in writing to the Company its decision to purchase additional meters under this Agreement. In determining whether the agreed value of any meters is paid, all payments shall be averaged over all meters purchased under this Agreement, whether they are the meters described in paragraph one (1) or additional meters purchased hereunder.

THE CITY AGREES:

**PURCHASE
AND
PAYMENT**

9. To buy the meters described in paragraph one (1), at said price, to install them or permit their installation and to pay for them in the following manner: Thirty (30) days after the installation of the meters, and not later than the fifteenth (15th) day of each calendar month thereafter, the City shall pay to the Company 81.50 Dollars per meter ~~of the receipts from said meters~~ until the costs, if any, advanced under paragraph five (5) and the purchase price are paid.

TAXES

10. That any sales tax, use tax or other tax (whether or not similar to a sales tax or use tax) levied against the Company by reason of this transaction (other than income or excess profits taxes) shall be added to the purchase price.

GOOD
REPAIR

ENFORCE
ORDINANCES

UNAVOIDABLE
DELAY, ETC.

AUTHORITY

11. To maintain the meters in good operating condition until the purchase price is paid.

12. Until the purchase price is paid, to enact, maintain and enforce appropriate ordinances relating to the installation, maintenance and operation of these meters and relating to vehicles parking next to them.

13. That the Company shall not be liable for delay in furnishing meters purchased under paragraph one (1), and shall be excused from its obligation to sell additional meters under paragraph eight (8) if such delay is caused by, or if the manufacture, delivery, or installation of meters is prevented, delayed, or made substantially more difficult or substantially more expensive because of, a strike or other labor trouble, fire, tornado, flood, embargo, shortage of transportation, material or labor, war, preparation for war, insurrection, civil commotion, government regulation or other cause beyond the control of the Company.

14. No one shall have the power or authority to alter the terms and conditions of this Agreement in behalf of the Company except its President, Executive Vice-President, a Vice-President, Secretary or Treasurer.

Re: Licensing of Second Hand
Stores and Junk Dealers

Dear George:

I have been informed by Mr. Thomas Beaty, the Recorder, that the County Court of Yamhill County has inquired as to the intentions of the City of Newberg relative to licensing and regulating second hand dealers and junk dealers under a new act of the Legislature. Apparently the act provides that counties may so license these people provided the city does not exercise the privilege.

The act in question is contained in Chapter 659, Oregon Laws 1955 and provides for an annual license by the county of second hand dealers, junk dealers and auction market operators. The license fee is ten dollars a year and those who are exempted are as follows:

1. Single auction sales on premises where goods have been stored or held by their owner.
2. Operators within the city limits of any city where there is an effective ordinance containing similar provisions.
3. Auction sales of livestock, poultry, jewelry, motor vehicles, agricultural products.
4. Official sales by sheriffs and public officers.

Applications to the court are supposed to be made not later than July 1 and are renewable each July 1. The license is not transferrable.

Applications must contain the name of applicant and of all persons associated with him, together with the assumed name, if any.

2. Name and address of all corporate officers if a corporation.
3. Address where the business will be conducted and description of the kind of business.

Mr. George H. Layman

Licensing second hand
dealers and junk dealers

All persons licensed under this act must keep at their business place a record book with a daily account of transactions showing the following:

1. Signature and address of each person from whom the licensee received by any means personal property for disposal.
2. Number of articles received.
3. Number of pounds of any material purchased by weight.
4. A reasonable identifying description of the materials received.

This record book seems to be the heart of the act and is required to be kept open to inspection by law enforcement officers. The record must be kept for at least one year after the articles are received. If the licensee goes out of business, the record book must go to the licensing agency, city or county.

The act provides that the county court or city council may by order revoke or suspend the license but must give a time for the licensee to appear and be heard in opposition. There is a provision for ten days' notice thereof and the court or council must act within thirty days after the hearing. Licensee may appeal to the circuit court if dissatisfied with the decision. On the other hand, if the licensee is convicted in a court for a violation of the act, his license may be suspended without a hearing but he must be given notice.

Violation of the act is made a misdemeanor and justice courts, district courts and circuit courts all have jurisdiction concurrently. In my opinion, the Council could confer jurisdiction on the Newberg Municipal Court and provide a penalty.

Finally the act contains an emergency clause making it effective May 24, 1955, the date of passage.

This report is given you in order that the Council may have some basis for decision in instructing the undersigned as to whether they wish me to prepare an ordinance substantially similar to the foregoing.

At the present time the City of Newberg has two ordinances which bear on this matter. Ordinance Number 12, passed and approved December 4, 1890, provides for licensing auctioneers at the rate of twenty-five dollars per quarter or one dollar per day, payable in advance. This Ordinance contains no further regulatory provisions and has been used in deriving revenue only.

Ordinance Number 793, passed and approved May 1, 1933, Code No. 8-101, is a combination of a criminal ordinance and a business regulation. The first two sections define a crime of buying, receiving, concealing or attempting to conceal stolen property and make it an offense to purchase any property from any minor under the age of 18 years without the written consent of his parents or custodian. The third section require all second hand dealers to provide a permanent record book listing all articles purchased by him, date and name of seller. This record book must be kept at least one year from the date of last purchase entered and must be open to public inspection by officers and the section further provides that any goods purchased by second hand dealers in Newberg from anyone except the wholesalers must be placed on public display and retained at least ten days before being resold, unless special permission is granted by the Marshall. The Ordinance provides for a penalty not to exceed two hundred dollars or imprisonment not to exceed ninety days, or both.

In my opinion, any ordinance which the Council might decide to adopt along the lines of the present act should provide for the repeal of Section 3 of Ordinance Number 793, being the business regulatory portion leaving the criminal portion of that Ordinance to stand separately. It would seem that the City Council of Newberg in 1933 had approximately the same ideas in mind as the Legislature in 1955 relative to the regulation of the second hand dealers.

Yours very truly,

HERBERT SWIFT
City Attorney

Mr. George H. Layman

Licensing second hand
dealers and junk dealers

All persons licensed under this act must keep at their business place a record book with a daily account of transactions showing the following:

1. Signature and address of each person from whom the licensee received by any means personal property for disposal.
2. Number of articles received.
3. Number of pounds of any material purchased by weight.
4. A reasonable identifying description of the materials received.

This record book seems to be the heart of the act and is required to be kept open to inspection by law enforcement officers. The record must be kept for at least one year after the articles are received. If the licensee goes out of business, the record book must go to the licensing agency, city or county.

The act provides that the county court or city council may by order revoke or suspend the license but must give a time for the licensee to appear and be heard in opposition. There is a provision for ten days' notice thereof and the court or council must act within thirty days after the hearing. Licensee may appeal to the circuit court if dissatisfied with the decision. On the other hand, if the licensee is convicted in a court for a violation of the act, his license may be suspended without a hearing but he must be given notice.

Violation of the act is made a misdemeanor and justice courts, district courts and circuit courts all have jurisdiction concurrently. In my opinion, the Council could confer jurisdiction on the Newberg Municipal Court and provide a penalty.

Finally the act contains an emergency clause making it effective May 24, 1955, the date of passage.

This report is given you in order that the Council may have some basis for decision in instructing the undersigned as to whether they wish me to prepare an ordinance substantially similar to the foregoing.

At the present time the City of Newberg has two ordinances which bear on this matter. Ordinance Number 12, passed and approved December 4, 1890, provides for licensing auctioneers at the rate of twenty-five dollars per quarter or one dollar per day, payable in advance. This Ordinance contains no further regulatory provisions and has been used in deriving revenue only.

Ordinance Number 793, passed and approved May 1, 1933, Code No. 8-101, is a combination of a criminal ordinance and a business regulation. The first two sections define a crime of buying, receiving, concealing or attempting to conceal stolen property and make it an offense to purchase any property from any minor under the age of 18 years without the written consent of his parents or custodian. The third section require all second hand dealers to provide a permanent record book listing all articles purchased by him, date and name of seller. This record book must be kept at least one year from the date of last purchase entered and must be open to public inspection by officers and the section further provides that any goods purchased by second hand dealers in Newberg from anyone except the wholesalers must be placed on public display and retained at least ten days before being resold, unless special permission is granted by the Marshall. The Ordinance provides for a penalty not to exceed two hundred dollars or imprisonment not to exceed ninety days, or both.

In my opinion, any ordinance which the Council might decide to adopt along the lines of the present act should provide for the repeal of Section 3 of Ordinance Number 793, being the business regulatory portion leaving the criminal portion of that Ordinance to stand separately. It would seem that the City Council of Newberg in 1933 had approximately the same ideas in mind as the Legislature in 1955 relative to the regulation of the second hand dealers.

Yours very truly,

HERBERT SWIFT
City Attorney

AUG 8 REC'D

8 August 1956

The Honorable Mayor and
City Council of
Newberg, Oregon

Gentlemen:

It is with reluctance that I hereby submit my
resignation as Councilman, City of Newberg at this
time.

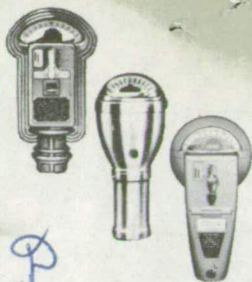

As you are aware, I recently started a new
business venture, and with increasing business, I
find that I do not have the time to fully study
the important problems which face a growing city
such as ours, and do justice to my own business.

It has been a pleasure to work with your Honor
and the members of the present council.

Sincerely,

LAURANCE A. RICKERT
600 E. Fourth St.
Newberg, Oregon

Duncan Parking Meter Corp.

FACTORIES: Harrison, Arkansas and Montreal, P. Q., Canada

August 9, 1956

City of Newberg
City Hall
Newberg, Oregon

Attention: Mr. Thomas Beaty, City Clerk

Dear Sirs:

We acknowledge, with appreciation, Purchase Agreement dated August 2nd, covering the fifty (50) Duncan-Miller Model "60" parking meters shipped in exchange for a like number of used meters.

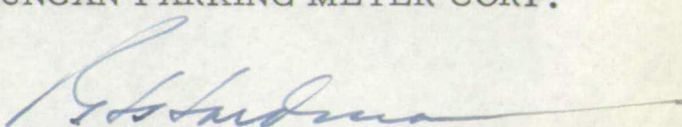

For your records we return herewith one (1) properly executed copy of this Agreement.

To date we have not received a certified copy of the Resolution pertaining to this action, and ask that you send this by return mail to complete our files.

It has been our pleasure to serve your city since 1947 on traffic control equipment, and we are glad to merit your continued confidence. Please be assured of our complete co-operation, and whenever we can be of assistance to you, do not hesitate to communicate with us.

Yours very truly,

DUNCAN PARKING METER CORP.

DUNCAN PARKING METER CORPORATION

Purchase Agreement

THIS AGREEMENT, executed in quadruplicate this 2 day of August, 19 56, between THE CITY OF NEWBERG, of the State of Oregon (hereinafter called the "City"), and DUNCAN PARKING METER CORPORATION, an Illinois corporation (hereinafter called the "Company"), witnesseth, that:

THE COMPANY AGREES:

- SALE** 1. To sell to the City Fifty (-50-), or more if needed in the opinion of the City officials, Miller "60" parking meters (hereinafter called "meters"), at a price of Fifty-seven and 50/100 Dollars (\$ 57.50) per meter, plus Eighty-five (85¢) Cents per unit freight; LESS Seven and 50/100 (\$7.50) Dollars for a used Miller Meter if delivered to the Company's warehouse in Los Angeles, California.
- DISCOUNT** 2. That if the purchase price shall be paid within sixty (60) days from date of installation, the City may have a discount of three per cent (-3- %).
- TIME REGULATION** 3. To furnish the meters with a mechanism regulated as to time and equipped with slots for coins as may be determined by the City, within the practicable limits of the meters currently produced by the Company.
- EXTRAS** 4. To furnish without additional charge one (1) complete meter mechanism for service purposes only for each fifty (50) meters installed under this Agreement.
- INSTALLATION COST** 5. At the request of the City, to advance all costs in connection with the delivery, installation and installation supervision of the meters and at time of installation to give instruction to the City appointed maintenance man as to their maintenance.
- TITLE** 6. To give the City a bill of sale for the meters when they are installed.
- REPLACEMENT DEFECTIVE PARTS** 7. To replace any defective part, on the return thereof to the factory, within one (1) year from date of installation of that meter.
- OPTION** 8. Except as provided in paragraph thirteen (13) the City may buy additional meters for its use, at the same terms and at the agreed value in effect at that time. The City may exercise this privilege from time to time until the agreed value of the meters described in paragraph one (1) has been paid. The City need only indicate in writing to the Company its decision to purchase additional meters under this Agreement. In determining whether the agreed value of any meters is paid, all payments shall be averaged over all meters purchased under this Agreement, whether they are the meters described in paragraph one (1) or additional meters purchased hereunder.

THE CITY AGREES:

- PURCHASE AND PAYMENT** 9. To buy the meters described in paragraph one (1), at said price, to install them or permit their installation and to pay for them in the following manner: Thirty (30) days after the installation of the meters, and not later than the fifteenth (15th) day of each calendar month thereafter, the City shall pay to the Company \$1.50 Dollars per meter of the receipts from said meters until the costs, if any, advanced under paragraph five (5) and the purchase price are paid.
- TAXES** 10. That any sales tax, use tax or other tax (whether or not similar to a sales tax or use tax) levied against the Company by reason of this transaction (other than income or excess profits taxes) shall be added to the purchase price.

GOOD
REPAIR

ENFORCE
ORDINANCES

UNAVOIDABLE

AUTHORITY

11. To maintain the meters in good operating condition until the purchase price is paid.

12. Until the purchase price is paid, to enact, maintain and enforce appropriate ordinances relating to the installation, maintenance and operation of these meters and relating to vehicles parking next to them.

13. That the Company shall not be liable for delay in furnishing meters purchased under paragraph one (1), and shall be excused from its obligation to sell additional meters under paragraph eight (8) if such delay is caused by, or if the manufacture, delivery, or installation of meters is prevented, delayed, or made substantially more difficult or substantially more expensive because of, a strike or other labor trouble, fire, tornado, flood, embargo, shortage of transportation, material or labor, war, preparation for war, insurrection, civil commotion, government regulation or other cause beyond the control of the Company.

14. No one shall have the power or authority to alter the terms and conditions of this Agreement in behalf of the Company except its President, Executive Vice-President, a Vice-President, Secretary or Treasurer.

NOTICE TO CONTRACTORS

CITY OF NEWBERG, OREGON
SEWAGE PUMPING STATION
CONSTRUCTION.

Sealed proposals for the construction of a Sewage Pumping Station addressed to the Mayor and City Council of Newberg, Oregon will be received at the office of the City Recorder, City Hall, Newberg, until 7:30 p.m. Sept. 4, 1956, and thereafter will be publicly opened and read aloud.

The principal items upon which bids are invited are as follows:

Excavation.....200 cu. yds.
Class "6" Concrete 51 cu. yds.
Reinforcing Steel7,000 lbs.
Installation of Pumps, piping,
valves, fittings, etc.

Electric wiring, painting
Misc. Steel & Iron.

Plans, specifications and contract documents may be seen at the City Recorder's office or at the office of the Consulting Engineers, Carl E. Green & Associates, 510 Henry Bldg., Portland 4, Oregon. Copies may be obtained by bona fide bidders from the Engineers upon receipt of a deposit check in the amount of twenty dollars (\$20.00). Deposit checks will be returned provided the plans and specifications are returned in good condition.

All proposals shall be made on the regular blank forms furnished with the specifications and shall be accompanied by a certified check or bid bond in the amount of five per cent (5%) of the total bid. The bid security shall be forfeited as liquidated damages by the successful bidder if he should fail or refuse to enter into a contract

and furnish a one hundred per cent (100%) performance bond.

The successful bidder shall furnish security for faithful performance of the Contract in the full amount of the work bid.

The City reserves the right to reject any and all bids and to make an award in the best interest of the City considering unit prices bid, time for completion, experience of the bidders and equipment to perform the work. The City shall have the right to postpone making an award for a reasonable length of time after opening of bids.

City file

George H. Layman, Mayor
City of Newberg
412 First Street
Newberg, Oregon

Dear Sir:

Some months ago, we contacted you regarding our building a new power line crossing in the vicinity of the City of Newberg water filter plant and the City of Newberg water wells. At that time, we asked permission to make a survey and submit to the City of Newberg our plans showing any encroachment of City property.

We have worked with the City Engineer, Mr. Weller Probasco, and placed the river crossing structures and guys so as to interfere the least possible with the City's plans for ultimate use of the property.

We have submitted our plans to the Corps of Engineers for a river crossing permit and expect to complete the job this fall. Tentative agreements have been made with the other property owners and we hereby submit our drawing, CB 398, for your approval.

We feel this job is necessary to provide a better and more directed route of feed serving the City of Newberg water wells and the area North of St. Paul.

Very truly yours,

M.E. Dunston

2424 E. BURNSIDE ST. - PORTLAND 15, OREGON

September 24, 1956

City of Newberg,
Newberg, Oregon

Attention: Thomas Beaty, City Recorder

Gentlemen:

We, the John T. Carson Co., Inc., wish to submit a bid of \$3.23 per bbl. for P. S. #300, Light Domestic fuel oil, to be delivered into your tank at the City Hall for the next season.

It is understood and agreed by both the Buyer and the Seller that the above price represents the Seller's current posted price for your account, which posted price shall apply at all times during the term of this agreement. This is in effect an escalator clause.

Non-performance of any of the terms of this contract shall be excused so far as caused or contributed to by strikes, fires, accidents or any other causes unavoidable or beyond the control of either the Buyer or the Seller.

We wish to thank you for the business this past year and hope that we may continue to serve you. We assure you that every effort will be made to keep our service satisfactory to you.

*Reserve right to drop contract
upon notice*

October 4, 1956

Rev Arthur Freese
620 S. River St.
Newberg, Oregon

Dear Sir:

The City Council at its meeting of Monday evening asked me to write to you and let you know that they expected you to clean up the lot on East Second Street very soon, so it will not be an eye sore during the wet weather.

If the lumber is of no further value, the fire department would burn up the debris, if it were piled up somewhat and taken away from the other nearby buildings.

Yours very truly,

Thomas Beaty, Recorder.

PROOF OF POSTING

I, THOMAS BEATY, being first duly sworn, say that I am the duly appointed, qualified and acting Recorder of the City of Newberg; that on the 26 day of October, 1956, I posted a copy of the attached Notice of Regular Election regarding regular election to be held November 6, 1956, dated October 26, 1956, in the following described places within said City of Newberg, to-wit:

I posted one copy on the City Bulletin Board in the City Hall at the corner of First and Howard Streets in the City of Newberg.

I posted one copy on the City Bulletin Board in the Hallway of the City Library at the corner of Howard and Hancock Streets in the City of Newberg.

I posted one copy on the door of the American Legion Building located at First and Center Streets in the City of Newberg.

I posted one copy on a power pole on the corner of Second and Howard Streets.

I posted one copy on a power pole on the corner of Second and College Streets.

I posted one copy on a power pole on the East side of the intersection where Second Street runs into River Street.

That each of said locations, except said City Hall location, was in a separate voting precinct of the City of Newberg and that I thereby posted one notice in each precinct in said City and one in said City Hall.

Thomas Beaty

11/5/56

300 First Street
NEWBERG, OREGON

October 24, 1956

The City Council
City of Newberg
Newberg, Ore.

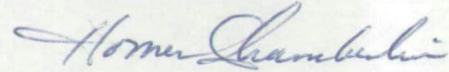

Gentlemen:

Your instructions on renewal of a fire insurance policy on the Newberg Hosiptal expiring November 20th, next, in the amount of \$10,000. will be much appreciated.

This can be placed with the same company, The California Insurance Company. or with mutual company paying a 15% dividend.

I would also appreciate being asked to write some of your other fire insurance on other city properties. This could also be placed with a dividend paying company if you wished.

Yours truly,

Homer Chamberlin

Re: Hospital Fire and
Extended Coverage Insurance

Gentlemen:

Attached please find fire and extended coverage insurance policy beginning October 20, 1956, covering the Newberg Hospital in the amount of \$76,000., protecting building and equipment and written under a course of construction form for one year, which covers the hospital while being constructed and while occupied.

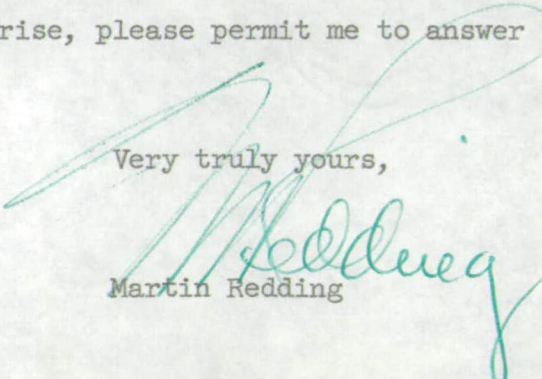

Oregon Mutual Insurance Company policy #999891 expiring November 20, 1956, has been cancelled with a credit of \$11.30 allowed, and check of \$76.64 is attached representing the dividend on this policy.

There are two other course of construction fire insurance policies written effective October 20, 1956; each for \$76,000. and written by Joe Yackey and Paul Abner.

Should questions arise, please permit me to answer them.

Thank you, I am

Very truly yours,

Martin Redding

RAPHAEL L. COOKE
ATTORNEY AT LAW
WOODBURN, OREGON

December 12, 1956

Honorable Mayor and
Newberg City Council
Newberg, Oregon

Gentlemen:

I recently received a letter from Tom Beaty, reminding me that I had never sent you my letter of resignation from the office of Municipal Judge.

I hereby submit my resignation from this position, and also wish to tell you that I have appreciated the opportunity of serving as Municipal Judge in Newberg. When I commenced this work I thought it ought to be fairly easy to decide whether or not a person was guilty in any particular case, and if so, how much his fine should be, or what should be done about him. As time went on I realized it was really quite difficult but that a person's judgment improves with use. So much so, that in the last year or so in that office I managed to decide a few cases correctly.

Thanks again, and with kind regards and wishes for the Holiday Season I am

Yours very truly,

Raphael L. Cooke
Raphael L. Cooke

RLC:ep

RAPHAEL L. COOKE

ATTORNEY AT LAW
WOODBURN, OREGON

December 12, 1956

Mr. Thomas Beaty, Recorder
City of Newberg
Newberg, Oregon

Dear Tom:

I received your letter of November 29th, and am enclosing my letter of resignation as judge. I am also anxious to clear up the matter of the rent. I talked to George about this sometime early last summer and at that time I thought I had paid up to November 1st, 1955, leaving five months rent still due to April 1, 1956. I believe George felt that the Council might be disposed to consider making some allowance for the fact that I was only using the office on a part time basis after September 1, 1955, and also that I had used it for Court Chambers. At that time I planned to send one hundred (\$100.00) dollars to the city as soon as I could. In order to clear this up I have borrowed that amount, and am sending it along for the Council's consideration, in an effort to settle this while the present administration is still in office.

I am doing pretty well here in Woodburn but have to build up my practice, and I will say it looks rather favorable at the present time. I will try to drop in and visit with you and my other friends sometime when I am in Newberg. I was treated kindly by all the city officials and enjoyed working with them and am very thankful for what they have done for me. Mrs. Cooke and the three little ones are fine, and I hope you and your family are well.

With best wishes for the Christmas season I am

Yours very truly,
R. L. Cooke
R. L. Cooke

November 29, 1956

Mr. R. L. Cooke
St. Paul, Oregon.

Dear Ray:

I was in George Laymans office last week for a few minutes, and he asked me if we (the city) had ever had a letter of resignation from you and I told him I thought not. He said he felt there should be one on file, to complete the record and make the new appointment have reason. It was about the 1st of April of this year I think.

Also, he asked me to include a bill for the rent account, that he felt it should not be left for the next administration, if a settlement could be reached. I find that in checking the record book that you started in the month of April 1951, part of the month. Then beginning the first of May 1951 you had the room for 59 months, and also that you had paid enough to cover 53 of those months, at \$40 per month.

I believe George would welcome a conversation ~~from~~ with you on the matter some time, and he said he felt that the Council would certainly be fair about whatever was presented.

It has been some time since you have been around over here, hope you and Mrs. Cooke and the kiddies are all well.

Yours very truly,

Thomas Beatty, Recorder.

12/17/56

HERBERT SWIFT
Attorney-at-Law
CITY HALL
NEWBERG, OREGON

Honorable Mayor and Council of
The City of Newberg, Oregon

Gentlemen:

Re: Hospital Management Contract

Pursuant to the request of the Mayor I have examined a form of management contract submitted in writing by American Hospital Management Corp., Pacific Northwest Division, accompanied by their letter dated October 23, 1956. Both documents relate to the proposed plan for providing management and operating the new City Hospital here. The proposed contract provides as follows with reference to the obligations of the managing agency hereinafter called "Corporation" and the owner hereinafter called "City":

1. City employs Corporation and Corporation agrees to operate and manage the hospital.
2. Term is left open with a provision for mutual renewal which is of little importance as mutual agreement would renew it anyway.
3. Powers and duties of Corporation:
 - a. Corporation to appoint administrator with consent of City. Administrator to be head of hospital administration, chief executive, hire and fire personnel and incur all normal and ordinary expenses.
 - b. Corporation to set up and operate bookkeeping system, rendering monthly reports to City.
 - c. Corporation to keep and maintain a good nursing staff to the best of their ability.
 - d. Corporation to encourage and cooperate with medical staff and medical staff to have no authority over hospital administration except by suggestion.

Dec. 17, 1956

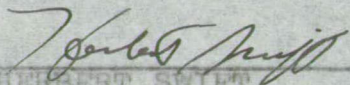

- e. Corporation to purchase supplies locally if competitive otherwise outside purchasing or pool purchasing.
 - f. Placing a ceiling on capital expenditures in single sums without consent of City.
 - g. Corporation to set hospital rates subject to City approval.
 - h. Corporation to receive and deposit all income in the name of the City.
 - i. Corporation to operate hospital efficiently subject to American Hospital Association and State Hospital Association rules. To comply with all laws and regulations applicable.
 - j. Non-disclosure clause both during and after employment.
 - k. To preserve the charitable non-profit nature of City. Note: This clause contains a special provision that the City must furnish Charter and By-Laws. I do not believe this is applicable as it would be in case of a private non-profit group.
4. Relation of Principal and Agent is established between Corporation and City. Administrator is to be carried on Corporation' payroll, City to reimburse Corporation monthly to include payroll taxes. All other employees on City payroll and City to designate the disbursing agent for all operating funds.
5. City maintain insurance covering comprehensive liability property damage malpractice adequate and normal amount, Corporation to be covered by insurance at City' expense.
6. Basic monthly fee (per letter) \$225 up to 24 beds, \$240 over that amount. Plus 20 per cent of net income calculated in same manner as Federal Income Tax excluding donations and legacies on the income side and capital gain and losses on the expense side. To be figured each month. Note: Suggest that a provision be made for an annual balancing in view of the possibility that the monthly calculation may be found in error at the end of the year.
7. Arbitration-clause referring to State of Washington statute. Note: Suggest ORS 33.210-33.340 covering arbitration.

Dec. 17, 1956

This contract seems to follow generally the lines of the plan outlined by the representative of Corporation at the conference with the hospital committee and hospital corporation October 22, 1956. It does not specify that there is a one year limit on the contract as they mentioned but this is blank and could be filled accordingly. Many of the details discussed at the conference are omitted in the contract and should be omitted as they would come under normal operating problems.

The proposed contract contains a provision for the employment of an administrator with the approval of City but provides nothing relative to his removal. It seems this contingency should be covered in some way. Removal of all other personnel is in the hands of the administrator but someone should have control over him. Possibly it is the intention that the term of the contract should be kept short enough to cover this requirement.

Subject to the foregoing and to further investigation of the status of City as a charitable non-profit organization for liability purposes the contract is approved as to form.

HERBERT SWIFT

**CITY OF NEWBERG, OREGON
NOTICE TO CONTRACTORS
MUNICIPAL HOSPITAL
PROJECT**

Sealed proposals for the completion of a municipal hospital, addressed to the City of Newberg, Oregon, will be received at the office of the City Recorder of said city until 7:30 o'clock p. m. Pacific Standard Time on Tuesday, July 10, 1956, and thereafter will be publicly opened and read.

The principal items upon which bids are invited are as follows:

Labor and materials for completing partially constructed municipal hospital building.

Plans, specifications, instructions to bidders, proposal and contract may be seen at the office of the City Recorder of said City of Newberg, at the City Hall at First and Howard Streets, Newberg, Oregon, and also at the office of Roald, Schmeer and Harrington, Architects, at 1104 Portland Trust Building, in Portland, Oregon.

Copies may be obtained upon receipt of a deposit check in the amount of \$50.00 made payable to the City of Newberg. The deposit will be refunded in case a bona fide bid is submitted and the plans and specifications returned in good condition. If no bid is submitted, and plans and specifications are returned in good condition, the sum of \$25.00 will be refunded.

All proposals must be in writing on the regular blank forms furnished with the specifications and must be accompanied by certified check or bid bond payable to the City of Newberg in an amount equal to or exceeding 5 percent of the total bid. A 100 percent corporate surety performance bond satisfactory to the City will be required to guarantee the faithful performance of the contract. The City reserves the right to postpone making the award for a reasonable length of time or at a meeting subsequent to and adjourned from the meeting at which bids are received, and to reject any or all bids for good and sufficient reasons, and to accept the proposal deemed in the best interest of the City, regardless of bid prices.

By order of the City Council, City of Newberg, Oregon.

GEORGE H. LAYMAN,
Mayor

CONCRETE ISLANDS FACE BATTER 1:6

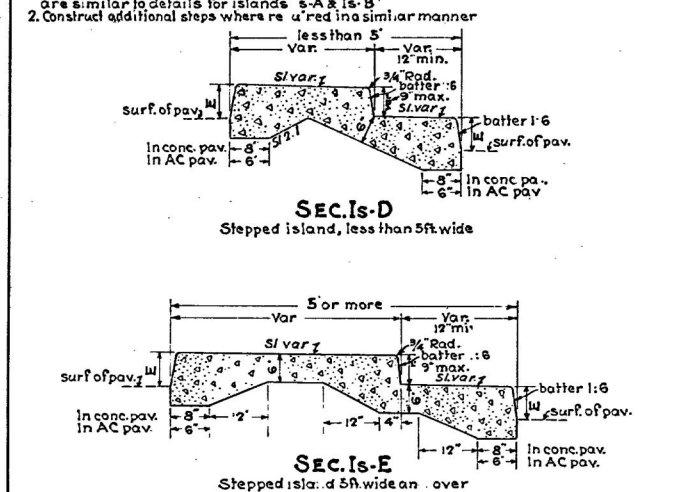

NOTE: No dowels required for islands on conc. pav. 5 ft. wide or over.

NOTE: No dowels required for islands on AC pavement. 5 ft. wide or over.

NOTE: Is-D & Is-E are similar to details for islands Is-A & Is-B. Construct additional steps where required in similar manner.

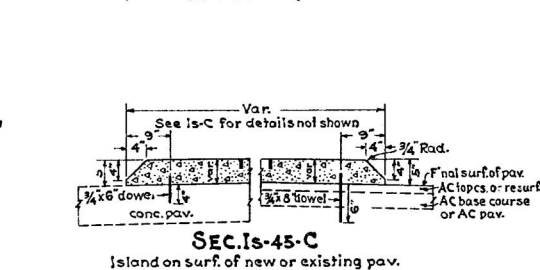

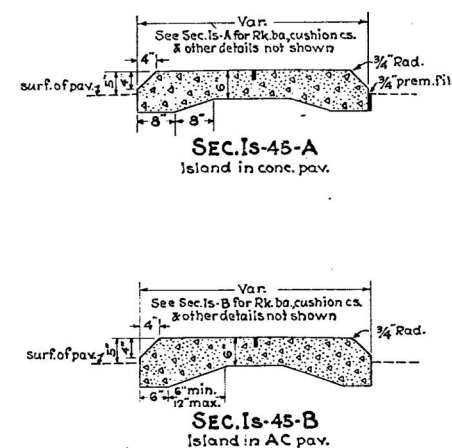

GENERAL NOTES FOR CONCRETE ISLANDS

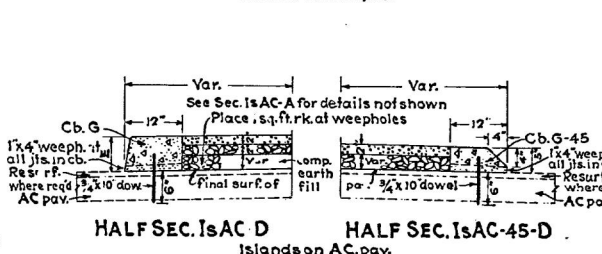

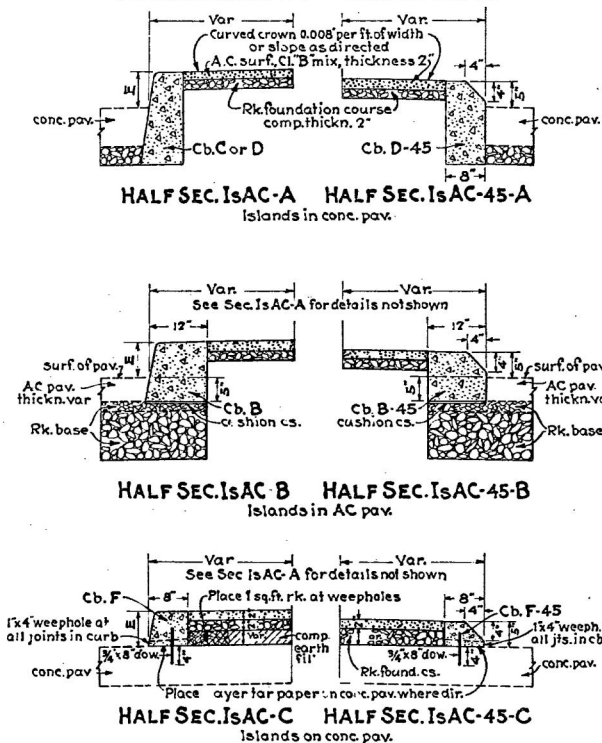

1. Face Exposure: 7" standard, vary as shown on typical sections or as directed.
2. Face Batters: standard 1:6 vary as shown on typ. secs. or as dir.
3. Joints and Surface Finish: as specified.
4. Transverse Joints: in conc. islands in or on conc. pav. to match joints in pav. and to be of same type (omit dowels in exp. joints).
5. Premolded Filler: Place prem. filler along one side of conc. islands in conc. pav. and around all curved ends.
6. Dowels: all 1/2" length as shown. In new conc. pav. set dowels before concrete hardens. In existing conc. pav. drill holes, 1/2" dia., and grout dowels in. In AC pav. drive dowels.
7. Other Details: to be varied as shown on typ. secs. or as dir.

DETAIL OF WOOD PLUG
for forming weepholes
NOTE: Grease well. Remove after concrete has hardened.

CONCRETE TRAFFIC SEPARATORS

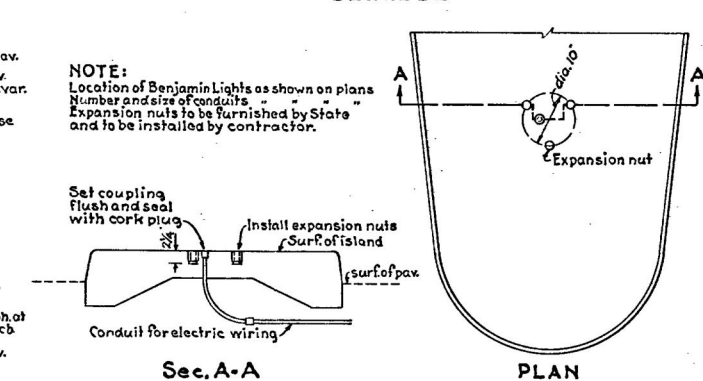

TRANSITION FROM CONC. ISLAND TO CONC. TRAFFIC SEPARATOR

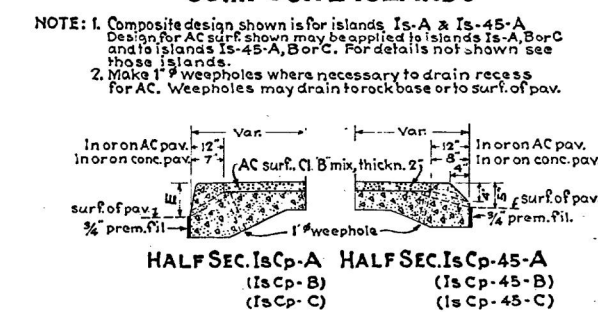

NOTE: 1. Markers are sloped in opposite directions alternately.
2. Standard markers are shown. Length varies where shown on plans or as directed.
3. All painting to be done by State forces.

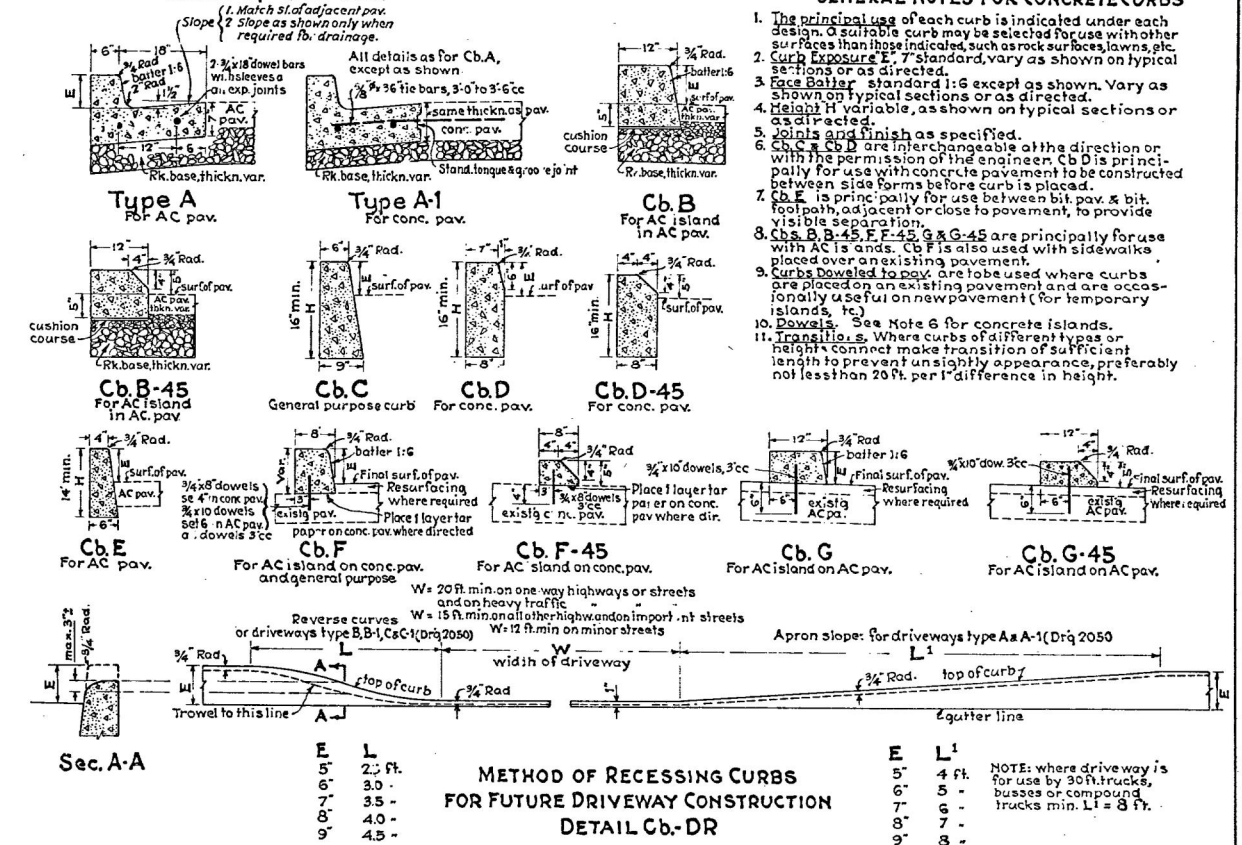

FASTENERS FOR BENJAMIN LIGHTS

COMPOSITE ISLANDS

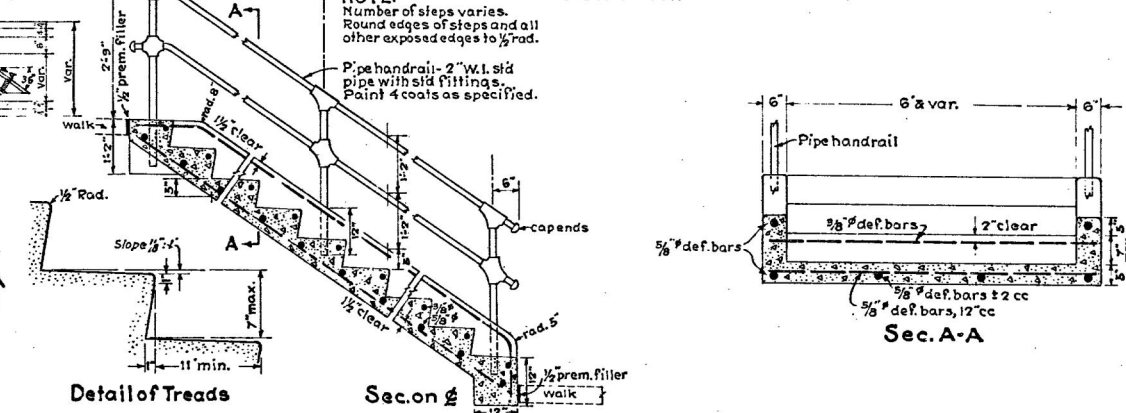

MONOLITHIC CURB & GUTTER

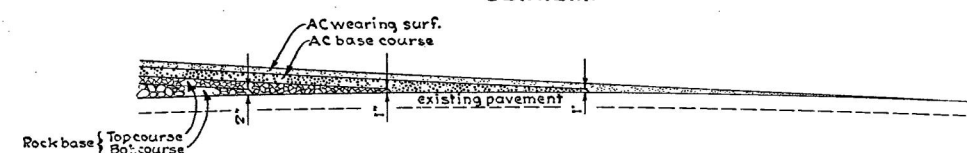

GENERAL NOTES FOR CONCRETE CURBS

1. The principal use of each curb is indicated under each design. A suitable curb may be selected for use with other surfaces than those indicated, such as rock surfaces, lawns, etc.
2. Curb Exposure: 7" standard, vary as shown on typical sections or as directed.
3. Face Batters: standard 1:6 except as shown. Vary as shown on typical sections or as directed.
4. Height: H variable, as shown on typical sections or as directed.
5. Joints and Finish: as specified.
6. Cb. A & Cb. B are interchangeable at the direction or with the permission of the engineer. Cb. D is principally for use with concrete pavement to be constructed between side forms before curb is placed.
7. Cb. E is principally for use between bit. pav. & bit. footpath, adjacent or close to pavement, to provide visible separation.
8. Cb. B, B-45, F-45, G & G-45 are principally for use with AC is. and. Cb. F is also used with sidewalks placed over an existing pavement.
9. Curb. Dowels to pav. are to be used where curbs are placed on an existing pavement and are occasionally useful on new pavement (for temporary islands, etc.).
10. Dowels: See Note 6 for concrete islands.
11. Transitions: Where curbs of different types or heights connect make transition of sufficient length to prevent unsightly appearance, preferably not less than 20 ft. per 1" difference in height.
