**Agenda Date:** April 27, 2022

**From:** Mac Corthell, Community Development Director

**Approved by:** Dan Huff, City Manager

**SUBJECT:**

Resolution 2022-04 Adopting Updated System Development Charge (SDC) Rates

**FISCAL IMPACT:**

The SDC Rates Determine the Charges Applied to New Development and Increased Usage of Capital Systems for their proportionate use of existing systems and their contribution to system capacity expansion.

**RECOMMENDATION/RECOMMEND MOTION:**

I move the City of Molalla Adopt Resolution 2022-04, A Resolution of the City of Molalla, Oregon, Adopting Updated System Development Charge Rates.

**BACKGROUND:**

System Development Charges (SDC) are paid by New Development, and increased usage of Capital Systems; they consist of a reimbursement portion and an improvement portion.

Reimbursement fees are based on the depreciated and cost adjusted value of existing fixed assets in the system divided by projected community growth.

Improvement fees are based on the projects in the 5-year Capital Improvement Plan, limited by the capacity increasing percentage of each, and divided by projected community growth.

SDC's are a one-time charge that run with the property and provide that property with SDC credits equal to the use for which SDC's have been paid, or the use at the time an SDC was implemented for uses that preceded SDC adoption.
