

ROSEBURG URBAN SANITARY AUTHORITY
DOUGLAS COUNTY, OREGON
RESOLUTION NO. 83-1

WHEREAS, the City of Roseburg, the North Roseburg Sanitary District and the North Umpqua Sanitary District, all of Douglas County, Oregon, operate within the boundaries of the Roseburg Urban Sanitary Authority for the purpose of providing sewage collection and treatment services therein; and

WHEREAS, by election duly and regularly held the formation of the Roseburg Urban Sanitary Authority was approved by the qualified electors within the boundaries of said Authority and the Roseburg Urban Sanitary Authority was formed by order of the Douglas County Board of Commissioners; and

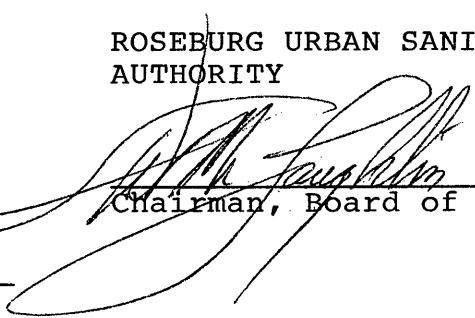

WHEREAS, the Roseburg Urban Sanitary Authority is in the process of organizing, budgeting and planning for the operation of a regional sewage collection and treatment facility within its boundaries and intends to assume operation and maintenance of the regional system by July 1, 1983,

NOW, THEREFORE, be it resolved that until such time as the Roseburg Urban Sanitary Authority shall, through action of its Board of Directors, determine that it is prepared to assume the operation, maintenance and, if necessary, construction of a regional sewage collection and treatment facility within the boundaries of the Roseburg Urban Sanitary Authority, that the City of Roseburg, the North Roseburg Sanitary District and the North Umpqua Sanitary District, be, and they hereby are, authorized to continue operation with all statutory and charter power hereto-

fore enjoyed to operate a sewage collection and treatment facility within the City of Roseburg and within the North Roseburg Sanitary District and North Umpqua Sanitary District as the same has been operated in the past prior to the formation of the Roseburg Urban Sanitary Authority.

Dated this 13th day of April, 1983.
