

ORDINANCE NO.13

AN ORDINANCE AMENDING SECTION 4 OF ORDINANCE NO. 3 OF THE ROSEBURG URBAN SANITARY AUTHORITY.

IT IS HEREBY ORDAINED that Section 4 of Ordinance No. 3 of the Roseburg Urban Sanitary Authority be amended by adding the following paragraph to said Section 4:

"If a connection to the public sewer systems of the Roseburg Urban Sanitary Authority is not made pursuant to this Section within thirty (30) days following notice to connect or within thirty (30) days following determination of the Board of the Authority following hearing of objections to such connections, the Board may impose a sewer service charge against the property. The sewer service charge shall be in an amount consistent with other sewer service charges in the Authority and may be collected as a sewer service charge in the manner provided by law. The Board may issue an exception to existing structures if connection to the systems would create a financial hardship. If the existing septic system is failing, the Board would require connecting to the system but may extend or delay the connection fee payments until the hardship condition changes or the property changes ownership."

PASSED AND ADOPTED BY THE BOARD OF DIRECTORS OF THE ROSEBURG URBAN SANITARY AUTHORITY AT ITS REGULAR MEETING HELD ON THE 9TH DAY OF MARCH, 1988.
