

ORDINANCE NO. 890

An Ordinance to amend Ordinance No.888, the General Sewer Ordinance, relating to the effective date of the imposition of connection charges, and declaring an emergency.

THE PEOPLE OF THE CITY OF THE DALLES ORDAIN AS FOLLOWS:

Section 1. Article X, Section 2 (a) is amended to read as follows:

(a) The connection charges within the corporate limits of the City of The Dalles shall be \$200.00 per unit. For units in excess of ten units the rate shall be reduced \$5.00 for each additional unit but in no event shall be less than \$50.00 per unit. This charge shall be made on all permits issued on and after January 1,1972.

Section 2. Article X, Section 2 (b) is amended to read as follows:

(b) The connection charge outside the corporate limits of the City of The Dalles shall be \$200.00 for each unit. For units in excess of ten units the rate shall be reduced \$5.00 for each additional unit but in no event shall be less than \$50.00 per unit. This charge shall be made on all permits issued on and after January 1, 1972.

Section 3. Since Ordinance No.888 provided for varying dates on which the connection charges would be imposed, and considerable confusion has arisen as to when affected property owners are entitled to connect to the sewer system without payment of the connection charge provided for in said ordinance, and the Council has deemed it to be in the best interests of the City and the users of the sewer system that this matter be clarified, now, therefore, an emergency is declared to exist and this ordinance shall go into full force and effect immediately upon its passage and approval.

The foregoing ordinance was read once in full, and by unanimous vote the rules were suspended, and it was read the second time by title only, and passed the 4th day of October, 1971, by the following vote:

Yes	<u>4</u>
No	<u>0</u>

Approved by the Mayor this 4th day of October, 1971
