Work Session – August 28, 2018  
5:15 p.m.

Warrenton City Hall - Commission Chambers  
225 S. Main  
Warrenton, OR 97146

Mayor Pro-tem Newton called the work session to order at 5:20 p.m.

Commissioners Present: Mayor Balensifer, Mark Baldwin, Tom Dyer, Pam Ackley, and Rick Newton

Staff Present: City Manager Linda Engbretson, Finance Director April Clark, Community Development Director Kevin Cronin, Police Chief Mathew Workman, Fire Chief Tim Demers, and City Recorder Dawne Shaw

Community Development Director Kevin Cronin discussed homestay lodging safety regulations. He noted the hearing at the previous meeting, where homestay lodging was tabled at that time to hold a discussion. He briefly reviewed the agenda memo, as well as a hand out he presented on regulations. Mr. Cronin defined homestay lodging, and noted vacation rentals are different and typically not owner occupied.

Mayor Balensifer stated he would allow public comment – Lisa Lamping presented a handout for the record and noted she misunderstood what the work session was on and stated she wishes there could be a discussion on the whole thing, (vacation rentals, Airbnb, homestay lodging). She noted it is a big issue to address and one size does not fit all. Ms. Lamping stated she would like to see more discussion with citizens input, such as a town hall. Krista Bingham concurred with Ms. Lamping that there needs to be more discussion and asked what the Commission's concerns were. The Commission noted parking is an issue as well as taking homes off the market; have to maintain the balance. Ms. Bingham stated making any kind of ruling without community input is a concern. The Commission continued the discussion and Commissioner Newton noted they are trying to be ahead of the game. Mayor Balensifer stated the County housing task force is working on these issues. He noted he shares Commissioner Newton's concern to get ahead of the curve; and suggested continuing the conversation, and to postpone the ordinance until the county has a draft report, in October.

Mr. Cronin stated there are there are currently 12-13 Airbnb listings in Warrenton. He noted he did reach out to all and most are aware of this meeting/discussion. Discussion continued on the need to have a business license, adequate parking, and the need to have a responsible person present. Commissioner Ackley suggested looking at Seaside's model for vacation rentals.

The Commission is in agreement on requiring a business license; no cap on the number of rooms as long as there is adequate parking; and a responsible party present to deal with problems.

Discussion continued and the consensus was to have staff develop something and then have public comment.

There being no further business, Mayor Balensifer adjourned the work session meeting at 6:02 p.m.

PUBLIC HEARINGS –

Mayor Balensifer opened the public hearing on the Coastal Maintenance & Plumbing Appeal (File No. AP 18-3). Formalities followed and no conflicts of interest were reported. Community Development Director Kevin Cronin presented his staff report. He stated the Planning Commission approved a conditional use permit application for development of a new plumbing

shop at 2103 Dolphin Avenue. The Planning Commission included thirteen conditions of approval. An appeal was submitted within the 14-day appeal period objecting to the requirement for a sanitary sewer extension. He noted there are two options to be able to extend the sanitary sewer and that information was provided to the appellant multiple times, so he was surprised there is an appeal. Mr. Cronin noted the appellant does have new evidence. Commissioner Newton asked for clarification on the sewer line options. Mr. Cronin clarified, and noted the appeal is due to the fact that they either do not want to do a sanitary line, or they want to do it in a way that is not compliant with our standards. The appellant, Mr. Jerry Castro presented an engineering report for the record and spoke in regards to the appeal. He stated the City is proposing an option of extending the sewer line across the street, into the pressurized system, which is too expensive. He would like a smaller individual sewer pump to go into the pressurized system. Commissioner Newton asked for clarification on a discrepancy in numbers. After brief discussion, Mr. Cronin requested a 10 minute recess to review the newly submitted engineering report. At 6:20 p.m. Mayor Balensifer recessed the public hearing and the City Commission meeting for 10 minutes. At 6:30 p.m. Mayor Balensifer reconvened the public hearing and the City Commission meeting. Public Works Director Collin Stelzig clarified the distance discrepancies and stated the engineer's report notes a pressurized system is the easiest system to put in, which he agrees with. He further discussed grinder pumps and stated the appellant would need an easement through private property to connect to the sewer system. Mr. Castro stated he would like to install a grinder pump; the neighbor has given him permission to cross his property, but he has not heard back from the city. After further discussion it was determined the appeal in a "nonissue." There being no further comments, Mayor Balensifer closed the public hearing.

**Commissioner Newton made the motion, based on the July 12, 2018 staff report to the Planning Commission, the record established by the Planning Commission in its review of the CUP 18-2, and the appeal record established through Agenda Summary for August 28, 2018 City Commission public hearing, moved to deny the appeal of Planning Commission approval and uphold the decision of the Planning Commission.**

Brief discussion on the motion followed, and Mr. Cronin recommended adding a short clause to the notice of decision. Mayor Balensifer requested Mr. Cronin write out the proposed motion, and stated he will move on to the Proclamation and come back to the vote.

**After reading a Proclamation, Mayor Balensifer declared the month of September as "*Kiwanis Children's Cancer Cure Month.*"**

After brief discussion Commissioner Newton amended his original motion.

**Commissioner Newton amended his motion to, based on the July 12, 2018 staff report to the Planning Commission, the record established by the Planning Commission in its review of the CUP 18-2, and the appeal record established through Agenda Summary for August 28, 2018 City Commission public hearing, moved to deny the appeal of Planning Commission approval and uphold the decision of the Planning Commission, to allow alternatively a pressure sewer line can be extended through an adjacent property owner and connect to the gravity sewer line. City Manager Linda Engbretson stated several years ago, 2011, Warrenton Senior Citizens, Inc., (WCS) came before the City Commission and requested a reduction in their monthly lease payment for use of the Community Center on Mondays and Thursdays to provide a senior meal site. She noted at that time they were experiencing financial difficulties and were unable to keep up with the previous \$250 per month rate. The City has charged \$1.00 per year beginning July 1, 2011. The WCS Inc., Board recently voted to pay the City \$100 per month for use of the site, as

the program is quite successful and their financial situation has improved. This increase will help offset utility and ongoing maintenance costs of the Community Center. Brief discussion followed. Mayor Balensifer stated the first RDI meeting was held in Hammond to try to ensure that the people Hammond were not left out of the process. He stated in an effort to get the government to the people, he was hoping to have a town hall for the seniors, and considered having it at one of the senior lunches. Mayor Balensifer noted City Manager Engbretson suggested the City Department Heads serve the meal before the town hall as another way of connecting with Warrenton's senior citizens; he is waiting for approval from the Seniors Inc. board.

**Commissioner Ackley made motion to amend the Warrenton Senior Citizens Inc. lease, Section 8, increasing the lease payment to \$100.00 per month, effective September 1, 2018. Motion was seconded and passed unanimously.**

Mr. Jeffries noted the consultants that have been hired and the studies that have been done, and stated the studies can be provided for review. Discussion followed on the specifics of the letter and Commissioner Ackley stated she can draft a letter that is more general in support. Discussion continued and the Commission agreed to write a letter of endorsement and put it in the voter's pamphlet. Mayor Balensifer noted that since he is endorsing the school bond, he will not be able to endorse the jail bond, due to concerns of the burden on the tax payers. Brief discussion followed.

DISCUSSION ITEMS – None

GOOD OF THE ORDER –

Commissioner Newton noted the upcoming concert in the park, on September 1, and also reminded every one of the September 29 Emergency Preparedness event.

Commissioner Dyer thanked everyone for their support, noting he had cancer surgery yesterday, which was successful. He stated he is thankful for the upgrades in cancer research/treatment; he

only stayed one night in the hospital and he is doing fine. Mayor Balensifer stated it is a testament to his strength of character.

Commissioner Baldwin gave an “Atta boy” to Former Fire Chief Ted Ames for doing maintenance work at Ocean View Cemetery, and stated it looks good. He also gave an “Atta boy” to the Public Works department for knocking on his mother’s door to tell her of excessive water usage; which turned out to be a water leak. He stated he appreciates what Public Works has become.

City Manager Engbretson noted at the last meeting she mentioned scheduling a joint work session meeting with the Community Center Advisory Board on October 18. She stated she would like to move that meeting to January, due to several commission members being out of town at that time. Brief discussion followed and Ms. Engbretson noted she will approach the advisory board about a special meeting. Ms. Engbretson and Commissioner Ackley noted a community outreach event at the September 7<sup>th</sup> football game; there will be a table with flyers, tsunami maps and possibly CERT information. Chief Workman will also have a table at the event. Ms. Engbretson stated she is hopeful in next month, she will have the lease renewal for the Hammond marina; and noted this is a necessary step before the transfer.

## AGENDA MEMORANDUM

TO: Warrenton City Commission  
 FROM: Kevin A. Cronin, AICP, Community Development Director  
 DATE: For the Agenda of September 11, 2018  
 SUBJ: Fee Resolution: Development Review Applications

## SUMMARY

Attached is a proposed fee schedule that updates a previous one from 2010. It is intended to offset the cost of processing a range of administrative actions regarding land use planning, zoning, and development review related activities. The attached fee comparison of peer jurisdictions was used as a tool to arrive at the proposed increases as well as the eight years that have elapsed between updates. There are a number of new fees that were not previously captured that should also offset staff time and the cost of service delivery. Staff time for the Community Development Director position is billable at \$67/hr. The City Commission included the proposed resolution as a discussion item at its August 14 and held a first reading on August 28, 2018.

The new fee schedule is Exhibit A to Resolution 2519.

## RECOMMENDATION/SUGGESTED MOTION

*I move to approve the second reading of Resolution No. 2519, by title only.*

*"Revising Land Use Application Fees, Repealing Resolution No. 2311, and All Resolutions in Conflict"*

## ALTERNATIVE

None suggested

## FISCAL IMPACT

It is unclear how much revenue would be generated from the new fees, but certainly more than what the City has traditionally collected in years past. Only \$22,000 was collected in FY 17-18. All revenue collected will go to the general fund.

Approved by City Manager.

All supporting documentation, i.e., maps, exhibits, etc., must be attached to this memorandum.

RESOLUTION No. 2519

Revising Land Use Application Fees, Repealing Resolution No. 2311, and All Resolutions in Conflict

WHEREAS, it is the responsibility of the applicant to defray the cost of processing land use applications,

WHEREAS, the current fees approved by Resolution No. 2311 on August 24, 2010 do not cover the full cost of processing an application and certain applications and fee for services were not addressed; and

WHEREAS, the Community & Economic Development Department strive to deliver the highest quality customer service for its programs and needs to periodically update the fee schedule to reflect the increase costs of processing applications;

The City Commission of the City of Warrenton resolves as follows:

Section 1. The minimum fees, hereby incorporated by reference and attached as Exhibit A, shall be paid to the City upon the filing of a land use application or request for service. Such fees shall not be refundable.

Section 2. The fee schedule shall be updated annually based on the Consumer Price Index (CPI) provided by the US Bureau of Labor Statistics.

Section 3. Resolution No. 2311 is hereby repealed, and Resolution No. 2519, Exhibit A: Planning Application Fees is hereby adopted.

Section 4. This resolution shall be in full force and effect as of October 1, 2018.

Adopted by the Warrenton City Commission this 11<sup>th</sup> day of September, 2018.

PO Box 250  
Warrenton, Oregon 97146

Dear Ms. Engbretson,

Thank you for the opportunity to prepare a Scope of Work and an estimate for a substantial amendment to the Warrenton Urban Renewal Plan.

In the past 12 years, Elaine Howard Consulting, LLC has completed work on over 75 urban renewal plans in communities in Oregon to help them either establish new urban renewal areas, update their plans or complete amendments to their existing plans.

We are skilled at working effectively with communities of all sizes throughout Oregon. ## Proposed Professional Services

This amendment would increase the maximum indebtedness for the Warrenton Urban Renewal Area (Area). The amendment would be a Substantial Amendment as described in VII of the Warrenton Urban Renewal Plan (Plan), requiring, by ORS 457, the same process as the approval of an original urban renewal plan. This includes an Agency meeting, Planning Commission recommendation, County Commission briefing, consult and confer letters to taxing districts, approval of the Amendment by non-emergency ordinance of the City Council after a public hearing.

The specific documents required for the amendment and which will be completed as part of this contract are listed below.

Documents included in budget:

- Urban Renewal Plan Amendment including updating projects and financial analysis for the increased maximum indebtedness and incorporating the amendment into the urban renewal plan. This will also include an update of the full Plan to bring it to current standards for urban renewal plans.
- Urban Renewal Report on Amendment – This is an update to the required original report and includes:
  - Documenting existing conditions in the Area to enable the finding of blight, requiring transmittal to consultant of portions of master plans that indicate the street, water, sewer and storm water conditions in the Area.
  - The relationship between each project to be undertaken and the existing conditions
  - The total cost of each project and the source of funds to pay such costs
  - The estimated completion date of each project
  - The estimated amount of funds required in the Area, and the anticipated year in which the debt will be retired
  - A financial analysis of the Amendment (much of this is completed)
  - A fiscal impact statement that estimates the impact of tax increment financing upon all entities levying taxes upon property in the urban renewal area
- Urban Renewal Agency Report (consultant attends meeting)
- Planning Commission Report (consultant attends meeting)
- City Council Report and Ordinance (consultant attends meeting)
- Consult and Confer letters with taxing districts (consultant attends meeting with County)
- Notices – consultant will prepare
  - Planning Commission
  - City Council Hearing
  - Notice of Adoption
  - Notice to assessor
  - Cover for recording

Meetings in budget:

- Agency
- Open House
- Planning Commission
- Clatsop County
- City Council

The proposal includes five on-site meetings. If additional on-site meetings are desired, each on-site meeting is an additional \$1,500 to the budget to cover travel time, meeting time and preparation. An Advisory Committee is not included in this budget. If an Advisory Committee is desired, it typically meets three times to get an understanding of urban renewal, review the projects, and review the financial analysis.

If work is cancelled before the contract is completed, the hourly fees for work completed to date and any reimbursable expenses will be due to consultant. Travel time is billed at the hourly rate. Expenses are to be reimbursed at cost. Mileage is billed at the federally established rate (2018 rate is .545 a mile)

## Hourly rates/Estimated costs

Elaine Howard Consulting, LLC Elaine Howard	\$195	18.25	\$ 3,559.00
Scott Vanden Bos	\$145	82.5	\$11,963.00
5 trips travel time and expenses			3,466.00
