Salem, OR 97301

Honorable Lewis:

Please accept our sincere gratitude for the work you have done on behalf of the City of Molalla. The effort has not gone unnoticed.

We particularly appreciate the work you have done to obtain additional funding for Main Street/ Highway 211. Hopefully, the improvements will promote additional redevelopment and most importantly, improve pedestrian and bicycle safety through this corridor.

I believe it is also important to recognize the effort you made in facilitating discussions with the Department of Environmental Quality. We have made recent strides through discussion that will benefit our City for some time. We will be sure to keep you informed of our efforts with wastewater.

We look forward to future partnerships and great things for Molalla.

Sincerely,
