Re: Approval Final Upland Cap Operation, Monitoring, and Maintenance Plan  
Former Petroleum Terminal No. 0022 and Manufactured Gas Plant  
256 Marine Drive, Astoria, Oregon  
DEQ ECSI Number 1646

Dear Ms. Wetzsteon and Ms. Lee:

The Oregon Department of Environmental Quality (DEQ) reviewed the October 25, 2019 *Final Upland Cap Operation, Monitoring, and Maintenance Plan (OMMP)*. The final OMMP is based on the October 25, 2019 *Response to Comments* table submitted as an attachment to the final OMMP. DEQ approves the final OMMP for use in the remedial design/remedial action according to the 2011 Record of Decision with 2012 revisions.

Sincerely,

Anna Coates, R.G.  
Project Manager  
Department of Environmental Quality  
NWR Cleanup Program
