

# FDU 300 Applicator

## Free Use Program

**RootX® is once again leading the way and changing the root control industry.**

The RootX® **“Free Use Program”** allows you to use the latest root control equipment at no cost to you. No longer will you have to invest in the equipment needed to get your root control program underway. When you purchase any quantity of the RootX® 40 lb. boxes for mainline use, you have the option to receive one of the new FDU 300 Applicators at no cost to use for free for 30 days. Then after

the 30 days you clean it off and package it back up in the original box and ship it back to RootX® and there is no charge. The next time you decided to purchase more of the 40 lb. boxes, you can take advantage of this program again saving you the expense of equipment purchase for your root control program.

### How it works:

1. Purchase 40 lb. boxes of RootX®.
2. Schedule when you would like to have the FDU 300 Applicator delivered to you.
3. Use the FDU 300 Applicator for 30 days.
4. Clean off the FDU 300 applicator, package it back up and ship it back to RootX.

### FDU 300 Benefits:

- No charge to use the new applicator for 30 days.
- Patented bayonet locking system, faster chemical transfer tube and self-righting spray head applies more RootX®

chemical to the top and sides of the pipes where the root intrusion occurs.

- Can be scheduled for delivery when you are ready to do your applications. You don't have to receive the applicator when you order the product, just schedule a future delivery date.
- If you would like to use the FDU 300 Applicator longer than 30 days, it can be rented for an additional \$500/month.
- The FDU 300 Applicator can also be purchased for \$5,950.
