File no. 55125

EPA no. OR0026263

Facility: Medford RWRf, 1100 Kirtland Rd., Central Point

DEQ has approved your Recycled Water Use Plan and it is now incorporated into your permit by reference. As you are aware, DEQ placed your Recycled Water Use Plan on public notice as a permit modification pursuant to OAR 340-045-0055(2)(b). Attached is the DEQ-approved plan.

DEQ approval of this plan is considered a permit modification. Pursuant to OAR 340-045-0055(4), this modification will become effective March 11, 2024, unless the city requests a hearing within 20 days. A request for a hearing must be made to the DEQ director in writing and state the grounds for the request. Any hearing will be conducted as a contested case hearing in accordance with ORS 183.413 through 183.470 and OAR 340-011. If a hearing is requested, the existing permit continues in effect until a final order is issued.

If you have any questions, please contact Andy Ullrich at 541-776-6189 or Andy.Ullrich@deq.oregon.gov. I may also be reached at 503-378-5081.
