Intent to Participate

The undersigned requests oversight by the Department of Environmental Quality (DEQ) of the investigation and cleanup activities of possible contamination at the property described above and requests the site be placed on DEQ's list of sites for oversight.

The undersigned intends to negotiate in good faith a written agreement with DEQ to provide for voluntary oversight. However, this Intent to Participate does not constitute such an agreement, and neither DEQ nor the undersigned will be bound to proceed with voluntary oversight unless such an agreement is executed. The agreement will describe the project activities of each party and will require the undersigned to reimburse DEQ for all of its oversight costs.

As DEQ moves sites from the waiting list to active status, DEQ will notify the undersigned in writing. Following receipt of such a notice (or earlier) the undersigned will submit a report to DEQ summarizing existing conditions, activities and status at the site. The undersigned understands that DEQ will move sites from the list to active status based on various considerations, only one of which will be the timing of the original placement of a site on the waiting list.

With this Intent to Participate, the undersigned does not admit or assume liability for investigation or cleanup of the site. In addition, the undersigned may terminate the Intent to Participate at any time by notifying DEQ in writing.

Please execute this Intent to Participate in the space below and return to:
