In response to your transfer application and fee, DEQ has transferred your National Pollutant Discharge Elimination System General 100-J permit from Hexion Inc. to Franklin International, Inc.

A new cover sheet for your permit reflecting the name and ownership changes that you requested is enclosed. A copy of the permit is attached and discharge monitoring report. Compliance with your permit is required at all times.

Please be aware that you will be billed an annual fee every year for this permit. If you have any questions, please contact Mark Bentz at 503-229-5078 or at Mark.Bentz@deq.oregon.gov. A hard copy will follow in the mail.

Sincerely,
