In response to your name change application and fee, DEQ has changed the issuance name for your National Pollutant Discharge Elimination System General 200-J permit from Roberts Creek Water District to Green Area Water & Sanitary Authority.

A new cover sheet for your permit reflecting the name and ownership changes that you requested is enclosed. A copy of the permit is attached. Compliance with your permit is required at all times.

An annual discharge monitoring report is due to DEQ every January 15. The annual report form is attached and available on DEQ's website:

<https://www.deq.state.or.us/wq/wqpermit/docs/forms/dmr/gen/Gen0200dmr.pdf>. Please be aware that you will be billed an annual fee every year for this permit.

If you have any questions, please contact Jennifer Maglinte-Timbrook at 541-743-1663 or jennifer.maglinte-timbrook@deq.oregon.gov. A hard copy will follow in the mail.

Sincerely,
Ranei Nomura
