Chair Cox called the committee to order at 7:05 PM.

MINUTES: The Minutes of the April 28, 1997 meeting were reviewed. Motion Pennock/Cox moved to approve the minutes. Passed by those present.

NEW BUSINESS:

REPORT ON BOND SALE: Kathy Tri reported that the City opened bids on the general obligation bond and special assessment bond on May 21st. The GO bond rate was 5.26% and the assessment bond rate was 5.224%. She reported that these are excellent rates. In fact she had Pat Clancy, the City Financial Advisor, check other similar bond sales that took place that day around the country, and Newberg did very well. The City should be pleased.

BUDGET RESOLUTION: Kathy Tri promised this would be the last budget resolution for the fiscal year. The Police Department was awarded a Local Law Enforcement Block Grant of \$5,970 to be used primarily to purchase radar equipment. The grant needed to be recognized and appropriated. The second item in the resolution was a transfer in the Street Systems Development Fund for capital projects related to development. Motion: Cox/Pennock moved to approve the budget resolution for City Council adoption.

POLICY ON ASSESSMENT ASSUMPTIONS: Kathy Tri asked the committee for guidance on having local improvement assessments assumed by a new property owner. She said the City had a recent request. The policy has been that all assessment liens must be cleared at the time of closing. She reported on a survey she did of eight Metro cities. Five out of the eight reported that they allow assessment liens to be transferred to the new owners; some did so under special circumstance. She recommended that such transfers be consider for commercial only properties; for balances over \$5,000; require Finance Committee approval; and a new loan form be completed at closing. Chuck Cox stated that he was not against allowing property owners to transfer their liens; however, the City should try to get the money. Tri pointed out that generally the lending institutions will require the lien to be cleared at closing. Duane Cole suggested adding a fee. Bert Pennock suggested charging a percent, such as 10%. Duane Cole mentioned that City

Attorney Terry Mahr should review the policy. Lisa Thomas felt that the transfer should be allowed for both residential and commercial. She would like to see a draft of the LID brochure within the next 60 days and it should be ready before the City does the 99W undergrounding project.

MONTHLY REPORT: Kathy Tri presented the monthly report.

MONTHLY TRANSACTIONS: There were no questions about monthly transactions.

Lisa Thomas asked for a list of consultants and year to date expenses. She also suggested that the list of Council members and Mayor and the City Manager's business card be added to the new customer packets.

ADJOURNMENT: The committee moved to adjourn at 7:45 p.m.
