ISSUE STATEMENT AND SUMMARY

The Public Works Department has a 1984 Dodge pick-up utility truck that needs to be declared surplus and disposed of in accordance to City Ordinance Number 830.

BACKGROUND

- A. **Council Action History.** Previously has declared items surplus to be properly disposed of.
- B. **Analysis.** The Vernonia Public Works has neither room nor the resources to continually amass property necessitating the need to have the items declared surplus to properly dispose of.
- C. **Financial and/or Resource Considerations.** Following Ordinance 830 procedures the property declared surplus can be disposed of and a small amount of revenue can be derived from of the viable property.
- D. **Timing Issues.** There are no timing issues.

COUNCIL OPTIONS

Declare item surplus so they can be properly disposed of; or not declare it surplus and maintain it in storage.

STAFF RECOMMENDATION

Declare the listed item as surplus so it can be properly disposed of.

SUGGESTED MOTION

I move “ to adopt Resolution 22-09”
