PCB Areawide – N Bradford St. ROW, Portland, Oregon
Peninsula Iron Works, ECSI ID #6480

Dear Mr. Johnson,

Oregon Department of Environmental Quality (DEQ) has reviewed the revised document entitled ***Focused Removal Action Work Plan*** (Work Plan), prepared by Evren Northwest, Inc. (Evren NW) on behalf of Peninsula Iron Works (PIW) and dated July 28, 2023. The work plan adequately addresses DEQ's comment letters provided by DEQ to Evren NW on July 6 and July 27, 2023. DEQ approves the work plan and requests Evren NW notifies DEQ at least 7 days prior to the start of the field work.

If you have any questions, please contact me at (503) 926-2257.

Sincerely,

Rebecca Digiustino
