Location: Sandy Farms, 34500 SE Hwy 211, Boring

We received your email on May 31, 2023 requesting termination of Water Pollution Control Facilities General 1400-A permit coverage because your facility is no longer in operation. Termination of this permit coverage is effective April 9, 2024. DEQ is canceling invoice no. WQ23IND-0548 and WQ24IND-0538 on your behalf.

Please be aware that if you reestablish this operation at a later date, you will need to submit a new application and pay the appropriate fees to DEQ to obtain a new permit.

Thank you for updating us on the status of your operation. If you have any questions, please contact Tim Ruby at 503-229-5292 or ruby.tim@deq.oregon.gov. I may also be reached at 503-229-5219.

Sincerely,

Tiffany Yelton-Bram
