Paul Koch called the meeting to order at 7:00 p.m.

Flyer: Paul passed out two draft flyers about the fall community meetings. Committee members offered suggestions on layout preference, tyographical errors, type font and on the information provided. The group also discussed the purpose of the meetings. It concluded that the purpose of the meetings will be to:

- (1)engage citizens to identify tranportation projects,
- (2) create a project list and
- (3) develop funding strategies.

The list of projects on the back of the flyer is to "idendify potential projects" with a footnote that the list had been developed by the Tranportation Task Force.

Dates: September 18 at the Armory and October 2 at the Senior Center have been confirmed. Brandts will try to contact the School District this week regarding Mountianview Middle School. C.S. Lewis also had not been scheduled.

Canvas: Ann Pesola stated that the canvas would take place on Saturday, September 8th and 15th, both dates prior to the first meeting. They will divide the City into sections. Training will be at the Public Safety Building at 9:15 a.m. and canvassing will begin at 10:00 a.m. Ann asked about giving the kids a donation to their group/club/church, such as DECA. \$150 was discussed.

Block Party: The Brandts
The City is developing a large color coded map. Soderquist showed an example. Larry Anderson suggested having a different designation for signal improvements from intersection improvements. Members generally liked the paragraph

descriptions with picture.

Speakers Bureau: Paul Koch is working on this as well as newspaper articles and letters.

Signs: Mike Soderquist showed three sample signs. The Committee decided to put the signs up after the meetings and that they were more of a election campaign tool. However, members thought that large signs might be put up in the neighborhoods about the neighborhood meetings.

The Committee adjourned at 8:00 p.m.
