You don't often get email from karlvanzandt@gmail.com. [Learn why this is important](#)

Rachel,

I need to change the release information on a site listed with DEQ in May of 2023.

There were errors in the entry. I have enclosed a file describing the nature and detail of the change.

I have received no help on YourDEQonline, the service can not do a past change.

Thank You

Karl Van Zandt
