Mr. Taylor-

In follow-up to our conversation on August 24, DEQ has prepared this comment (see attached) concerning the waterway lease modification for the City of St. Helens (former Boise White Paper) site. Please let me know if you have additional questions.

Regards,

Subject: City of St. Helens modification information/request for comment

Hi Jeff,

Thanks for taking some time to speak with me this morning, attached is the diagram showing the spud locations we discussed on the call. If you need anything else for your comment please let me know and I will provide it.

If you could provide a comment that I could use in my process by the end of the week I would greatly appreciate it.

Thank you,

Jacob Taylor, Proprietary Coordinator
Aquatic Resource Management Program
Oregon Department of State Lands
