---

The City of The Dalles Public Works Department announces a temporary delay in the West 2nd Street Pavement Preservation Project scheduled for Monday, April 29, 2024, through Thursday, May 2, 2024, due to inclement weather conditions, specifically rain. Asphalt placement cannot proceed effectively during rainy weather. This project will be delayed until weather conditions permit the completion of this phase of work. This delay should not impact the overall timeline for project completion.

**West 2<sup>nd</sup> Street between Terminal Ave. and Cherry Heights Road – The westbound lane will be closed for repairs on a section of roadway. Westbound motorists on Interstate 84, using exit 84, will be flagged to a single lane next to the construction zone. Expect delays.**

Motorists, bicycles and pedestrians are asked to use detours around the work zone during work hours.

Work hours will be 7:00 a.m. to 5:00 p.m.

Business access will be open during construction.

The purpose of this project is to grind out and replace about a quarter mile of roadway. This street work is expected to restore the pavement structure and provide a smoother and safer roadway.

Please proceed with caution around work areas during construction times and observe all temporary traffic control devices. Thank you for your attention to traveling safety during this work.
