In response to your transfer application and fee, DEQ has transferred your National Pollutant Discharge Elimination System General 1700-A permit from Thrifty Payless, Inc. to 29555 SW Boones Ferry Road Company, LLC.

A copy of the permit is attached. Please keep this letter with your permit. DEQ is no longer adding legal names to the face page of its general permits; this letter is documentation of your name change and registration to this permit. Compliance with your permit is required at all times.

Please be aware that you will be billed an annual fee every year for this permit. If you have any questions, please contact Mark Bentz at 503-229-5078 or at Mark.Bentz@deq.oregon.gov. A hard copy will follow in the mail.

Sincerely,

Tiffany Yelton-Bram
Water Quality Manager
