RE: Decommissioning Report for Groundwater Remediation Well Network and Treatment System, Former Koppers Wood-Treating Facility, Wauna, Oregon. ECSI #649

Dear Mr. Bunker:

The Oregon Department of Environmental Quality (DEQ) has reviewed and approves the document entitled *Decommissioning Report for Groundwater Remediation Well Network and Treatment System, Former Koppers Wood-Treating Facility, Wauna, Oregon*, dated February 25, 2022. This *Decommissioning Report* was prepared on behalf of Georgia Pacific by Wood Environment & Infrastructure Solutions Inc.

Thank you for your work to complete this major project closeout step. DEQ looks forward to receipt of the annual report of engineering controls inspection in August 2022.

Please feel free to call me with questions at (503) 887-7636.

Sincerely,

Kenneth Thiessen, CEG
