

Resolution No. 24- 19

A RESOLUTION ESTABLISHING RULES, REGULATIONS, RATE CHARGES AND CONDITIONS FOR SOLID WASTE SERVICE

WHEREAS, under Sections 4.020 and 4.060 of the Astoria Code, the City Council is authorized to contract for Solid Waste service and approve and enforce rules and regulations prepared by the City Manager and govern such service by resolution; and

WHEREAS, pursuant to Ordinance No. 91-17, Section 1, the charges for service set by this resolution are intended to be neither a tax on property or on a property owner as a direct consequence of ownership of property within the meaning of Section 11b, Article XI of the Oregon Constitution or the legislation implementing that section, nor an unincurred charge within the meaning of that section; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ASTORIA:

SECTION 1. Rules, Regulations and Rates. That the following Rules and Regulations governing solid waste service, including rates and conditions, are hereby adopted.

ARTICLE I GENERAL

Section 1.01 Public Works Director. Solid Waste service shall be under the control and supervision of the City's Public Works Director or the Director's designee. However, this rule shall not alter the responsibility of the Franchisee in providing Solid Waste service as provided by the Astoria Code and by these Rules and Regulations.

Section 1.02 Solid Waste Collection Charges. It is the policy of the City that each Customer will be charged in accordance with the existing schedule of fees. Charges for all Solid Waste service performed within the Astoria city limits by the Franchisee or its representative will be billed through the records of the City's Franchisee. Such billing shall include charges for all container rentals within the city limits.

ARTICLE II CUSTOMER'S RESPONSIBILITIES

Section 2.01 Containers not to be Overloaded. A customer shall not overload any container with earth, rocks or other heavy Solid Waste beyond the point where one (1) man can reasonably lift the container to the pickup vehicle. The maximum gross weight of a thirty-two (32) gallon container and material shall not exceed sixty-five (65) pounds. A customer shall not overload any container beyond the point where a cover can be securely replaced.

Section 2.02 Responsibility to Place Garbage in Containers. It shall be the responsibility of the customer to place Solid Waste in a container and to keep the area -2- around the container in a neat and sanitary condition. Customers are required to place containers at curbside, unless other arrangements are made with the Franchisee.

Section 2.03 Explosive, Hazardous and Toxic Materials Prohibited. A customer shall not place explosive, hazardous, toxic or inflammable materials in any container used for Solid Waste service.

Section 2.04 Location of Special Pickup Material. Special pickup materials shall be placed, by the customer, at a container or as near thereto as possible.

Section 2.05 Customers to Restrain Vicious Animals. Each customer must restrain vicious animals beyond the reach of each Solid Waste container and must take all steps to prevent any interference with the Franchisee in the performance of Solid Waste service. The Franchisee may refuse to remove Solid Waste if vicious animals present a dangerous situation.

Section 2.06 Certain Solid Waste Prohibited. No customer shall fill containers with dishwater or other liquid or semi-liquid wastes which are properly disposable down the sanitary drains.

Section 2.07 Containers to be Kept Clean. From time to time, a customer shall thoroughly clean each Solid Waste container which is thirty-two (32) gallons or smaller, or is a ninety (90) gallon curbside tote, to prevent any odor nuisance and to keep each container free from accumulative grease and decomposing material.

Section 2.08 Common Containers Prohibited. Customers shall not use a common Solid Waste container except at an apartment house, industrial and commercial building, and at other buildings where Solid Waste service is provided and included in the rent or lease price as a building service.

ARTICLE III
RATE SCHEDULES

Section 3.01 Rates Authorized. In accordance with the provisions of the Astoria Code, rates, attached as Exhibit A, are hereby adopted as the schedule for all Solid Waste services in the City of Astoria, effective July 1, 2024.

Section 3.02 Schedule of Rates. The schedule of rates attached as Exhibit "A" applies to all collections and will be the basis of billings to all customers by the Franchisee.

Section 3.03 20 Gallon Residential Container. In order to qualify for the 20 gallon rate, a customer needs to meet the following conditions:
