Subject: RE: NOTICE OF NON-RECEIPT for Report Required by Your Permit - Overdue DMRs by 7 days for Permit OR0022381

Andy Peters:

Please ignore the notice of non-receipt message you received from NetDMR on December 22 and any additional notices you receive before the date your first DMR is due according to the DMR Submittal in NetDMR Production email you received from the NetDMR Support Team.

For MOLALLA STP - OR0022381, the December 2019 is due January 15, 2020.

DEQ is aware that the NetDMR system sends this message to new Production users after they register but before they officially begin submitting DMRs in Production – we are not able to stop the messages. You will not be considered out of compliance with reporting requirements if you submit a paper DMR prior to the NetDMR Production start date in the approval letter. Thank you for your patience.

Sincerely,
NetDMR Support Team
