Subject: Plan for Replacing Aeration at Molalla WWTP
Attachments: 20230117 Letter to DEQ - Plan for Replacing Aeration at Molalla WWTP.pdf

Good Morning Mike,

Attached is the letter we discussed on the phone last week, detailing Molalla's plan to restore as much lost Aeration capacity as possible. The Aerators are on order as of this morning. Let me know if you have any questions.

Have a good week!

Respectfully,

Andy Peters, Public Works Div Manager
