No special procedure shall be necessary before the Board of Commissioners, otherwise meeting properly for transaction of County business and making any necessary findings, may exercise the powers of the LCRB.

- 3.2 ***Repeal of Prior Rules.*** As provided by the Order adopting these Rules, all previous Orders, Resolutions, and Policies adopted by Curry County relating to public contracting are repealed and shall have no effect.
- 3.3 ***Model Rules.*** Except as otherwise provided in these Rules or by order of the LCRB, the LCRB adopts the Attorney General's Model Public Contracting Rules, as they now exist and as they may be amended in the future, as the rules of procedure for Public Contracting. These Local Contract Review Board Rules shall be in addition to and shall supersede any conflicting provision in the Model Rules and Public Contracting Code, pursuant to ORS 279A.065(6)(B).
- 3.4 ***Public Contracting Rules.*** Any subject not addressed by these Rules shall be governed by the Public Contracting Code and Attorney General's Model Public Contracting Rules. All Public Contracts, as defined by ORS 279A.010 will be procured and awarded as provided by the Public Contracting Code and the Model Rules, and as otherwise directed by these Rules. The Board has the sole authority to award or amend all County Contracts unless expressly delegated by the Board pursuant to these Rules.

4. CONTRACT PROVISIONS

- 4.1 ***Agreement Forms.*** The Legal Counsel Office shall be responsible for developing and maintaining agreements, contracts, and some grant forms used by the County. All Departments shall use approved forms in any contract entered into on behalf of the County, unless waived by the Board of Commissioners in the manner provided by these Rules.
- 4.2 ***Insurance and Indemnity.*** At the discretion of Counsel, all Contracts, Grants, Cooperative Agreements, and Intergovernmental Agreements used by Curry County, including Contracts not obtained through the Competitive Process, shall, when practicable, contain indemnity and insurance provisions as determined by Counsel. Insurance requirements of this Section will not apply to Grant Agreements in which the County agrees only to disburse grant money but has undertaken no obligation other than to ensure that the grant recipient has fulfilled the conditions of the grant.
- 4.2.1 ***Waiver.*** Waiver of the requirement for insurance and indemnity provisions shall be provided in writing by County Legal counsel, and can be obtained as follows:
- (a) The Department responsible for administering the Contract must submit to Counsel a written request for the waiver. The request shall

The procedures contained in this Section do not apply to certain County Sheriff and District Attorney Contracts, such as Forestry Patrol Contracts, and Mediation Contracts.

6. EXEMPTIONS

Pursuant to ORS 279B.085, the LCRB finds the following classes of contracts exempt from competitive procurement on the basis that it is unlikely such exemptions will encourage favoritism or substantially diminish competition. The LCRB also finds that the awarding of Public Contracts pursuant to the exemptions will result in substantial cost savings. These classes of contracts may be awarded in any manner the Board deems appropriate, including direct appointment or purchase.

6.1 ***Copyrighted Materials.*** If there is only one known supplier for the goods.

6.2 ***Equipment Maintenance, Repair and Overhaul.*** If the service and/or parts required are unknown and the cost cannot be determined without extensive preliminary dismantling or testing; or if the service and/or parts required are for sophisticated equipment for which specially-trained personnel are required and such personnel are available from only one source.

The selection of the Agent of Record shall be made with the process prescribed for Personal Services Contracts by these Rules; and
 - (b) **Specific Proposals:** The County may solicit proposals from licensed insurance agents for the purpose of acquiring specific insurance contracts.
- 6.6 ***Office Supplies.***

- (a) The original Contract was selected by the Competitive Process and imposes a binding obligation on the parties covering the terms and conditions of the additional work; or
 - (b) If the amendment has the effect of creating a new Contract, the amount of the aggregate cost increase resulting from all amendments shall not exceed 10% of the initial Contract cost, or 20% of the initial Contract cost when the initial Contract is for an amount not exceeding \$100,000.00 and is for remodeling, repair, or rehabilitation of a structure or structures.

6.10 *Used Equipment*

- (a) *Vehicles:* If vehicles are purchased through local vehicle dealers, vehicles from at least three different vehicle dealers that meet the needs of the County will be considered before a specific vehicle is selected.

If not purchased from a local vehicle dealer, all vehicle purchases exceeding \$10,000.00 shall be subject to the competitive quote process. Purchases not exceeding \$10,000.00 can be made upon receiving three competitive quotes. If three quotes are not available, a written record must be made of the attempt to obtain quotes.

- (b) *Personal Property:* Unless otherwise specified in these Rules, the County may purchase used personal property without obtaining competitive Bids or Proposals. For purchases of used personal property over \$10,000.00, three competitive quotes shall be obtained. - (a) Grant agreements with a dollar value change no greater than 5% from the original contract, or a \$50,000.00 annual change to the original contract, whichever is less, provided they are still within budget and will not have a significant impact on departmental programs or staffing.
