Re: Audit and Nonattest Services

Dear Mr. Jerome:

Thank you for the opportunity to provide services to Curry County, Oregon. This engagement letter ("Engagement Letter") and the attached Professional Services Agreement, which is incorporated by this reference, confirm our acceptance and understanding of the terms and objectives of our engagement, and limitations of the services that Moss Adams LLP ("Moss Adams," "we," "us," and "our") will provide to Curry County, Oregon. ("you," "your," and "County").

Scope of Services – Audit

You have requested that we audit the County's financial statements, which comprise the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Curry County, Oregon as of and for the year ended June 30, 2022, and the related notes to the financial statements. We will also report on whether the schedule of expenditures of federal awards, other supplementary information, and budgetary schedules presented as required supplementary information (RSI), is fairly stated, in all material respects, in relation to the financial statements as a whole.

Accounting standards generally accepted in the United States of America provide for certain RSI, such as management's discussion and analysis, to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to County's RSI in accordance with auditing standards generally accepted in the United States of America. We will not express an opinion or provide assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide assurance. The following RSI will be subjected to certain limited procedures, but will not be audited:

- 1) Management's discussion and analysis
- 2) OPEB schedules
- 3) Schedule of proportionate share of the net pension liability
- 4) Schedule of pension contributions

Scope of Services and Limitations – Nonattest

We will provide the County with the following nonattest service:

Assist you in drafting the financial statements and related footnotes as of and for the year ended June 30, 2022.

Our professional standards require that we remain independent with respect to our attest clients, including those situations where we also provide nonattest services such as those identified in the preceding paragraphs. As a result, County management must accept the responsibilities set forth below related to this engagement:

- Assume all management responsibilities.
- Oversee the service by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to oversee our nonattest services. The individual is not required to possess the expertise to perform or reperform the services.
- Evaluate the adequacy and results of the nonattest services performed.
- Accept responsibility for the results of the nonattest services performed.

It is our understanding that Frank Jerome, Finance Director been designated by the County to oversee the nonattest services and that in the opinion of the County is qualified to oversee our nonattest services as outlined above. If any issues or concerns in this area arise during the course of our engagement, we will discuss them with you prior to continuing with the engagement.

Timing

Amanda McCleary-Moore is responsible for supervising the engagement and authorizing the signing of the report. We expect to begin our audit in approximately January 2023, and issue our report no later than March 31, 2023.

Our scheduling depends on your completion of the year-end closing and adjusting process prior to our arrival to begin the fieldwork. We may experience delays in completing our services due to your staff's unavailability or delays in your closing and adjusting process. You understand our fees are subject to adjustment if we experience these delays in completing our services.

Fees

Our fees for the services will be \$75,000 for the audit of the County, which includes one major program. Additional major programs will be billed at \$3,000 to 5,000 per program. Our fees for the non-attest service to draft the financial statements will be \$8,000. You will also be billed for expenses travel costs up to \$2,500.

In addition to fees, we will charge you for expenses. Our invoices include a flat expense charge, calculated as five percent (5%) of fees, to cover expenses such as copying costs, postage, administrative billable time, report processing fees, filing fees, and technology expenses. Travel expenses and client meals/entertainment expenses will be billed separately and are not included in the 5% charge.

To keep fees at a minimum and provide the reports to you on a timely basis, we are planning on significant assistance from your personnel. In this regard, we will furnish you with a list of schedules and data to facilitate our work. We understand that all records, documentation, and information we request in connection with our audit will be made available to us. Your preparation of schedules and providing supporting evidence requested timely is imperative for us to perform our audit procedures in the most efficient manner possible. These fees are for audit services only, and assume that material financial statement areas cash, investments, accounts receivable, grants receivable, capital assets, interfund receivables, due to/from related parties, accounts payable, unearned revenue, compensated absences, fund balance, grant and other revenues, expenses, transfers, and other areas are reconciled and properly adjusted and documented. If audit-related accounting assistance is required to reconcile accounts, these fees will be billed separately at our standard hourly rates. We will obtain your concurrence before we begin such services significantly beyond the scope of the audit.

If additional audit related reconciliations (considered outside the scope of our general audit procedures) are considered necessary, the limitations and the responsibilities County management must accept that are described in the "Scope of Services and Limitations – Nonattest" section of this letter will apply, and management will be required to designate an individual responsible for overseeing and monitoring this work. These nonattest services will be billed in excess of the fee noted above, at our standard hourly rates.

Reporting

We will issue a written report upon completion of our audit of the County's financial statements. Our report will be addressed to the Board of Commissioners of the County. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph, or withdraw from the engagement. Our services will be concluded upon delivery to you of our report on your financial statements for the year ended June 30, 2022.

PROFESSIONAL SERVICES AGREEMENT Single Audit Version (Uniform Guidance)

This Professional Services Agreement (the "PSA") together with the Engagement Letter, which is hereby incorporated by reference, represents the entire agreement (the "Agreement") relating to services that Moss Adams will provide to the County. Any undefined terms in this PSA shall have the same meaning as set forth in the Engagement Letter.

Objectives of the Audit

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The objectives of our audit are also to obtain reasonable assurance about whether the County has complied with applicable federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major federal program.

The objectives also include reporting on the following:

- Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*.
- Internal control over compliance related to major federal programs and on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and the audit requirements contained in OMB Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

The reports on internal control and compliance will each include a statement that the purpose of the report is solely to: describe the scope of testing of internal control over financial reporting and compliance and the result of that testing and not to provide an opinion on the effectiveness of the entity's internal control over financial reporting or on compliance; describe the scope of testing internal control over compliance for major federal programs and major federal program compliance and the result of that testing and to provide an opinion on compliance but not to provide an opinion on the effectiveness of internal control over compliance; that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control over financial reporting and compliance and the OMB Uniform Guidance in considering internal control over compliance and major federal program compliance; and, accordingly, it is not suitable for any other purpose.

The objectives of our audit are also to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The Auditor's Responsibility

We will conduct our audit in accordance with U.S. GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the audit provisions of the OMB Uniform Guidance. As part of an audit conducted in accordance with U.S. GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control or to identify deficiencies in the design or operation of internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosure, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time

In accordance with the OMB Uniform Guidance we also:

- Determine major program(s)
- Identify and assess the risks of material noncompliance, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion on compliance with applicable federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major federal program.
- Obtain an understanding of internal control over compliance that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program in order to design audit procedures that are appropriate in the circumstances. We will perform tests of controls to evaluate the effectiveness of the design and operation of such controls, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance or to identify deficiencies in the design or operation of internal control over compliance. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control over compliance that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program that we have identified during the audit.

The supplementary information will be subject to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves.

If our opinion on the financial statements or on compliance is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion we may decline to express an opinion or to issue a report as a result of this engagement.

Procedures and Limitations

Our procedures may include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of certain receivables and certain other assets, liabilities and transaction details by correspondence with selected individuals, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from management about the financial statements and supplementary information and related matters. Management's failure to provide representations to our satisfaction will preclude us from issuing our report.

An audit includes examining evidence, on a test basis, supporting the amounts and disclosures in the financial statements. Therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. Material misstatements may include errors, fraudulent financial reporting, misappropriation of assets, or noncompliance with the provisions of laws, regulations, contracts, and grant agreements that are attributable to the entity or to acts by management or employees acting on behalf of the entity that may have a direct financial statement impact. Pursuant to *Government Auditing Standards*, we will not provide reasonable assurance of detecting abuse. As required by the Single Audit Act Amendments of 1996 and the audit provisions of the OMB Uniform Guidance, our audit will include tests of transactions related to major federal award programs for compliance with applicable federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements and noncompliance may not be detected, even though the audit is properly planned and performed in accordance with U.S. GAAS, *Government Auditing Standards*, and the OMB Uniform Guidance. An audit is not designed to detect immaterial misstatements or noncompliance with the provisions of laws, regulations, contracts, and grant agreements that do not have a direct and material effect on the financial statements or noncompliance with the provisions of federal statutes, regulations, and the terms and condition of federal awards that do not have a direct and material effect on major federal programs. However, we will inform you of any material errors, fraudulent financial reporting, misappropriation of assets, and noncompliance with the provisions of laws, federal statutes, regulations, contracts grant agreements and federal awards that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any time period for which we are not engaged as auditors.

We may assist management in the preparation of the County's financial statements and supplementary information. Regardless of any assistance we may render, all information included in the financial statements and supplementary information remains the representation of management. We may issue a preliminary draft of the financial statements and supplementary information to you for your review. Any preliminary draft financial statements and supplementary information should not be relied upon, reproduced or otherwise distributed without the written permission of Moss Adams.

Procedures and Limitations—Internal Control

Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from noncompliance with the provisions of laws, regulations, contract and grant agreements and other noncompliance matters that have a direct and material effect on the financial statements.

Our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the OMB Uniform Guidance.

Procedures and Limitations—Compliance

Our audit will be conducted in accordance with the standards referred to in the section titled "Objectives of the Audit." As part of obtaining reasonable assurance about whether the financial statements are free from material misstatement, we will perform tests of the County's compliance with the provisions of laws, regulations, contracts, and grant agreements that may have a direct and material effect on the financial statements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Our procedures will consist of the applicable procedures described in the OMB Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of your major federal programs. The purpose of those procedures will be to express an opinion on the County's compliance with requirements applicable to each of its major federal programs in our report on compliance issued pursuant to the OMB Uniform Guidance.

Management's Responsibility for Financial Statements, Internal Control, and Federal Award Compliance

As a condition of our engagement, management acknowledges and understands that management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America. We may advise management about appropriate accounting principles and their application and may assist in the preparation of your financial statements, including the schedule of expenditures of federal awards, but management remains responsible for the financial statements and the schedule of expenditures of federal awards. Management also acknowledges and understands that management is responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud. This responsibility includes the maintenance of adequate records, the selection and application of accounting principles, and the safeguarding of assets.

You are responsible for informing us about all known or suspected fraud affecting the County involving: (a) management, (b) employees who have significant roles in internal control, and (c) others where the fraud could have a material effect on the financial statements. You are responsible for informing us of your knowledge of any allegations of fraud or suspected fraud affecting the County received in communications from employees, former employees, grantors, regulators, or others. In addition, management is responsible for identifying and ensuring that the County complies with applicable laws and regulations and for taking timely and appropriate steps to remedy any fraud or noncompliance with the provisions of laws, regulations, contract, and grant agreements, that we may report.

Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Management is responsible for establishing and maintaining internal control and for compliance with federal statutes, regulations, and the terms and conditions of federal awards and for identifying and ensuring that the County complies with such provisions. Management is also responsible for informing us of any significant contractor relationships in which the contractor is responsible for program compliance. Management is also responsible for addressing the audit findings and recommendations, establishing and maintaining a process to track the status of such findings and recommendations, and taking timely and appropriate steps to remedy any fraud and noncompliance with federal statutes, regulations, and the terms and conditions of federal awards or abuse that we may report. Additionally, as required by the OMB Uniform Guidance, it is your responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan.

Management is responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. Management agrees that as a condition of our engagement, management will provide us with:

- access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, whether obtained from within or outside of the general and subsidiary ledgers (including all information relevant to the preparation and fair presentation of disclosures), such as records, documentation, and other matters;
- additional information that we may request from management for the purpose of the audit; and
- unrestricted access to persons within the County from whom we determine it necessary to obtain audit evidence.

Our professional standards require that we remain independent of the County as well as any "affiliate" of the County.

Professional standards define an affiliate as follows:

- an entity that the County can control (for example, a subsidiary);
- an entity in which the County or an entity controlled by the County has a direct financial interest that gives the County significant influence over such entity and is material to the County;
- an entity that controls the County (for example, a parent) when the County is material to such entity;
- an entity with a direct financial interest in the County when that entity has significant influence over the County, and the interest in the County is material to such entity;
- a sister entity of the County if the County and sister entity are each material to the entity that controls both;

In order to fulfill our mutual responsibility to maintain auditor independence, you agree to notify Moss Adams of any known affiliate relationships, to the best of your knowledge and belief. Additionally, you agree to inform Moss Adams of any known services provided or relationships between affiliates of the County and Moss Adams or any of its employees or personnel.

In order to fulfill our mutual responsibility to maintain auditor independence, you agree to notify Moss Adams of any known affiliate relationships, to the best of your knowledge and belief. Additionally, you agree to inform Moss Adams of any known services provided or relationships between affiliates of the County and Moss Adams or any of its employees or personnel.

Management's Responsibility for Supplementary Information

Management is responsible for the preparation of the supplementary information in accordance with the applicable criteria. Management agrees to include the auditor's report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information. Management is responsible to present the supplementary information with the audited financial statements or, if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by the entity of the supplementary information and the auditor's report thereon. For purposes of this Agreement, audited financial statements are deemed to be readily available if a third party user can obtain the audited financial statements without any further action by management. For example, financial statements on your Web site may be considered readily available, but being available upon request is not considered readily available.

Other Information Included in an Annual Report

When financial or nonfinancial information, other than financial statements and the auditor's report thereon, is included in an entity's annual report, management is responsible for that other information. Management is also responsible for providing the document(s) that comprise the annual report to us as soon as it is available.

Our opinion on the financial statements does not cover the other information, and we do not express an opinion or any form of assurance thereon. Our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the audited financial statements. If we identify that a material inconsistency or misstatement of the other information exists, we will discuss it with you; if it is not resolved U.S. GAAS requires us to take appropriate action.

Key Audit Matters

U.S. GAAS does not require the communication of key audit matters in the audit report unless engaged to do so. You have not engaged us to report on key audit matters, and the Agreement does not contemplate Moss Adams providing any such services. You agree we are under no obligation to communicate key audit matters in the auditor's report.

If you request to engage Moss Adams to communicate key audit matters in the auditor's report, before accepting the engagement we would discuss with you the additional fees to provide any such services, and the impact to the timeline for completing the audit.

Dissemination of Financial Statements and Reports

We will provide copies of our reports to the County; however, management is responsible for distribution of the reports and the financial statements. Our report on the financial statements must be associated only with the financial statements that were the subject of our engagement. You may make copies of our report, but only if the entire financial statements (including related footnotes and supplementary information, as appropriate) are reproduced and distributed with our report. You agree not to reproduce or associate our report with any other financial statements, or portions thereof, that are not the subject of this engagement.

Offering of Securities

This Agreement does not contemplate Moss Adams providing any services in connection with the offering of securities, whether registered or exempt from registration, and Moss Adams will charge additional fees to provide any such services. You agree not to incorporate or reference our report in a private placement or other offering of your equity or debt securities without our express written permission. You further agree we are under no obligation to reissue our report or provide written permission for the use of our report at a later date in connection with an offering of securities, the issuance of debt instruments, or for any other circumstance. We will determine, at our sole discretion, whether we will reissue our report or provide written permission for the use of our report only after we have conducted any procedures we deem necessary in the circumstances. You agree to provide us with adequate time to review documents where (a) our report is requested to be reissued, (b) our report is included in the offering document or referred to therein, or (c) reference to our firm is expected to be made. If we decide to reissue our report or provide written permission to the use of our report, you agree that Moss Adams will be included on each distribution of draft offering materials and we will receive a complete set of final documents. If we decide not to reissue our report or withhold our written permission to use our report, you may be required to engage another firm to audit periods covered by our audit reports, and that firm will likely bill you for its services. While the successor auditor may request access to our engagement documentation for those periods, we are under no obligation to permit such access.

Changes in Professional or Accounting Standards

To the extent that future federal, state, or professional rule-making activities require modification of our audit approach, procedures, scope of work, etc., we will advise you of such changes and the impact on our fee estimate. If we are unable to agree on the additional fees, if any, that may be required to implement any new accounting and auditing standards that are required to be adopted and applied as part of our engagement, we may terminate this Agreement as provided herein, regardless of the stage of completion.

Representations of Management

During the course of our engagement, we may request information and explanations from management regarding, among other matters, the County's operations, internal control, future plans, specific transactions, and accounting systems and procedures. At the conclusion of our engagement, we will require, as a precondition to the issuance of our report, that management provide us with a written representation letter confirming some or all of the representations made during the engagement. The procedures that we will perform in our engagement will be heavily influenced by the representations that we receive from management. Accordingly, false representations could cause us to expend unnecessary efforts or could cause a material error or fraud to go undetected by our procedures. In view of the foregoing, you agree that we will not be responsible for any misstatements in the County's financial statements and supplementary information that we fail to detect as a result of false or misleading representations, whether oral or written, that are made to us by the County's management. While we may assist management in the preparation of the representation letter, it is management's responsibility to carefully review and understand the representations made therein.

In addition, because our failure to detect material misstatements could cause others relying upon our audit report to incur damages, the County further agrees to indemnify and hold us harmless from any liability and all costs (including legal fees) that we may incur in connection with claims based upon our failure to detect material misstatements in the County's financial statements and supplementary information resulting in whole or in part from knowingly false or misleading representations made to us by any member of the County's management.

Fees and Expenses

The County acknowledges that the following circumstances will result in an increase of our fees:

- Failure to prepare for the audit as evidenced by accounts and records that have not been subject to normal year-end closing and reconciliation procedures;
- Failure to complete the audit preparation work by the applicable due dates;
- Significant unanticipated transactions, audit issues, or other such circumstances;
- Delays causing scheduling changes or disruption of fieldwork;
- After audit or post fieldwork circumstances requiring revisions to work previously completed or delays in resolution of issues that extend the period of time necessary to complete the audit;
- Issues with the prior audit firm, prior year account balances or report disclosures that impact the current year engagement; and
- An excessive number of audit adjustments.

We will endeavor to advise you in the event these circumstances occur, however we may be unable to determine the impact on the estimated fee until the conclusion of the engagement. We will bill any additional amounts based on the experience of the individuals involved and the amount of work performed.

Billings are due upon presentation and become delinquent if not paid within 30 days of the invoice date. Any past due fee under this Agreement shall bear interest at the highest rate allowed by law on any unpaid balance. In addition to fees, you may be billed for expenses and any applicable sales and gross receipts tax. Direct expenses may be charged based on out-of-pocket expenditures, per diem allotments, and mileage reimbursements, depending on the nature of the expense. Indirect expenses, such as processing time and technology expenses, may be passed through at our estimated cost and may be billed as a flat charge or a percentage of fees. If we elect to suspend our engagement for nonpayment, we may not resume our work until the account is paid in full. If we elect to terminate our services for nonpayment, or as otherwise provided in this Agreement, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our work. You will be obligated to compensate us for fees earned for services rendered and to reimburse us for expenses. You acknowledge and agree that in the event we stop work or terminate this Agreement as a result of your failure to pay on a timely basis for services rendered by Moss Adams as provided in this Agreement, or if we terminate this Agreement for any other reason, we shall not be liable to you for any damages that occur as a result of our ceasing to render services.

Limitation on Liability

IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR OTHERWISE ARISING OUT OF THIS AGREEMENT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR EXEMPLARY OR PUNITIVE DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT.

Subpoena or Other Release of Documents

As a result of our services to you, we may be required or requested to provide information or documents to you or a third-party in connection with governmental regulations or activities, or a legal, arbitration or administrative proceeding (including a grand jury investigation), in which we are not a party. You may, within the time permitted for our firm to respond to any request, initiate such legal action as you deem appropriate to protect information from discovery. If you take no action within the time permitted for us to respond or if your action does not result in a judicial order protecting us from supplying requested information, we will construe your inaction or failure as consent to comply with the request. Our efforts in complying with such requests or demands will be deemed a part of this engagement and we shall be entitled to additional compensation for our time and reimbursement for our out-of-pocket expenditures (including legal fees) in complying with such request or demand.

Pursuant to authority given by law or regulation, we may be requested to make certain engagement documentation available to an applicable entity with oversight responsibilities for the audit or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such engagement documentation will be provided under the supervision of Moss Adams personnel. Furthermore, upon request, we may provide photocopies of selected engagement documentation to the aforementioned parties. These parties may intend, or decide, to distribute the photocopies or information contained therein to others, including other governmental agencies.

Document Retention Policy

At the conclusion of this engagement, we will return to you all original records you supplied to us. Your County records are the primary records for your operations and comprise the backup and support for the results of this engagement. Our records and files, including our engagement documentation whether kept on paper or electronic media, are our property and are not a substitute for your own records. Our firm policy calls for us to destroy our engagement files and all pertinent engagement documentation after a retention period of seven years (or longer, if required by law or regulation), after which time these items will no longer be available. We are under no obligation to notify you regarding the destruction of our records. We reserve the right to modify the retention period without notifying you. Catastrophic events or physical deterioration may result in our firm's records being unavailable before the expiration of the above retention period.

Except as set forth above, you agree that Moss Adams may destroy paper originals and copies of any documents, including, without limitation, correspondence, agreements, and representation letters, and retain only digital images thereof.

Use of Electronic Communication

In the interest of facilitating our services to you, we may communicate by facsimile transmission or send electronic mail over the Internet. Such communications may include information that is confidential. We employ measures in the use of electronic communications designed to provide reasonable assurance that data security is maintained. Entire Agreement

This Professional Services Agreement and Engagement Letter constitute the entire agreement and understanding between Moss Adams and the County. The County agrees that in entering into this Agreement it is not relying and has not relied upon any oral or other representations, promise or statement made by anyone which is not set forth herein.

In the event the parties fail to enter into a new Agreement for each subsequent calendar year in which Moss Adams provides services to the County, the terms and conditions of this PSA shall continue in force until such time as the parties execute a new written Agreement or terminate their relationship, whichever occurs first.

Use of Moss Adams' Name

The County may not use any of Moss Adams' name, trademarks, service marks or logo in connection with the services contemplated by this Agreement or otherwise without the prior written permission of Moss Adams, which permission may be withheld for any or no reason and may be subject to certain conditions.

Use of Nonlicensed Personnel

Certain engagement personnel who are not licensed as certified public accountants may provide services during this engagement.

Dispute Resolution Procedure, Venue and Limitation Period

This Agreement shall be governed by the laws of the state of Washington, without giving effect to any conflicts of laws principles. If a dispute arises out of or relates to the engagement described herein, and if the dispute cannot be settled through negotiations, the parties agree first to try in good faith to settle the dispute by mediation using an agreed upon mediator. If the parties are unable to agree on a mediator, the parties shall petition the state court that would have jurisdiction over this matter if litigation were to ensue and request the appointment of a mediator, and such appointment shall be binding on the parties. Each party shall be responsible for its own mediation expenses, and shall share equally in the mediator's fees and expenses.

Each party hereby irrevocably (a) consents to the exclusive jurisdiction and venue of the appropriate state or federal court located in King County, state of Washington, in connection with any dispute hereunder or the enforcement of any right or obligation hereunder, and (b) WAIVES ITS RIGHT TO A JURY TRIAL. EACH PARTY FURTHER AGREES THAT ANY SUIT ARISING OUT OF OR RELATED TO THIS AGREEMENT MUST BE FILED WITHIN ONE (1) YEAR AFTER THE CAUSE OF ACTION ARISES.

Termination

This Agreement may be terminated by either party, with or without cause, upon ten (10) days' written notice. In such event, we will stop providing services hereunder except on work, mutually agreed upon in writing, necessary to carry out such termination. In the event of termination, (a) you shall pay us for services provided and expenses incurred through the effective date of termination, (b) we will provide you with all finished reports that we have prepared pursuant to this Agreement, (c) neither party shall be liable to the other for any damages that occur as a result of our ceasing to render services, and (d) we will require any new accounting firm that you may retain to execute access letters satisfactory to Moss Adams prior to reviewing our files.

Hiring of Employees

Any offer of employment to members of the audit team prior to issuance of our report may impair our independence, and as a result, may result in our inability to complete the engagement and issue a report.

Mutual Waiver of COVID-19 Claims

This provision addresses issues regarding the novel coronavirus ("COVID-19"). The Parties acknowledge their respective understanding of the hazards of COVID-19, including, but not limited to, its highly contagious nature and the corresponding health risks associated with being exposed to or infected by COVID-19. Each Party agrees to waive, release, discharge, and covenants not to sue the other Party or its affiliates and its and their respective officers, directors, partners, principals, employees, agents, or subcontractors from any and all claims, damages, expense, liability, illness or losses that may occur from exposure to or infection by COVID-19 arising out of, related to, or in any way connected with the professional services provided by Moss Adams.
